A Letter from Your Teacher Shannon Olsen,2022-03 From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There

is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.

Five Little Ducks ,2016-01-05 Little ones will learn to count from 1 to 5 in this cute concept book complete with sliding tabs to move back and forth! Five little ducks went swimming one day, over the hill and far away. But the little ducks keep swimming off one by one! Dilly goes off to play with Frog, Danny wants to leap with lamb, Dolly visits Calf in the cowshed, Davey nibbles corn with Hen and her chicks, and Daisy dives in the reeds to play with Bunny. But that leaves Mommy Duck sad and lonely, so her five little ducks all come back! There are five tabs, and each tab is embossed and illustrated with a baby duck. Kids will love sliding them back and forth to have them swim away to their friends and then back to their Mom in this fantastic first counting book!

Clutter Free Kathi Lipp, 2015-01-01 If you've ever wished you could clear out your clutter, simplify your space, and take back your life, Kathi Lipp's new book has just the solutions you need. Building off the success of her *The Get Yourself Organized Project*, this book will provide even more ideas for getting your life and your stuff under control. Do any of these descriptions apply to you? You bought a box of cereal at the store, and then discovered you have several boxes at home that are already past the best by date. You bought a book and put it on your nightstand (right on top of ten others you've bought recently), but you have yet to open it. You keep hundreds of DVDs around even though you watch everything online now and aren't really sure where the remote for the DVD player is. You spend valuable time moving your piles around the house, but you can never find that piece of paper when you need it. Your house doesn't make you happy when you step into it. As you try out the many easy, doable solutions that helped Kathi win her battle with clutter, you'll begin to understand why you hold

on to the things you do, eliminate what's crowding out real life, and make room for the life of true abundance God wants for you.

Our Class is a Family Shannon Olsen,2020-04-07 Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what. -Unknown Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, Our Class is a Family is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's

important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically IN the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together.
