ENT Made Easy Linda MacConnell,Amtul Salam Sami,2019-05-30 ENT Made Easy is the ideal clinical text for family physicians, physician assistants, ENT trainees, medical students, and other healthcare professionals looking to manage common ENT conditions. Diseases of the ears, nose and throat are among the most common presentations in primary care, and many patients are referred to ENT clinics in secondary care for further medical and surgical management. To help reduce these referrals this book guides readers through the basic anatomy and pathophysiology and then, for each presentation, provides: an introduction which describes possible causes and the history required a section on diagnosis, including which examinations and investigations to consider management options, complications to look out for, and when to refer. This book offers concise, practical guidance and so helps to fill the gap between ENT theory and the actual work experience. In addition to covering the common presentations, from allergic rhinitis to vertigo, via dysphagia and halitosis, the book also provides a description of the main investigations and covers the particular problems occurring in pediatric cases. Publisher's note: this version of ENT Made Easy is an adaptation of the book of the same name by Amtul Salam Sami (ISBN 9781911510055) and is specifically intended for the US market. Not available in the UK/Europe.

Coffee Smiles & Tears by Starlight Short Stories DEBALEENA MUKHERJEE,2022-04-25 Coffee, Smiles & Tears: by Starlight"; is a collection of short stories. These are vignettes and miniatures. They are the doll's- house in my heart. These tales are of fleeting moments in which we live a lifetime of emotions. These are my 'Wonders' and 'Closures' in life. I emerged from the cocoon;I found my wings. Here are stories of "Life" that never ceases to surprise me. As with my collection of poems, so with these stories, this is "Life" as I see it. They are ramblings, musings. I claim no definition, because, for me life does not come with tags. It enfolds you every which way. Being a coffee lover, I believe in dipping every nuance of my life in coffee, especially late into the night. I love looking at the night sky and gazing at the stars. They know of my tears and smiles. So that's my time to watch the starlight blend into my coffee. Debaleena Mukherjee.

These Precious Days Ann Patchett,2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike. –Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of These Precious Days is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story

collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of The Beatryce Prophecy) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in These Precious Days resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.
