Paper and Its Uses; a Treatise for Printers, Stationers and Others with 35 Samples of Paper Edward A. Dawe,2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

New and Complete Manual on the Making of Fancy Papers Fichtenberg,2010 ... New and Complete Manual on the Making of Fancy Papers documents the changes and innovations in French marbling, and describes the marbling and fancy paper trades of the mid-nineteenth century. It also provides technical details on the manufacture of these papers and is a key source for information that couldn't be found anywhere else at the time.--publisher.
