Spread Your Wings and Fly Mary Chloe Schoolcraft Saunders,2001-11 Uses a story emphasizing personal possibilities to provide instructions for creating an origami bird.

More-igami Dori Kleber,2019-09-17 A creative young boy with a passion for practicing origami finds a surprising source of encouragement on his diverse city block. Joey loves things that fold: maps, beds, accordions, you name it. When a visiting mother of a classmate turns a plain piece of paper into a beautiful origami crane, his eyes pop. Maybe he can learn origami, too. It's going to take practice — on his homework, the newspaper, the thirty-eight dollars in his mother's purse . . . Enough! No more folding! But how can Joey become an origami master if he's not allowed to practice? Is there anywhere that he can hone the skill that makes him happy — and maybe even make a new friend while he's at it?

The Complete Story of Sadako Sasaki Masahiro Sasaki, Sue DiCicco, 2020-04-07

****Independent Publisher Book Award (IPPY) Winner**** ****Middle School Book of the Year--Northern Lights Book Awards**** ****Skipping Stones Honor Award Winner**** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first

time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.
