Paper Lantern Stuart Dybek, 2014-06-03 A collection of short stories of love set in gritty urban environments.

Paper Lantern Stuart Dybek, 2014-06-03 A new collection of short stories by a master of the form with a common focus on the turmoils of romantic love. Ready! Aim! On command the firing squad aims at the man backed against a full-length mirror. The mirror once hung in a bedroom, but now it's cracked and propped against a dumpster in an alley. The condemned man has refused the customary last cigarette but accepted as a hood the black slip that was carelessly tossed over a corner of the mirror's frame. The slip still smells faintly of a familiar fragrance. So begins *Tosca*, the first in this vivid collection of Stuart Dybek's love stories. Operatically dramatic and intimately lyrical, grittily urban and impressionistically natural, the varied fictions in *Paper Lantern* all focus on the turmoil of love as only Dybek can portray it. An execution triggers the recollection of a theatrical romance; then a social worker falls for his own client; and lovers part as giddily, perhaps as hopelessly, as a kid trying to hang on to a boisterous kite. A flaming laboratory evokes a steamy midnight drive across terrain both familiar and strange, and an eerily ringing phone becomes the telltale signature of a dark betrayal. Each story is marked with contagious desire, spontaneous revelation, and, ultimately, resigned courage. As one woman whispers when she sets a notebook filled with her sketches drifting out to sea, Someone will find you. Some of Dybek's characters recur in these stories, while others appear only briefly. Throughout, they—and we—are confronted with vaguely familiar scents and images, reminiscent of love but strangely disconcerting, so that we might wonder whether we are looking in a mirror or down the barrel of a gun. After the ragged discharge, Dybek writes, when the smoke has cleared, who will be left standing and who will be shattered into shards? *Paper Lantern* brims with the intoxicating elixirs known to every love-struck, lovelorn heart, and it marks the magnificent return of one of America's most important fiction writers at the height of his powers.

The Aspern Papers and Other Stories Henry James, 2013-02-14 There's no baseness I wouldn't commit for Jeffrey Aspern's sake. *The Aspern Papers* is one of James's best-known and most accomplished novellas, whose plot foreshadows the modern cult of the writer as celebrity, and the hunger to uncover previously unseen writings. Indeed, in all four stories collected here—including *The Death of the Lion*, *The Figure in the Carpet* and *The Birthplace*—the figure of the artist is central. Extraordinarily prophetic, James explores the emergent new cult of the writer as celebrity, and asks: can the person behind the art ever truly be known, and can our knowledge of the artist's life ever explain the act of creativity. The collection features an Introduction by distinguished James scholar Adrian Poole, who explores the central themes of all four stories and their literary contexts. In addition, Poole includes relevant extracts from James's Prefaces and Notebooks in which the origins and development of the stories are described as well as an appendix on stage and screen versions of *The Aspern Papers*. Reproducing the definitive New York Edition text, the volume includes a new Select Bibliography, new and revised notes, and an appendix of variant readings. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Kimiko and Other Japanese Sketches Lafcadio Hearn,2013-12 The name is on a paper-lantern at the entrance of a house in the Street of the Geisha. Seen at night the street is one of the queerest in the world. It is narrow as a gangway; and the dark shining wood-work of the house-fronts, all tightly closed,—each having a tiny sliding door with paper-panes that look just like frosted glass,—makes you think of first-class passenger-cabins. Really the buildings are several stories high; but you do not observe this at once—especially if there be no moon—because only the lower stories are illuminated up to their awnings, above which all is darkness. The illumination is made by lamps behind the narrow paper-paned doors, and by the paper-lanterns hanging outside—one at every door. You look down the street between two lines of these lanterns—lines converging far-off into one motionless bar of yellow light. Some of the lanterns are egg-shaped, some cylindrical; others four-sided or six-sided; and Japanese characters are beautifully written upon them. The street is very quiet—silent as a display of cabinet-work in some great exhibition after closing-time. This is because the inmates are mostly away—attending banquets and other festivities. Their life is of the night.

Henry James: Complete Stories Vol. 3 1884-1891 (LOA #107) Henry James,1999-01-11

Sometimes overshadowed by his work as a novelist, Henry James's short fiction is an astonishing achievement, a triumph of inventiveness and restless curiosity. This Library of America volume (the third of five volumes devoted to his short fiction) includes among its seventeen stories some of James's greatest masterpieces. "The Aspern Papers" is a stunning novella about emotional ruthlessness in the service of literary scholarship. "The Pupil" is a densely suggestive account of the moral perplexities underlying the relationship between an impoverished tutor and a young invalid. "The Lesson of the Master" is an intricate study of ambition, disappointment, and the demands of a life devoted to art. "Brooksmith" is a moving portrait of a house servant and "Sir Edmund Orme" is an enthralling ghost story. In "The Liar," a painter attempts to force a former love to admit that her present husband is a pathological liar; in "The Patagonia," a young man cavalierly flirts with a young woman en route to her wedding in England, with disastrous consequences. More than half the stories within this volume are available in no other edition. LIBRARY OF AMERICA is an

independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Sky Lantern Matt Mikalatos, 2016-11-15 Matt Mikalatos offers a poignant and compassionate look at a father's relationship with his children, the healing power of a small act of kindness, and the certainty that even death can't stop love in a deeply moving memoir inspired by a sky lantern with a scribbled note and the journey to find the child who wrote it: Love you, Daddy. Miss you so much. Steph. Steph scribbled those words on a sky lantern before sending it off to her father in heaven who had passed away from cancer. Halfway across the country, Steph's lantern landed in Matt Mikalatos's yard. As a father of three daughters, Matt could not let Steph's note go unanswered, so he posted an open letter to her on his blog. Matt never could have expected the viral response to his letter that led him on a journey to find Steph--and to bring healing to thousands of others in desperate need of the loving words of a father. Filled with paternal wisdom and reflections on the relationship between a father and his child, Sky Lantern shows how the miraculous events that followed Matt finding the sky lantern in his yard--and the widespread and lasting impact his letter had--prove that the bond between a parent and their child is everlasting--

Kimiko and Other Japanese Sketches Lafcadio Hearn, 2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
