**The Expedition of the Donner Party and Its Tragic Fate** Eliza Poor Donner Houghton,1911 Eliza Houghton (b. 1843) was the youngest child of George Donner, one of two Springfield, Illinois, brothers who organized the ill-fated California-bound emigrant party that bore their name. Eliza and her older sisters were rescued by relief parties that made their way to the stranded travellers at Donner Lake, but their parents perished, and the girls were left to make their way alone in the West. The expedition of the Donner party and its tragic fate (1911) begins with Mrs. Houghton's account of her childhood and the family's tragic overland journey, and rescue. She continues with her life as an orphan, first at Fort Sutter, and then with a family in Sonoma and with her older half-sister in Sacramento. She describes the impact of the gold rush and new immigration on the area, farm work and domestic work, and her own education in public schools and St. Catherine's Convent in Benicia. She writes at length of the emotional scars caused by contemporary rumors of cannibalism among the Donner Party and offers full accounts of Donner family history as well as the background of her husband, Samuel Houghton. An appendix contains several documentary sources for the history of the Donner Party.

**Buyology** Martin Lindstrom,2010-02-02 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.
