Bloody Dominions Nick Macklin, 2021-05-18 58-56 BCE. As Caesar's campaign unfolds, tests of courage and belief will confront the three protagonists, shaping them as individuals and challenging their views of the world and each other: Atticus – an impetuous but naturally gifted soldier, whose grandfather served with distinction in the legions; Allerix – a Chieftain of the Aduatuci, who finds himself fighting both for and against Caesar; and Epona – a fierce warrior and Allerix's adopted sister. Experiencing the brutalities of conflict and the repercussions of both victory and defeat, Atticus, Allerix and Epona will cross paths repeatedly, their destinies bound together across time, the vast and hostile territories of Gaul and the barriers of fate that have defined them as enemies. In a twist of fate, Atticus and Allerix discover that they share a bond, a secret that nobody could ever

foresee...

Mastering the Art of Mctavishing Karen McTavish,2014-09-09 Expanded and completely revised, this book is the perfect companion for longarm, sit-down, or hand quilters to add a simple but beautiful background filler to their quilting repertoire. Dubbed McTavishing after its creator, it has become the most popular new design concept in quilting today. As shown in the extensively illustrated projects, McTavishing may be added to any quilt or garment, from wholecloth to contemporary art quilts, and done by hand, domestic machine, or longarm technique. The book's how-to chapters demonstrate the uses of the McTavishing stitch--as an addition to an open quilt block, in a border, to highlight complex applique, to custom tailor a favorite garment, or as part of a larger overall design--while the accompanying DVDs provide lessons from the author. Accompanied by interviews with accomplished hand and domestic machine quilters, this guide offers readers an unparalleled view of the exciting new quilting process. This edition boasts revised how-to chapters, new graphics, new text, and a simpler teaching method. Additional pages feature new quilts and quilters as well as a new section on modern quilting styles.
