50 Fantastic Ideas for Messy Play Sally Featherstone,Phill Featherstone,2016-05-05 Messy play is at the heart of the early years curriculum, supporting creativity and imagination, and giving children opportunities to experiment with tactile materials. This book will offer 50 ideas working with natural resources, simple household items and recycled resources for low cost inspiration. Practitioners and teachers in the early years are always looking for new ideas for messy and 'hands-on' play, and this book will give children many opportunities for exploration and investigation through sensory play.

Some Sort of a Life Miriam Karlin,2014-03-19 “I have never, ever wanted to write an autobiography. The number of times I have been approached and every time I said no, no, it’s a wank” Miriam Karlin is that rare creature: a pillar of the British acting establishment who is at the same time a thoroughgoing maverick. During sixty distinguished, workaholic years of acting, she has been a West End regular and RSC company actor, a pioneering performer on live television, half of a radio double-act with Peter Sellers, a stand-up comic, a scene-stealing character actor in such films as *The Entertainer* and *A Clockwork Orange*, and, of course, the truculent, whistle-blowing shop steward Paddy in the long-running TV sitcom *The Rag Trade*, with her

catchphrase “Everybody Out!” Parallel to her career as an actor are her lifelong socialist beliefs, her unerring sense of justice and her political activism. Miriam’s life also has been a long battle against addiction; to alcohol, prescription drugs, gambling, cigarettes, and dieting (she recently revealed herself in the Observer as “the world’s oldest bulimic”) challenges she describes in *Some Sort of a Life* with great humour and irreverence. Dictated to Jan Sargent as Miriam was recovering from mouth cancer (an experience she describes in a chapter typically entitled ‘Sans teeth, sans f ckin’ everything’) she is compellingly candid about the people in her life: her family (part of which perished in the holocaust), her friends and the eminent figures she has worked with, such as Laurence Olivier, Peter Sellers, Stanley Kubrick, Tony Hancock and Barry Humphries. Above all though, she is utterly honest about herself: her love affairs and abortions, her battles with eating disorders and illness, her gradual disillusionment with the Labour Party and the state of Israel, and her own compulsive nature, which accounts for many of the highs and lows of her fascinating life. *Some Sort of a Life* is an autobiography refreshingly free of self-justification and recrimination, and full of the passion and earthy humour of one of our finest character actors.

Word Sorts and More Kathy Ganske,2018-01-01 Tens of thousands

of teachers have used this skillfully crafted book to build children's word knowledge with engaging categorization activities organized by spelling stages. Featuring rich classroom examples, the revised and expanded second edition gives increased attention to teaching English learners (ELs), among other enhancements. In a large-size format for easy photocopying, the volume includes over 200 reproducible word, picture, and letter sorts, plus additional reproducible forms and activities in the appendices. Purchasers get access to a companion website where they can download and print the reproducible appendix materials. The website also features supplemental PowerPoint assessment slides and 16 pages of Spanish–English cognate sorts. New to This Edition: *Greatly expanded content on teaching ELs, including a chapter showcasing researcher perspectives as well as supplemental online resources. *Cutting-edge SAIL (survey, analyze, interpret, link) framework for small-group lesson planning, complete with a detailed sample lesson and script. *Additional user-friendly tools: student performance records and the No-Nonsense Word Recognition Assessment. *Firsthand teacher perspectives now get a full chapter; many are new. See also Ganske's *Word Journeys, Second Edition: Assessment-Guided Phonics, Spelling, and Vocabulary Instruction*, which provides a comprehensive framework for assessing and building word knowledge, and *Mindful of Words, Second Edition: Spelling and Vocabulary Explorations, Grades 4–8*, which presents word study activities for the intermediate and middle grades.

Overcoming Mood Swings Jan Scott,2010-01-28 'This is an excellent self-help book. It is clear, user-friendly, encouraging and non-condescending. I would recommend my patients to read this book.' British Journal of Clinical Psychology Most people know what

it is like to experience high or low spirits. For some individuals, however, emotional extremes can seriously disrupt their lives, either because they happen too frequently or because the mood swings are intense and are accompanied by other symptoms of depression or mania. This book is a self-help manual for those who have experienced mood swings and gives background information on depression and mania. The author uses tried and tested practical techniques that will help people identify and manage their mood more effectively, and achieve a more stable emotional state. Contains a complete self-help programme and monitoring sheets. Overcoming self-help guides use clinically proven techniques to treat long-standing and disabling conditions, both psychological and physical. Many guides in the Overcoming series are recommended under the Reading Well Books on Prescription scheme.

The British Journal of Photography ,1877

Overcoming Mood Swings 2nd Edition Jan Scott,2022-02-03 Most of us know about extreme highs or lows. For some people, however, emotional extremes can seriously disrupt our lives, either because they happen too frequently or because the mood swings are intense and accompanied by other symptoms of depression or mania, such as changes in energy and activity levels. This valuable self-help guide teaches tried-and-tested strategies that will help anyone troubled by mood swings to effectively identify and manage their moods, and achieve a more stable and comfortable emotional balance. It includes: - Information on depression and mania - A step-by-step, structured self-help programme and monitoring sheets Overcoming self-help guides use clinically proven techniques to treat long-standing and disabling conditions, both psychological and physical. **READING WELL** This book is recommended by the national Reading Well scheme for

England and Wales, delivered by the Reading Agency and the Society of Chief Librarians with funding from Arts Council England and Wellcome. www.reading-well.org.uk Series Editor: Emeritus professor Peter Cooper
