THE SPIES WHO CAME BACK TO THE COLD: An Icelandic saga of secret agents, intelligence agencies, deception, political intrigue and international diplomacy during the Second World War Bernard O'Connor, 2017-03-03 During the Second World War, the German Intelligence Service infiltrated specially-trained agents into Iceland to collect military, naval, aviation and meteorological intelligence to be transmitted back to Hamburg by wireless or secret writing. Some agents managed to evade capture for a few weeks but most handed themselves into the authorities shortly after landing. Sent to London for interrogation by MI5, rather than be executed as enemy spies, they revealed their life stories and provided details of their training, their instructors and how they were infiltrated. They included Olev Saetrang, Ib Riis, Sigurjon Jonsson, Jens Palsson, Peter Thomsen aka Jens Fridriksson, Larus Thorsteinsson, Einar Sigvaldason, Magnus Gudbjornsson, Sverrir Matthiasson, Ernst Fresenius, Sigurdur Juliusson, Hjalte Bjornsson and Gudbrandur Hlidar. Three of these spies were 'turned', used as double agents to transmit British-inspired messages to deceive the Germans about Arctic convoys and a fake Allied

invasion of Norway.

A Place Called Home David Ambroz, 2022-09-13
PORCHLIGHT BESTSELLER Zibby Owens 2022 Book of the Year A galvanizing, stirring memoir about growing up homeless and in foster care and rising to become a leading advocate for child welfare, recognized by President Obama as an American Champion of Change. "You will fall in love with David Ambroz, his beautifully-told, gut-wrenching story, and his great big heart." (Jeanette Walls, author of *The Glass Castle*) "It's impossible to read *A Place Called Home* and not want to redouble your efforts to fight the systems of poverty that have plagued America for far too long. In this book, David shares his deeply personal story and issues a rousing call to make this a more humane and compassionate nation."—HILLARY RODHAM CLINTON There are millions of homeless children in America today and in *A Place Called Home*, award-winning child welfare advocate David Ambroz writes about growing up homeless in New York for eleven years and his subsequent years in foster care, offering a window into what so many kids living in poverty experience every day. When David and his siblings should be in elementary school, they are instead walking the streets seeking shelter while their mother is battling mental illness. They rest in train stations, 24-hour diners, anywhere that's warm and dry; they bathe in public restrooms and steal food to quell their hunger. When David is placed in foster care, at first it feels like salvation but soon proves to be just as unsafe. He's moved from home to home and, in all but one placement, he's abused. His burgeoning homosexuality makes him an easy target for other's cruelty. David finds hope and opportunities in libraries, schools, and the occasional kind-hearted adult; he

harnesses an inner grit to escape the all-too-familiar outcome for a kid like him. Through hard work and unwavering resolve, he is able to get a scholarship to Vassar College, his first significant step out of poverty. He later graduates from UCLA Law with a vision of using his degree to change the laws that affect children in poverty. Told with lyricism and sparkling with warmth, *A Place Called Home* depicts childhood poverty and homelessness as it is experienced by so many young people who have been systematically overlooked and unprotected. It's at once a gripping personal account of deprivation—how one boy survived it, and ultimately thrived—and a resounding call for readers to move from empathy to action.

Game, Set, Life Wayne J. Street, 2010 I should have been at the tree farm, fighting with my sister over the perfect tree. I missed out on the big game and the most recent school dance. Why? Because I didn't have control of when I could go to the bathroom. So I was stuck at home with Planet of the Apes. I hate that movie.' High school is hard enough without worrying about your reputation, but teen embarrassment reaches new levels for Wayne J. Street, Jr. What starts as severe stomach cramps quickly sidelines the tennis standout for fear of losing control of more than just his serve. Crippled with pain and embarrassment, he conceals his struggles until his diminishing frame threatens to expel the truth. Wayne has officially joined the four thousand males diagnosed with Crohn's disease each year. By the age of twenty-five, he will also face a cancer that would put fear into any man. But with the stamina and determination of a true athlete, Wayne embarks on a doctor's visit that bruises more than his ego. Written with Wayne's wit and dry humor, what could easily be a sob story of agonizing treatments quickly evolves into a story toned with personality and perseverance. Friends and family rally around Wayne as he makes his amazing journey from a naive teen to death bed to proud father, and he learns what doesn't kill him, really does make him stronger. Author Wayne J. Street, Jr. resides in Cotati, California, with his wife, Tiffany, and their son, William. He is a seven-year survivor of testicular cancer and has battled Crohn's disease for the past fourteen years. He is still playing tennis.
