Origami and Papercraft Paul Jackson, Vivien Frank, 1996-02-01 A flat piece of paper is one of the most readily available of art materials, although initially it may seem to be one of the least promising. Origami demonstrates how this functional material can be transformed into wonderful shapes and animals, superb stationery, decorations, and gifts. This book will allow the reader to master the arts of origami and paper design through completing both simple and complex projects. The origami projects include stunningly simple modular and folded creations as well as complex and multiform three dimensional models. The paper craft sections are packed with ideas to craft that can serve many functions, including acting as stylish gift tags, classical card and stationery holders, paper flowers, and decoupage decorations.
