You can do endless things with different types of paper. From, scrap booking, to making cards, flowers, origami, paper cutting, and all kinds of decorations. As you can see there are many things one can do creatively with paper. When it comes to paper crafting there is a multitude of projects, techniques and supplies one can use to achieve a work of art made from paper. Paper crafts no longer means just hanging streamers for a party or drawing a sketch on a folded piece of paper for a birthday card. With all the possibilities available in the world of paper crafting today one can take virtually any plain piece of paper and make it into a thing of beauty. Even though most projects do come with instruction and techniques one gets the most satisfaction when they let their own creative touches enter the equation.
