Peter Engel

Origami Odyssey Peter Engel,2014-10-07 Renowned origami artist Peter Engel first astounded origami enthusiasts and the lay person alike with his popular Origami from Angelfish to Zen. Since that book, published in 1989, Engel has gone through a personal change in his philosophy of origami design, honed through decades of elevating what is often viewed as simple paper folding into a fine art. In Origami Odyssey, Engel takes paper crafters on a journey to the edge of paper folding, providing instruction for exquisite and original origami designs, including several that have been shown in galleries and museums throughout the world. Experienced folders will delight in the chance to grow as artists as they master the projects in this book, and new comers to origami will find the author's journey so inspiring that they'll be ready to begin an odyssey of their own. This unique do-it-yourself paper craft book includes: Full-colored photos and step-by-step instructions and diagrams 21 fun-to-do projects like the Green Horned Owl, Gingko Leaf, Stingray and many more! Downloadable instructional video with easy-to-follow tutorials

Cut and Fold Techniques for Pop-Up Designs Paul Jackson,2014-02-17 Introducing techniques for making pop-ups from one sheet of card, the third title in this series on paper engineering takes folding techniques into the third dimension. Each chapter introduces a new technical idea and shows how that technique can be adapted in many different ways, or combined with techniques from earlier chapters. These 3-D techniques can be incorporated into any design where typography and/or illustration are used, including mail-shots, personal publicity, invitations, business cards and greetings cards. With their emphasis on surface design over complex cutting, the pop-ups have an instant appeal for designers. Following the elegant, easy-to-follow style of Paul Jackson's other titles

for Laurence King, Cut and Fold Techniques for Pop-Up Designs is an essential resource for marketing professionals and design students.
