Mistletoe Tad Hills,2020-09-29 Celebrate Christmas with Mistletoe, a mouse who makes the perfect gift for her best friend from #1 New York Times bestselling author-illustrator. Mistletoe loves everything about Christmas--the twinkling lights, the cookies for Santa, and, most of all, the gently falling snow. Her best friend, Norwell, is an elephant who likes sitting by the fire and watching the snow from the comfort of his cozy house. On one particularly snowy walk, Mistletoe stops to appreciate the beauty and peace of a snow-covered world. She knows Norwell would love it too... if he weren't so afraid of the cold. Then she has an idea! Mistletoe knits from morning to night--when she's reading, when she's baking, and even in the bath (which isn't easy). By the time Christmas morning arrives, she puts down her knitting needles. Her gift for Norwell is ready--and it is perfect. Full of holiday cheer and filled with the true meaning of Christmas, here is a new story from master picture book creator Tad Hills that introduces two warm and funny characters to love.

Lil' Hal's Giant Christmas Box Chris B,2019-10-28 The back story about Lil Hal's Giant Christmas Box goes like this. . . Hal's uncle Clarence had a car repair shop. Hal really loved to watch his uncle at work. But for weeks he was kept away so Hal won't see his uncle's very special project. Clarence had acquired a used race car that needed repairs. The car had a Delco light plant for a motor and used airplane landing tires. In the meantime, to distract Lil Hal's curiosity, a big box weighted with bricks was wrapped and placed in the attic. His closet had the access stairs to the attic, so he snuck up to the attic for weeks to examine the mystery box. When Christmas day came, he had the usual gifts under the tree; then he was told he could open the box in the attic. Hal unwrapped several boxes until he found the bricks. There was a note to go to the tree for instructions. there he found he was to follow the string, which leads him through a labyrinth of rooms in his and his grandparents houses and his grandpa's hardware store. The journey ended in the attached garage, where the yellow race car was waiting. What a glorious present for a boy! A week or so later, his cousin got a turn driving the car, but he ended his trip by crashing into a building. When asked why he crashed the car, he replied, I didn't know how to stop the car. But all was well because it was only a small repair to fix the dent.
