The Monkey's Paw and Other Tales W.W. Jacobs, 2014-11-01 Eighteen humorous tales of the macabre and supernatural from W.W. Jacobs, including his classic, "The Monkey's Paw." Considered one of the foremost humorists in England at the turn of the century, W.W. Jacobs (1863–1943) is best known for his masterpiece of horror, "The Monkey's Paw." He was the author of thirteen volumes of short stories—all of which were commercially successful—and eighteen of these are included together for the first time in this gripping collection of macabre fiction. This book features Gothic narratives, stories of the macabre and supernatural tales. But they are also infused with shrewd and sardonic humor, for which Jacobs was justifiably famous. They demonstrate vividly his masterful instinct for weaving terror and suspense into scenes of ordinary life. His boyhood memories of South Devon Wharf lend authenticity to the many stories with nautical backgrounds or that feature seamen as protagonists. Because of its immense popularity, "The Monkey's Paw" has tended to overshadow a good deal of Jacobs' other work, and it is undoubtedly the most readily recognized and by far the most anthologized story in the collection. But readers will be delighted to know that Jacobs' craftsmanship is abundantly apparent in many of his other tales, as they will discover in this volume. Horror and mystery aficionados will be intrigued and delighted by his range of skillful and witty prose; and they will at last come to appreciate a writer whose other work has been for so long "lost"

to the general public. “Eighteen of [Jacobs’] admirably rich stories are gathered in this collection, which shows off to advantage his absolute mastery of the form. Obvious in his stories is a vein of humor, regardless of whether they are conventional mysteries or tales of the macabre or the supernatural. . . . These stories will be at home in the hands of any admirer of the form.” —Booklist

The Monkey's Paw W. W. Jacobs, 2014-01-21 When the White family comes into the possession of a monkey's paw that magically grant wishes, they do what many people would do—they wish for money. But every wish has a consequence, and the White family finds they are completely unprepared for what comes next. *The Monkey's Paw* is a classic horror tale that gives new meaning to the phrase “be careful what you wish for.” *The Monkey's Paw* has become a classic horror story and has been adapted numerous times, including into episodes of such popular television series as *The X-Files*, *The Twilight Zone*, *Buffy the Vampire Slayer*, *The Simpsons: Treehouse of Horror*, *Are You Afraid of the Dark?*, and *Tales from the Crypt*. The Monkey's Paw W. W. Jacobs, 2015-07-19 *The Monkey's Paw - A Supernatural Short Story* by W. W. Jacobs - The story involves Mr. and Mrs. White and their adult son, Herbert. Sergeant-Major Morris, a friend of the Whites who has been part of the British Army in India, introduces them to the monkey's paw, telling of its mysterious powers to grant three wishes and of its journey from an old fakir to his

comrade, who used his third wish to wish for death. Sergeant-Major Morris, having had a bad experience upon using the paw, throws the monkey's paw into the fire but White quickly retrieves it. Morris warns White, but White, thinking about what the paw could be used for, ignores him. Mr. White wishes for £200 to be used as the final payment on his house. The next day his son Herbert leaves for work at a local factory. Later that day, word comes to the White home that Herbert has been killed in a machinery accident. Although the employer disclaims tortious responsibility for the incident, the firm makes a goodwill payment to heirs of the deceased. The payment is £200. Ten days after the funeral, Mrs. White, almost mad with grief, asks her husband to use the paw to wish Herbert back to life. Reluctantly, he does so. Shortly afterwards there is a knock at the door. Mrs. White fumbles at the locks in an attempt to open the door. Mr. White knows, however, that he cannot allow their revived son in, as his appearance will be too hideous. Mr. White was required to identify the body, which had been mutilated by the accident. It has now been buried for more than a week. While Mrs. White tries to open the door, Mr. White makes his third wish, and the knocking stops. Mrs. White opens the door to find no one there.
