

Pbs

Javaka Steptoe

PBS Lawrence Jarvik, Laurence Jarvik, 1998-02-18 PBS originated with good intentions: Making the world better through education. But according to media analyst Laurence Jarvik, America's only taxpayer-supported public broadcasting network has gone astray. ... must reading for anyone who is interested in how the public broadcasting system was created, what it achieved, and where it has gone wrong. -- David Horowitz In his new book, *PBS: Behind the Screen*, Jarvik provides the first independent, historical account of our nation's television network. Based on years of research and scores of interviews, he tours readers through PBS's evolution, from the early days, when the network was a shining vision in the minds of educators and philanthropists, to later years, when it became the focal point of a never-ending, sometimes ugly tug-of-war between opposing political camps. *PBS: Behind the Screen* answers the following questions: - Does Sesame Street really educate? - What political agenda underlies PBS's hard-hitting documentary programs? - Is the real Bill Moyers the carefully crafted image viewers see on the screen? - What challenges did William F. Buckley Jr. have to overcome before *Firing Line* could be broadcast? - Just how much did America's favorite chef, Julia Child, really know about cooking when she started out?

New from Here Kelly Yang, 2022-03 Knox works to keep his family together as they move from Hong Kong back to northern California during the initial outbreak of the coronavirus.--

Me & Mama Cozbi A. Cabrera, 2020-08-25 A Caldecott and Coretta Scott King Honor Book *Mama's love is brighter than the sun, even on the rainiest of days. This celebration of a mother-daughter relationship is perfect for sharing with little ones! On a rainy day when the house smells like cinnamon and Papa and Luca are still asleep, when the clouds are wearing shadows and the wind paints the window with beads of water, I want to be everywhere Mama is. With lyrical prose and a tender touch, the Caldecott and Coretta Scott King Honor Book *Mama and Me* is an ode to the strength of the bond between a mother and a daughter as they spend a rainy day together.*

The PBS Companion David C. Stewart, 1999 Offers a look at public broadcasting's most successful programs, including *Masterpiece Theatre*, *Brideshead Revisited*, *Frontline*, *NOVA*, and *Sesame Street*.

What It Means When a Man Falls from the Sky Lesley Nneka Arimah, 2017-04-04 A PBS NewsHour/New York Times Book Club Pick A NATIONAL BOOK FOUNDATION 5 UNDER 35 HONOREE WINNER OF THE 2017 KIRKUS PRIZE WINNER OF THE NYPL'S YOUNG LIONS FICTION AWARD FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE LEONARD PRIZE SHORTLISTED FOR THE ASPEN WORDS LITERARY PRIZE A dazzlingly accomplished debut collection explores the ties that bind parents and children, husbands and wives, lovers and friends to one another and to the places they call home. In "Who Will Greet You at Home," a National Magazine Award finalist for *The New Yorker*, a woman desperate for a child weaves one out of hair, with unsettling results. In "Wild," a disastrous night out shifts a teenager and her Nigerian cousin onto uneasy common ground. In *The Future Looks Good*, three generations of women are haunted by the ghosts of war, while in *Light*, a father struggles to protect and empower the daughter he loves. And in the title story, in a world ravaged by flood and riven by class, experts have discovered how to fix the equation of a person - with rippling, unforeseen repercussions. Evocative, playful, subversive, and

incredibly human, What It Means When a Man Falls from the Sky heralds the arrival of a prodigious talent with a remarkable career ahead of her.

Drawn Together Minh Lê, 2018-06-04 The recipient of six starred reviews and the APALA Asian/Pacific American Award for Literature! Named a Best Book of 2018 by the Wall Street Journal, NPR, Smithsonian, Kirkus Reviews, School Library Journal, Booklist, the Bulletin of the Center for Children's Books, BookRiot, the New York Public Library, the Chicago Public Library-and many more! When a young boy visits his grandfather, their lack of a common language leads to confusion, frustration, and silence. But as they sit down to draw together, something magical happens-with a shared love of art and storytelling, the two form a bond that goes beyond words. With spare, direct text by Minh Lê and luminous illustrations by Caldecott Medalist Dan Santat, this stirring picturebook about reaching across barriers will be cherished for years to come. A Junior Library Guild selection!

There Will Be No Miracles Here Casey Gerald, 2018-10-02 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary. -Marlon James Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir. -BookPage The testament of a boy and a generation who came of age as the world came apart-a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey--following in the footsteps of his father, a gridiron legend who literally broke his back for the team--is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question--even shatter--and reimagine our most cherished myths.

The PBS Companion David Stewart, 1999-04-01 An engaging look at the creative personalities and the groundbreaking programming decisions involved in the development of the landmarks of public television (PT). Here are the stories of how some of the most successful and influential shows ever produced made it to the air, such as: how *Masterpiece Theatre* was brought to the U.S.; the incredible popular response to *Upstairs, Downstairs*; the surprising success of *Brideshead Revisited*; behind-the-scenes looks at the genesis of such groundbreaking series as *The American Experience*, *Frontline*, *NOVA*, and *Sesame Street*; and profiles of such PT luminaries as Fred Rogers, Julia Child, and

Jim Lehrer. With 19 B&W photos.

They Made America David Lefer, Gail Buckland, Harold Evans, 2009-03-03 An illustrated history of American innovators -- some well known, some unknown, and all fascinating -- by the author of the bestselling *The American Century*.

The Actor's Life Jenna Fischer, 2017-11-14 Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on *The Office*, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

Radiant Child Javaka Steptoe, 2016-11-08 Winner of the Randolph Caldecott Medal and the Coretta Scott King Illustrator Award Jean-Michel Basquiat and his unique, collage-style paintings rocketed to fame in the 1980s as a cultural phenomenon unlike anything the art world had ever seen. But before that, he was a little boy who saw art everywhere: in poetry books and museums, in games and in the words that we speak, and in the pulsing energy of New York City. Now, award-winning illustrator Javaka Steptoe's vivid text and bold artwork echoing Basquiat's own introduce young readers to the powerful message that art doesn't always have to be neat or clean--and definitely not inside the lines--to be beautiful.

The Black Church Henry Louis Gates, Jr., 2022-01-18 The instant New York Times bestseller and companion book to the PBS series. "Absolutely brilliant . . . A necessary and moving work." —Eddie S. Glaude, Jr., author of *Begin Again* "Engaging. . . . In Gates's telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven." —Jon Meacham, New York Times Book Review From the New York Times bestselling author of *Stony the Road* and *The Black Box*, and one of our most important voices on the African American experience, comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings and offer comfort amid its trials and tribulations. In this tender

and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

The First Measured Century Theodore Caplow, Louis Hicks, Ben J. Wattenberg, 2001 Companion v. to the PBS television documentary *The first measured century*. Includes bibliographical references (p. [279]-296) and index.

Red Sky at Night Elly MacKay, 2018-05-01 A memorable collection of weather sayings, beautifully arranged in story form and illustrated by renowned paper artist Elly MacKay. Red sky at night, sailor's delight. And, the next morning, when the dew is on the grass, no rain will come to pass. These are the perfect conditions for a grandfather to take his grandchildren out on a fishing trip. Especially since, as the saying goes, when the wind is from the West, then the fishes bite the best. The family takes a boat out on the lake, fishing and swimming and eventually camping out on a nearby island, taking full advantage of the gorgeous weather. But the next day . . . red sky in the morning, sailors take warning! The family ventures back home just in time to avoid a rainstorm. But not to worry -- the more rain, the more rest. Fair weather's not always best. Acclaimed paper artist Elly MacKay illustrates a lovely family narrative through the use of weather aphorisms, creating a beautiful and informational story which will appeal to children's timeless fascination with the natural world.

Dismantling the Patriarchy, Bit by Bit Judith K. Brodsky, 2021-09-09 In

Dismantling the Patriarchy, Bit by Bit, Judith K. Brodsky makes a ground-breaking intellectual leap by connecting feminist art theory with the rise of digital art. Technology has commonly been considered the domain of white men but-unrecognized until this book-female artists, including women artists of color, have been innovators in the digital art arena as early as the late 1960s when computers first became available outside of government and university laboratories. Brodsky, an important figure in the feminist art world, looks at various forms of visual art that are quickly becoming the dominant art of the 21st century, examining the work of artists in such media as video (from pioneers Joan Jonas and Adrian Piper to Hannah Black today), websites and social networking (from Vera Frenkel to Ann Hirsch), virtual and augmented reality art (Jenny Holzer to Hyphen-Lab), and art using artificial intelligence. She also documents the work of female-identifying, queer, transgender, and Black and brown artists including Legacy Russell and Micha Cárdenas, who are not only innovators in digital art but also transforming technology itself under the impact of feminist theory. In this radical study, Brodsky argues that their work frees technology from its patriarchal context, illustrating the crucial need to transform all areas of our culture in order to achieve the goals of #MeToo, Black Lives Matter (BLM), and Black and Minority Ethnic (BAME) representation, to empower female-identifying and Black and brown people, and to document their contributions to human history.

West Point John Grant, 2002

Finding Your Roots, Season 2 Henry Louis Gates Jr., 2016-01-28 Who are we, and where do we come from? The fundamental drive to answer these questions is at the heart of Finding Your Roots, the companion book to the hit PBS documentary series. As scholar Henry Louis Gates Jr. clearly demonstrates, the tools of cutting-edge genomics and deep genealogical research now allow us to learn more about our roots and look further back in time than ever before. In the second season, Gates's investigation takes on the personal and genealogical histories of more than twenty luminaries, including Ken Burns, Stephen King, Derek Jeter, Governor Deval Patrick, Valerie Jarrett, and Sally Field. As Gates interlaces these moving stories of immigration, assimilation, strife, and success, he provides practical information for amateur genealogists just beginning archival research on their own families' roots and details the advances in genetic research now available to the public. The result is an illuminating exploration of who we are, how we lost track of our roots, and how we can find them again.

American Portrait PBS, 2021-06-22 Based on the popular and revolutionary PBS multiplatform documentary project, an inspiring and striking photographic portrait that brilliantly captures the tumultuous, historic year that was 2020, offering an intimate look at the heart and soul of our national life and what it means to be an American today, revealed through the stories of ordinary people from sea to shining sea. Everyone has a story . . . In January 2020, in celebration of its 50th anniversary, PBS launched an ambitious national storytelling project, American Portrait, inviting people across the country to participate in a national conversation about what it means to be an American today. The multiplatform experience, including a television series that will air on PBS stations nationwide in January 2021, has created a communal voice through the individual stories of participants—each one a unique stitch in the beautiful, diverse quilt that is America. A vivid yet nuanced snapshot of who we are, this visually striking

companion volume features more than 400 entries and photographs, all which began with an answer to a simple cue: My American story started when . . . You don't know what it's like to . . . My greatest challenge is . . . The tradition I carry on is . . . I was raised to believe . . . What keeps me up at night is . . . I took a risk when . . . When I step outside my door . . . Most days I feel . . . Told by people of all ages, orientations, and walks of life, these unique stories of joy, adversity, love, sacrifice, grief, sharing, triumph, and grace, centered on the themes of family, work, fun, faith, and community, illuminate the struggles, hopes, dreams, and convictions of Americans today. The more we share with our fellow citizens, the more we can see a real, complex, and fascinating representation of our country that is far richer and deeper than headlines and elections tell us. As intriguing, thoughtful, and distinct as the nation it embodies, *American Portrait* is a photographic manifestation of Walt Whitman's immortal words, "I am large. I contain multitudes"—and a vital and ultimately hopeful reminder that what we all share is much greater and enduring than what may divide us.

Just Like Me Vanessa Brantley-Newton, 2022-07-12 An ode to the girl with scrapes on her knees and flowers in her hair, and every girl in between, this exquisite treasury will appeal to readers of *Dear Girl* and *I Am Enough* and have kids poring over it to find a poem that's just for them. I am a canvas Being painted on By the words of my family Friends And community From Vanessa Brantley-Newton, the author of *Grandma's Purse*, comes a collection of poetry filled with engaging mini-stories about girls of all kinds: girls who feel happy, sad, scared, powerful; girls who love their bodies and girls who don't; country girls, city girls; girls who love their mother and girls who wish they had a father. With bright portraits in Vanessa's signature style of vibrant colors and unique patterns and fabrics, this book invites readers to find themselves and each other within its pages. A dynamic, uplifting, and welcoming world of girls.--Kirkus Thoughtful, inclusive, and celebratory--Publishers Weekly Bursting with positivity, this would be a great book to use in primary school classrooms when discussing issues of friendship, diversity, and self-esteem.--Booklist

Country Music Dayton Duncan, Ken Burns, 2019-09-10 The rich and colorful story of America's most popular music and the singers and songwriters who captivated, entertained, and consoled listeners throughout the twentieth century--based on the upcoming eight-part film series to air on PBS in September 2019 This gorgeously illustrated and hugely entertaining history begins where country music itself emerged: the American South, where people sang to themselves and to their families at home and in church, and where they danced to fiddle tunes on Saturday nights. With the birth of radio in the 1920s, the songs moved from small towns, mountain hollers, and the wide-open West to become the music of an entire nation--a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly, leading up through the decades to the music's massive commercial success today. But above all, *Country Music* is the story of the musicians. Here is Hank Williams's tragic honky tonk life, Dolly Parton rising to fame from a dirt-poor childhood, and Loretta Lynn turning her experiences into songs that spoke to women everywhere. Here too are interviews with the genre's biggest stars, including the likes of Merle Haggard to Garth Brooks to Rosanne Cash. Rife with rare photographs and endlessly fascinating anecdotes, the stories in this sweeping yet intimate history will captivate longtime country fans

and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience.

Pbs Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Pbs**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
