The Black Church Henry Louis Gates, Jr., 2022-01-18 The instant New York Times bestseller and companion book to the PBS series. "Absolutely brilliant . . . A necessary and moving work." –Eddie S. Glaude, Jr., author of *Begin Again* "Engaging. . . . In Gates's telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven." –Jon Meacham, New York Times Book Review From the New York Times bestselling author of *Stony the Road* and *The Black Box*, and one of our most important voices on the African American experience, comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings

and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave

rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

American Portrait PBS, 2021-06-22 Based on the popular and revolutionary PBS multiplatform documentary project, an inspiring and striking photographic portrait that brilliantly captures the tumultuous, historic year that was 2020, offering an intimate look at the heart and soul of our national life and what it means to be an American today, revealed through the stories of ordinary people from sea to shining sea. Everyone has a story . . . In January 2020, in celebration of its 50th anniversary, PBS launched an ambitious national storytelling project, American Portrait, inviting people across the country to participate in a national conversation about what it means to be an American today. The multiplatform experience, including a television series that will air on PBS stations nationwide in January

2021, has created a communal voice through the individual stories of participants—each one a unique stitch in the beautiful, diverse quilt that is America. A vivid yet nuanced snapshot of who we are, this visually striking companion volume features more than 400 entries and photographs, all which began with an answer to a simple cue: My American story started when . . . You don't know what it's like to . . . My greatest challenge is . . . The tradition I carry on is . . . I was raised to believe . . . What keeps me up at night is . . . I took a risk when . . . When I step outside my door . . . Most days I feel . . . Told by people of all ages, orientations, and walks of life, these unique stories of joy, adversity, love, sacrifice, grief, sharing, triumph, and grace, centered on the themes of family, work, fun, faith, and community, illuminate the struggles, hopes, dreams, and convictions of Americans today. The more we share with our fellow citizens, the more we can see a real, complex, and fascinating representation of our country that is far richer and deeper than headlines and elections tell us. As intriguing, thoughtful, and distinct as the nation it embodies, American Portrait is a photographic manifestation of Walt Whitman's immortal words, "I am large. I contain multitudes"—and a vital and ultimately hopeful reminder that what we all share is much greater and enduring than what may divide us.

Radiant Child Javaka Steptoe, 2016-11-08 Winner of the Randolph Caldecott Medal and the Coretta Scott King Illustrator Award Jean-Michel Basquiat and his unique, collage-style paintings rocketed

to fame in the 1980s as a cultural phenomenon unlike anything the art world had ever seen. But before that, he was a little boy who saw art everywhere: in poetry books and museums, in games and in the words that we speak, and in the pulsing energy of New York City. Now, award-winning illustrator Javaka Steptoe's vivid text and bold artwork echoing Basquiat's own introduce young readers to the powerful message that art doesn't always have to be neat or clean--and definitely not inside the lines--to be beautiful.

With spare, direct text by Minh Lê and luminous illustrations by Caldecott Medalist Dan Santat, this stirring picturebook about reaching across barriers will be cherished for years to come. A Junior Library Guild selection!

Me & Mama Cozbi A. Cabrera, 2020-08-25 A Caldecott and Coretta Scott King Honor Book Mama's love is brighter than the sun, even on the rainiest of days. This celebration of a mother-

daughter relationship is perfect for sharing with little ones! On a rainy day when the house smells like cinnamon and Papa and Luca are still asleep, when the clouds are wearing shadows and the wind paints the window with beads of water, I want to be everywhere Mama is. With lyrical prose and a tender touch, the Caldecott and Coretta Scott King Honor Book *Mama and Me* is an ode to the strength of the bond between a mother and a daughter as they spend a rainy day together.

Before His Time: The Untold Story of Harry T. Moore America's First Civil Rights Martyr Ben Green, 2017-12-15 On Christmas night, 1951, a bomb exploded in Mims, Florida, under the home of civil rights activist and educator Harry T. Moore. Harry and his wife Harriette both died from injuries sustained in the blast, making them the first martyrs of the contemporary civil rights movement. They were killed twelve years before Medgar Evers, fourteen years before Malcolm X, and seventeen years before Martin Luther King, Jr. The sound of the bomb could be heard three miles away in the neighboring town of Titusville, but what resonates today is the memory of the important civil rights work accomplished by Moore. This new edition of Ben Green's comprehensive biography of Harry T. Moore includes updated material about the investigations into the bombing, and additional photographs commemorating Moore's legacy.

A Box Full of Kittens Sonia Manzano, 2007-06-05 Ruthie loves Superman. Ruthie wants to be Superman. And when Ruthie is asked to go spend the afternoon with her aunt, who is about to have a baby any day now and may need some help.,

Ruthie seizes the opportunity. It could be her chance to be a hero, should the baby come while she's visiting! But when Ruthie is out fetching a snack for her aunt, she gets so distracted by a box full of kittens in the bodega that she doesn't hear her aunt calling for her, nor does she notice the policemen running to the apartment or the ambulance pulling to the curb. When she realizes what's happened, she's devastated -- she's missed her one chance to be a hero! Or has she? Sonia Manzano, best known as Maria on Sesame Street, once again captures the warmth, love, and adventures of her childhood Bronx neighborhood.

The Hemingway Stories Ernest

Hemingway, 2021-03-02 A new collection showcasing the best of Ernest Hemingway's short stories including his well-known classics, as featured in the magnificent three-part, six-hour PBS documentary by Ken Burns and Lynn Novick--introduced by award-winning author Tobias Wolff. Ernest Hemingway, a literary icon and considered one of the greatest American writers of all time, is the subject of a major documentary by award-winning filmmakers Ken Burns and Lynn Novick. This intimate portrait of Hemingway--who brilliantly captured the complexities of the human condition in spare and profound prose, and whose work remains deeply influential in literature and culture--interweaves a close study of biographical events with excerpts from his work. The Hemingway Stories features Hemingway's most significant short stories in chronological order, so viewers of the film as well as fans old and new can follow the trajectory of his impressive life and career.

Hemingway's beloved classics, such as "The Short and Happy Life of Francis Macomber," "Up in Michigan," "Indian Camp," and "The Snows of Kilimanjaro," are accompanied by fresh insights from renowned writers around the world—Mario Vargas Llosa, Edna O'Brien, Abraham Verghese, Tim O'Brien, and Mary Karr. Tobias Wolff's introduction adds a new perspective to Hemingway's work, and Wolff has selected additional stories that demonstrate Hemingway's talent and range. The power of the Ernest Hemingway's revolutionary style is perhaps most striking in his short stories, and here readers can encounter the tales that created the legend: stories of men and women in love and in war and on the hunt, stories of a lost generation born into a fractured time. This collection is a perfect introduction for a new generation of Hemingway readers and a vital volume for any fan.

Power Trip Michael E. Webber, 2019-05-07 A global tour of energy--the builder of human civilization and also its greatest threat. Energy is humanity's single most important resource. In fact, as energy expert Michael E. Webber argues in *Power Trip*, the story of how societies rise can be told largely as the story of how they manage energy sources through time. In 2019, as we face down growing demand for and accumulating environmental impacts from energy, we are at a crossroads and the stakes are high. But history shows us that energy's great value is that it allows societies to reinvent themselves. *Power Trip* explores how energy has transformed societies of the past and offers wisdom for today's looming energy crisis. There is

no magic bullet; energy advances always come with costs. Scientific innovation needs public support. Energy initiatives need to be tailored to individual societies. We must look for long-term solutions. Our current energy crisis is real, but it is solvable. We have the power.

This is how You Lose Her Junot Díaz,2013

Are We There Yet? Dan Santat,2016-04-12

Caldecott Medalist Dan Santat--creator of The Adventures of Beekle: The Unimaginary Friend and After the Fall--takes readers on the road trip of a lifetime! Are we there yet? Every parent has heard this classic kid question on a long car ride--and after reading this astonishingly inventive new book (that even turns upside down for several pages!), you'll never look at being bored the same way again. Let's face it: everyone knows that car rides can be boring. And when things get boring, time slows down. In this book, a boy feels time slowing down so much that it starts going backward--into the time of pirates! Of princesses! Of dinosaurs! The boy was just trying to get to his grandmother's birthday party, but instead he's traveling through Ancient Egypt and rubbing shoulders with Ben Franklin. When time flies, who knows where--or when--he'll end up.

Wasted Marya Hornbacher,2009-03-17 Why would a talented young woman enter into a torrid affair with hunger, drugs, sex, and death? Through five lengthy hospital stays, endless therapy, and the loss of family, friends, jobs, and all sense of

A vivid, honest, and emotionally wrenching memoir, *Wasted* is the story of one woman's travels to reality's darker side -- and her decision to find her way back on her own terms.

River Story Meredith Hooper, 2021-04-06 "A luscious blend of cool blues and verdant greens lights up the pages of this poetic picture book, which traces the course of a river from its source." -- Publishers Weekly Follow a river from its beginnings as a mountain stream formed from melting snow, as it rushes over rocks and through valleys to the busy city, and finally to its end, where it joins the sea.

test she took at age six, why her parents lied about their education, mysteries surrounding her maternal grandmother - and, for the first time publicly, she writes about her complex relationship with her father, who died when she was fifteen.
