Three Hens and a Peacock Lester L. Laminack,2017-04-18 A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and celebrated illustrator Henry Cole. The Tuckers' farm is a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg. Lester L. Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.

The Princess and the Peacock (Birds of Fae, #1) C. S. Johnson,2019-01-11 From award-winning, genre-hopping author C. S. Johnson comes an original fairy tale that's sure to enchant you ... The first time I fell in love with Princess Mele was when I saw her smile, and I fell in love with her the second time the moment I heard her sing. Two memories burn within Kaipo's heart -- the death of his mother, which left him alone to die, and the arrival of Princess Mele, which gave him a new reason to live. Together with his adopted brother, Kaipo seeks out Jaya, the Fae Queen who lives on the Forbidden Mountain, in order to gain the beauty he requires to win Mele's heart. But Jaya has other plans for the scarred outcast who climbs up her mountain ... The Princess and the Peacock is the first in Birds of Fae, a fantasy fairy tale novella series from C. S. Johnson featuring original, standalone fairy tales. FROM THE BOOK: “Hey, Kaipo, we are almost at the top!” Rahj lets out a cheer as he appears beside me again. He daringly loosens his grip before twisting around to see the sights behind us. “Can you believe the view from up here? No wonder Jaya chose to live here.” I carefully look down at the view below. I can see our whole side of Maluhia as I glance around us. The skies are clear, shining in a way that seems both too light and too blue; the clouds just above the Forbidden Mountain are fluffy and starkly white, as if they know they are used in service to a higher power. The seas that surround Maluhia are a mix of blue and green, the sun and sky eagerly battling for the right to blend their beauty. I can see the coral reef that bends around the beach that leads to the other side of the mountain, where the kingdom’s rich merchants, warriors, and royal family live in the capital city of Shanthi. “You’re right,” I say to Rahj, who somehow smiles even more brightly. “This is incredible.” “This is how the God of all creation must see the world,” Rahj says, his voice full of awe. “From up here, it only looks beautiful. There is no way to see the full ugliness the world carries.” I frown at him, surprised by the remark. There was nothing in his tone to suggest a sullen feeling, but the words were enough to make me wonder. “I am happy to share this with you, Kaipo.” Despite the danger, Rahj reaches out and I clasp his hand in mine. I might have hated Rahj before, but since my scars had branded me as both an outcast and an orphan, he had remained by my side. With Appa gone, and my mother dead and burned, there is no one else. So I smile at him. “Thank you, brother,” I reply, and this time, Rahj does not smile. Instead, I can see the solemn gratitude and pride in his gaze as he nods. His sudden and uncharacteristic seriousness is the last thing I see before the rock under his anchored hand crumbles, and he cries out my name as he falls. “Kaipo!” WHAT READERS ARE SAYING: From the characters to the priceless message of true beauty, this was an engaging and creative tale that pulled me in. I very eagerly look forward to reading more in this series! ~ Laura A. Grace, Unicorn Quester Beautiful and satisfying read! ~ Maurice, Book Reviewer

The Peacock Feast Lisa Gornick,2019-02-05 From “one of the most perceptive, compassionate writers of fiction in America...immensely talented and brave” (Michael Schaub, NPR), a historical saga about love, class, and the past we never escape. The Peacock Feast opens on a June day in 1916 when Louis C. Tiffany, the eccentric glass genius, dynamites the breakwater at Laurelton Hall—his fantastical Oyster Bay mansion, with columns capped by brilliant ceramic blossoms and a smokestack hidden in a blue-banded minaret—so as to foil the town from reclaiming the beach for public use. The explosion shakes both the apple crate where Prudence, the daughter of Tiffany’s prized gardener, is sleeping and the rocks where Randall, her seven-year-old brother, is playing. Nearly a century later, Prudence receives an unexpected visit at her New York apartment from Grace, a hospice nurse and the granddaughter of Randall, who Prudence never saw again after he left at age fourteen for California. The mementos Grace carries from her grandfather’s house stir Prudence’s long-repressed memories and bring her to a new understanding of the choices she made in work and love, and what she faces now in her final days. Spanning the twentieth century and three continents, The Peacock Feast ricochets from Manhattan to San Francisco, from the decadent mansions of the Tiffany family to the death row of a Texas prison, and from the London consultation room of Anna Freud to a Mendocino commune. With psychological acuity and aching eloquence, Lisa Gornick has written a sweeping family drama, an exploration of the meaning of art and the art of dying, and an illuminating portrait of how our decisions reverberate across time and space.
