Angry American Kenneth O. Boles,2016-04-18 We made a name for ourselves, a good name that the whole world would see and admire. Yes, we did, we made a good name for ourselves, but it didn't come without sacrifice, hard work, loyalty and dedication. What is wrong with America? This book is a wake-up call. This book is the writing on the wall. This book is the truth I, Kenneth O. Boles, am the author of this book, The Angry American – Watching America Die. America is dying, and that is the true gospel. In this book, I have been diligent, forceful and honest. America truly needs a rebirth. I have heard lots of people express similar feelings, though failing to use the word "rebirth." Because of our failures, We The People are the cause of our failing democracy, a form of government in which supreme power is vested in The People. The TRUTH is hard to accept for some people, in fact most. It has been said, "As a man soweth, so shall he reap." It has also been said, "For every deed, there is a consequence." What happens to the Nation if the people become powerless? Keywords; America, political, government, commentary, opinion
