Storm Necklace Meyari McFarland, 2019-08-16 Madison hummed as she turned the stone over in her hands. The blue-green crystal felt heavy for its size. And warm, especially compared to the frost on the windowpanes or the hip-deep snow piling outside her workshop. She wanted to run away from it. Lady Leighton's commission was a danger, how Madison didn't know, but it was deadly. The storm rising outside her workshop wound together with the stone and the commission into a trap that threatened not just Madison's life and magic but the safety of the entire country as well.

The Storm's Betrayal Corry L. Lee, 2021-04-27 For the rebellion to succeed, the great Stormhawk-Bourshkanya's paranoid, seemingly unkillable fascist leader—must die. For Celka, who uses magic in ways no one believed possible; Gerrit, the Stormhawk's son, returned to his side; and Filip, Gerrit's old friend, torn between duty and loyalty, the cost may be everything they hold dear.

Desert Storm Diaries Carlin Comm, 2009-04-10 From mind numbing boredom one moment to being absolutely scared to death the next Life at sea is always interesting! The men and women of the Navy's HC-5 Providers, Detachment 4, while deployed on the T-AE-26 Kilauea, set records, got awards, and had some fun too! Start with helicopters hovering with explosive cargo, mix in some truly lunatic fork lift drivers, maybe grab a couple hours of sleep, if you're lucky, have some great food and terrible coffee, grab your Walkman and your gas mask, we'll enjoy surreal sunsets, and oh yeah, don't forget we're in a War Zone! It's an Adventure, just like the Navy promised! Told from the perspective of an aircraft mechanic who was just doing his best to hold things together, you'll feel the salt spray on your face as the rotor wash threatens to blow you over the edge. This book is dedicated to all the people back home, who wrote the letters and let us know they hadn't forgotten us. Thanks for the mail!
