**The Stone Necklace** Carla Damron, 2016-01-26 A car crash takes one life and changes the destiny of four others in this “deftly written, moving novel about picking up the pieces after great loss” (Jenny Offill, author of *Dept. of Speculation*). Winner of the 2017 STAR AWARD from the Women’s Fiction Writers Association *The Stone Necklace* braids together the stories of a grieving widow, a struggling nurse, a young mother, and a troubled homeless man, reminding us of the empowering and surprising ways our lives touch one another. Lena Hastings survived breast cancer and marital infidelity but now faces an uncertain future without the support of the one person she has always counted on. Intensive care nurse Sandy Albright, newly released from drug rehab, confronts temptations from her past and false accusations that threaten her career. Tonya Ladson, a mother whose child is injured in a car wreck, must decide if a lawsuit will solve her problems. Joe Booker, a homeless man, loses his gentle benefactor and must either succumb to the

evils of his world or find the courage to care for himself. Weighted down by their respective pasts, the characters must make life-altering choices that reverberate into the fates of the others, ultimately bringing them together in unexpected but healing acts of compassion, forgiveness, and redemption. Foreword by New York Times bestselling novelist Patti Callahan Henry.

The Necklace: 13 Women, 1 Diamond Necklace and a Fabulous Idea ,2011 This is the amazing story of thirteen women who don't want to give up on their dreams, on fun or on friendship. They club together to buy this amazing necklace, each of them get it for four weeks at a time. They meet every month to find out what the necklace (now dubbed 'Jewellia') has been up to. The club has some rules: if someone goes to Paris, they get the necklace. At least once, everyone has to wear the necklace whilst making love. It's now two years later, and the necklace has been loaned out to nieces, grandmas, friends and granddaughters. It has been worn by brides and colleagues and sisters and friends. And when it's their turn for the necklace the women of Jewelia have worn it for both the daily routines and special events of their lives, to teach school, to sell work in the farmer's market, to go fishing and skydiving. It's raised money for charity. It's started a movement. The Travelling Necklace is the story of how an object of desire became a catalyst for connection, friendship and more. It's like Calendar Girls, only maybe a bit more glamorous, glitzy and sparkling. It's a book people are going to buy for their best friends and their mothers. A true story that reads like a

movie script - magazine style.

*The Story of the Stolen Necklace* Margaret Potter, 1974

The Cartiers Francesca Cartier Brickell, 2021-06-08 "A dynamic group biography studded with design history and high-society dash . . . [This] elegantly wrought narrative bears the Cartier hallmark."—The Economist The "astounding" (André Leon Talley) story of the family behind the Cartier empire and the three brothers who turned their grandfather's humble Parisian jewelry store into a global luxury icon—as told by a great-granddaughter with exclusive access to long-lost family archives "Ms. Cartier Brickell has done her grandfather proud."—The Wall Street Journal The Cartiers is the revealing tale of a jewelry dynasty—four generations, from revolutionary France to the 1970s. At its heart are the three Cartier brothers whose motto was "Never copy, only create" and who made their family firm internationally famous in the early days of the twentieth century, thanks to their unique and complementary talents: Louis, the visionary designer who created the first men's wristwatch to help an aviator friend tell the time without taking his hands off the controls of his flying machine; Pierre, the master dealmaker who bought the New York headquarters on Fifth Avenue for a double-stranded natural pearl necklace; and Jacques, the globe-trotting gemstone expert whose travels to India gave Cartier access to the world's best rubies, emeralds, and sapphires, inspiring the celebrated Tutti Frutti jewelry. Francesca Cartier Brickell, whose great-grandfather was the youngest of the brothers,

has traveled the world researching her family's history, tracking down those connected with her ancestors and discovering long-lost pieces of the puzzle along the way. Now she reveals never-before-told dramas, romances, intrigues, betrayals, and more. The Cartiers also offers a behind-the-scenes look at the firm's most iconic jewelry—the notoriously cursed Hope Diamond, the Romanov emeralds, the classic panther pieces—and the long line of stars from the worlds of fashion, film, and royalty who wore them, from Indian maharajas and Russian grand duchesses to Wallis Simpson, Coco Chanel, and Elizabeth Taylor. Published in the two-hundredth anniversary year of the birth of the dynasty's founder, Louis-François Cartier, this book is a magnificent, definitive, epic social history shown through the deeply personal lens of one legendary family.

At times lyrical, this novel is a fantastic journey filled with magic, myth, romance, and adventure. Four years after John Wilkerson claims the mermaid Tamarind for his wife, they have an idyllic marriage that depends on a talisman that she crafted on their island paradise. But Tamarind learns a painful truth: it takes more than legs to live on land and more than magic to

sustain a bond. When the talisman breaks, she and John are forced to rely on themselves instead of magic. Three wise women play key roles in the young lovers' journey to mature love. Ana, Tamarind's aging mentor, casts spells and performs seductions to keep the lovers apart. Valerie, an expat jewelry maker cum fairy godmother, works her own magic to bring them together. Lucy, their widowed neighbor, grounds the couple in the realities of marriage, parenting, and family

*The Necklace* Cheryl Jarvis, 2009 One day in Ventura, California, Jonell McLain saw a beautiful diamond necklace in a jewelry store window and wondered: Why are personal luxuries so plentiful yet accessible to so few? What if we shared what we desired? Several weeks, dozens of phone calls, and one great leap of faith later, Jonell and twelve other women bought the necklace together-to be passed along among them all. The dazzling treasure weaves in and out of each woman's life, reflecting her past, defining her present, making promises for her future. Lending sparkle in surprising and unexpected ways, the necklace comes to mean something dramatically different to each of the thirteen women. With vastly dissimilar histories and lives, they transcend their individual personalities and politics to join together in an uncommon journey-and what started as a quirky social experiment becomes something far richer and deeper.
