Persephone can be read before or after The Underworld Saga. *Formerly called The Gatekeeper's Bride Praise for Persephone I love how Eva created the love story of Hades and Persephone. It's both beautiful and tragic in many ways.--Book Lover Reviews ★★★★★ This is such a beautifully and originally retold version of the legend of Persephone and Hades while still feeling true to the mythology. This is an emotional roller-coaster of a book; my heart just breaks for Persephone but I'm not going to say why... you'll just need to read it.--Tamara ★★★★★ Such fun heart warming stories. You really, really want things to work out for the them but well, life and death wait for no one.--Kathy Goodwin ★★★★★ Well written and fast paced! Really enjoyed it! Looking forward to reading the next ones!--K.Giegkorov ★★★★★ Although this doesn't follow the exact timeline of the more traditional Greek mythologies, this is definitely a good read! I had the HARDEST time putting the book down and was even reading instead of working at times. By far one of my favorite younger targeted books that I've read in a long time. Easy read, detailed, and exciting to the very last page! Well done!!!--Princess Julie ★★★★★ Excellent! Very easy to read. Walking with Persephone Molly Remer,2021-09-20 Midlife can be a time of great change - inner and outer. How do we journey through this...and what can we learn in the process? Molly Remer is our personal guide to the unraveling and reweaving required in midlife. She invites us to take a walk with the goddess Persephone, whose story of descent into the Underworld has much to teach us. This book is a journey of soul-rebuilding, of putting the pieces of oneself back together. Walking with Persephone weaves together personal insights and reflections with experiences in practical priestessing, family life, and explorations of the natural world. It advocates opening our eyes to the wonder around us, encouraging the reader to both look within themselves for truths about living, but also to the earth, the air, the animals, and plants we share our lives with. Part memoir, part poetry, part soul guide, Molly's evocative voice is in the great American tradition of sacred nature writing.

Persephone the Phony Joan Holub,Suzanne Williams,2010-04-06 Persephone learns that it's ok to stand up for herself in the second book in the Goddess Girls series! Persephone usually goes along with whatever everyone else wants instead of doing what makes her happy. So when she meets Mount Olympus Academy bad-boy Hades, she finally feels like she has found someone with whom she can be herself. But her mom (Ceres) and her friends don't exactly approve. If Hades can make her feel so special, is he really that bad, or just misunderstood?

Demeter and Persephone Tamara Agha-Jaffar,2002-09-12 The classical Greek myth of Demeter and her daughter Persephone as told in Homer's Hymn to Demeter has been used most often to explain the cycle of the seasons. However, a closer examination will reveal insights on living and dying, loss and reconciliation, and suffering and healing. This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today's society. The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter. The following chapters discuss the symbolism of critical objects, the role of female mentoring, the role of Hades and the meaning of the underworld, the subject of rape, and the masculinist perspective presented by Zeus and Helios, and derive lessons useful for healing and knowledge. The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text. Notes and a bibliography also follow the text.

Persephone Kaitlin Bevis,2015-04-23 The Daughters of Zeus, Book One Persephone is a fun, imaginative, smart retelling of my favorite myth, fusing modern culture with a rich world of magic. Amazon Top Reviewer, Molly Ringle, Author of Persephone's Orchard. One day Persephone is an ordinary high school junior working at her mom's

flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess--a rare daughter of the now-dead Zeus. Her goddess mom whisks her off to the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas' schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. I enjoyed Hades and Persephone's sweet romantic relationship. Persephone has her flaws, but she is likable and learns along the way. The author's writing is descriptive and entertaining. I am looking forward to the next book. Rebecca Foote @ Paranormal Muse Everyone needs to check this book out, I can't rave enough about it, Bevis is definitely a new talent to keep an eye out for. I give this 5/5. Sarah Brown @ Head Stuck in a Book I found this book to be a fun and fast-paced adventure through Greek mythology with a modern twist. Stephanie Ward @ A Dream Within a Dream From the first paragraph, I was enthralled with this story. I read it all in one sitting and enjoyed every minute of it. What a great spin on a Greek myth! Move over Rick Riordan! Amazon Top Reviewer, Rita Webb, Author of Daughter of the Goddess This story will completely suck you in . . . This book is the first of a trilogy, and I can't wait to see what's in store for these amazing characters. Amazon Top Reviewer, Melissa Groeling, Author of Beauty Marks Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with a BFA and Masters in English, Kaitlin went on to write The Daughters of Zeus series. kaitlinbevis.com

Persephone in Hades and Other Poems Tinsley Pratt,1899

Persephone, Queen of the Dead Isadora Marie,2011-10 This is not the myth that has been passed down through the ages where the Greek God Hades abducts and rapes his niece Kore, the daughter of his sister, the Goddess Demeter; dragging her down to the Underworld to be his consort, thus changing her from the maiden Kore to Persephone, the Goddess of the Underworld. Persephone: Queen of the Dead tells the story of a young Goddess who falls in love and marries a God that she knows her mother does not approve of. It is the story of her life and what she had to sacrifice to be with the only man she loved. This story is told not only through the Goddess' own words, but also her mother, the Goddess Demeter's, for the lives of the two are entwined for eternity. The story begins with Kore as a young maiden, who happens to behold the God Hades as he emerges from the Underworld and falls instantly in love. Part 1 switches between Kore as she tells of her first love and her mother, Demeter as she expresses the betrayal of not only her daughter, but of the other gods as well. It is this betrayal that causes Demeter to withhold her Fertility from the world until most mortal life dies. A compromise is made and Kore, whose new name is Persephone, is forced to leave her husband for one-half of the year to be with her mother. During this time, Demeter allows the vegetation to once again sprout, but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts. Thus the seasons have been created. Continuing on the story explains the role Persephone assumes as Queen of the Dead, and tells several tales of mortals who risked everything by entering into the Underworld. Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life; the Lapth prince Pirithous, with the help of his companion Theseus, tries to kidnap Persephone and make her his bride, for their foolishness they are turned into statues; four years later when the hero Hercules enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus Other tales within the story include that of Psyche and Eros, followed by Adonis who was raised by Persephone, and finally the story of how the new God Dionysus was created. The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to, they began to fade. Only the strongest of the gods survived during this period. With the beginning of the new century hope was returned as the Old Religions were beginning to be revived. Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions. Isadora grew up studying the Greek myths and as a child was fascinated with all the different Gods, Goddesses and heroes that populated them. When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals, but in her life. She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology. Though Isadora has worked with Gods and Goddess of several different cultures, it was those of Ancient Greece, from her childhood that she felt the closet connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites, that of the Goddess Persephone. Since her background is in art and design, Isadora has been working on several projects to incorporate this element into her spirituality. A current project is developing a photographic Tarot deck, which included several of the Goddesses of Greece along with those of India and Egypt. All of her artistic projects are not only a work of love, but she hopes that they will inspire others to find the beauty in the old myths.

Persephone's Choice: A whimsical romance story Yihan Sim,2021-06-15 What if the gods were condemned to immortality due to the continued storytelling by mortals? What if Hades met Persephone in contemporary Singapore? Would their story still arrive at its age-old conclusion? As far as she knows, Sophie is an ordinary florist

One day, a peculiar man with the same name as the ancient Greek god of the Underworld crashes into her life and falls heavier and heavier in her debt. Sophie tries to help him recover from amnesia and get back on his feet, while in the meantime, arranging for him to work for room and board at her flower shop. As time goes by, she grows accustomed to his company. She becomes unsure if she actually wants him to quickly pay off his debt and step out of her life just as abruptly as he had arrived... The Persephone Theory Namir Rashid Thompson,2019-05-23 The Persephone Theory By: Namir Thompson The Persephone Theory is one of the most interesting stories to read and by far one of the best books to mix comedy with horror and history.
