

Persson

Leif GW Persson

Between Summer's Longing and Winter's End Leif

GW Persson, 2012-02-21 A riveting new thriller by a writer universally acknowledged as Sweden's leading criminologist. A young man falls to his death from a window in Stockholm. The police want to write it off as an accident, or possibly a suicide, but superintendent Lars Johansson feels otherwise. Soon it is revealed that the young man was an American journalist, working on a project about his uncle, a CIA agent, who may have had ties to the highest reaches of Sweden's political community. Johansson's search for the truth will take him to New York and the FBI Academy in Virginia, and finally down into a dark web of international espionage, backroom politics, and greed, exposing the sheer incompetence that led to a devastating tragedy.

Another Time, Another Life Leif GW

Persson, 2012-03-13 In 1975, six young people stormed the West German embassy in Stockholm, taking the entire staff hostage. They demanded the immediate release of members of the Baader-Meinhof group being held as prisoners in West Germany, but twelve hours into the siege, the embassy was blown up, two hostages were dead, and many others were injured, including the captors. Thus begins Leif GW Persson's *Another Time, Another Life*. The story, based on real events linked to the still-unsolved assassination of Swedish prime minister Olof Palme, picks up in 1989, as the seemingly unrelated stabbing death of a civil servant is investigated by officers Bo Jarnebring and Anna Holt. Under the supervision of

their cantankerous, prejudiced, and corrupt superior, Evert Bäckström, the case gets surreptitiously swept under the rug, and the victim is tied to a string of sex-related crimes, despite evidence to the contrary. Another ten years pass before the confounding truth about the murder victim is unearthed. Just as Lars Martin Johansson, a friend of Jarnebring's, begins his tenure as the head of the Swedish Security Police, he inherits two files from his predecessor, one of which is on the murder victim—who turns out to have been a collaborator in the 1975 embassy takeover. Revealed now are not only the identities of the other collaborators but also the identity of the murderer: an intelligent, capable lawyer a heartbeat away from the top position in Sweden's Ministry of Defense. With masterfully interlaced plotlines pulled from the darkest corners of political power and corruption, *Another Time, Another Life* bristles with wit, insight, and intensity.

The Dying Detective Leif G. W. Persson, 2017 A galvanizing new thriller from the internationally acclaimed and best-selling author--a stand-alone novel that finds legendary Swedish homicide detective Lars Martin Johansson racing against time to solve one final murder. In the National Criminal Investigation Department he was known as the man who sees around corners. Now Johansson is retired, living in the country, his police days behind him. Or so he thinks. When he finds himself in the hospital having suffered a stroke, tests revealing heart problems as well, the only thing that saves him from despair is his doctor's

interest in an unsolved murder case from years before. The victim was a nine-year-old girl, raped and strangled to death, and now Johansson determines to solve the crime despite his condition. He launches an informal investigation from his hospital bed--with the help of Matilda, a wannabe Lisbeth Salander, and Max, an orphan personally invested in child-abuse cases--and begins to draw a web of connections between sex tourism, a deceased opera singer, and a self-made millionaire. And as he draws closer to solving the crime, he finds that he is confronting not just a case, but his own mortality.

Free Falling, As If in a Dream Leif GW Persson, 2014-02-25 From the grand master of Scandinavian crime fiction--and one of the best crime writers of our time--here is the final volume in the critically acclaimed Story of a Crime trilogy, centered on the assassination of Olof Palme in 1986. It's August 2007, and Lars Martin Johansson, chief of the National Bureau of Criminal Investigation in Sweden, is determined once again to reopen the dusty files on the unsolved murder of Prime Minister Palme. With his retirement quickly approaching, Johansson forms a new group, comprised of a few trustworthy detectives who doggedly wade through mountains of paperwork and pursue new leads in a case that has all but gone cold despite the open wound the assassination has left on the consciousness of Swedish society. But the closer the group gets to the truth, the more Johansson compromises the greater good for personal gain, becoming a pawn in the private vendetta of a shady political spin

doctor. A detailed and boldly plotted police procedural, *Free Falling, As If in a Dream* lifts the veil on one of history's greatest unsolved crimes, bringing dark humor, suspense, and wit to bear on a case long thought to have no answers.

Backstrom: He Who Kills the Dragon Leif GW Persson, 2015-01-20 From a master of Scandinavian crime fiction--the first in a brilliant series of novels centered around the investigations of one irascible, obdurate, and very thirsty Swedish police officer: Detective Superintendent Evert Bäckström of the National Murder Squad. Detective Bäckström is Persson's persistently repulsive yet undeniably brilliant comic creation--an unforgettable cop winding his way through the black comedy of a crime scene, and managing to upset nearly everyone in the process. When a newspaper delivery boy finds a 68 year-old alcoholic lying dead in his apartment--beaten with a saucepan lid and hammer, and then strangled--everyone expects an open-and-shut murder case, everyone that is but Hawaiian-shirt clad Detective Bäckström who's been assigned to lead the investigation team. Under strict orders from his doctor to improve his health as quickly as possible, Bäckström has begun stumbling to work on foot, and even eating vegetables. The police force isn't what it used to be though, and now that it's crowded with women and foreigners resisting a drink is harder than ever before. But when the newspaper boy goes missing Bäckström's suspicions are proven correct, giving his irrepressible mix of luck and laziness a chance to save the day, while managing to upset nearly everyone in the

process.

The Sword of Justice Leif G. W.

Persson, 2018-06-05 In the magnificent third installment of the internationally bestselling Bäckström series, the irascible detective becomes entangled in an investigation with—incredibly—strange ties to Tsar Nicholas II, Winston Churchill, and Vladimir Putin. A Vintage Crime/Black Lizard Original. Murder isn't often good news. But when DS Evert Bäckström is told that Thomas Eriksson—a mafia lawyer and renowned defender of the guilty—has been killed, he can't help but celebrate, perhaps with a little vodka. Bäckström's good mood is spoiled, however, when he's assigned to the frustrating case, as narrowing down the list of people who wanted Eriksson dead is almost impossible. It's miles long! Fortunately, Bäckström has spent years cultivating a group of questionable acquaintances and shady associates who will prove invaluable in solving the crime—as long as his colleagues don't find out about these illicit connections, or that Bäckström owes them a few favors. But even the dirtiest cop couldn't have predicted that this trail would lead to a priceless Fabergé music box created for Tsar Nicholas II, with a history as notorious as it is singular.

He Who Kills the Dragon Leif G. W.

Persson, 2014-10-09 A seemingly ordinary murder puzzles Backstrom, who is struggling with strict orders from his doctor to lead a healthier life. His gut feeling proves him right: within days, his team has another murder linked to the first on their hands, and reports of alleged ties to a

Securicor heist gone out of control, killing two.

Deliver Me Malin Persson Giolito, 2024-03-05
Scandinavian noir meets legal thriller in this brilliant, gut-wrenching story of childhood friends torn apart by gang violence and class differences in Stockholm—from the internationally bestselling author of Quicksand. Unlikely best friends since the age of 6, Billy and Dogge live in suburbs separated only by a highway, yet a world apart. From the outside, Dogge looks privileged: his family has a large home and plenty of money—at first. But his parents are addicts whose negligence becomes a form of abuse. Meanwhile, Billy's family are poor first-generation immigrants unable to escape the no-go zone where they live, but their cramped apartment is nonetheless a bastion of love. A ruthless small-time crime boss seeks recruits, and both Dogge and Billy become runners by the time they're 12. Fast cash, easy access to drugs, and dreams of gaining status draw them in. But when Billy wants to leave the gang and finds himself trapped, the boys must face the violent rules of the adult game they tried to play. When children commit horrible crimes, who bears the responsibility? With piercing prose and a breathless sense of urgency, *Deliver Me* is at once a poignant portrayal of the power of friendship and a shattering depiction of what happens when society fails to protect those that need it most. What does justice mean for these lost children, and is the law capable of delivering it?

Escape from the Third Reich Sune Persson, 2009-10-30 The true story of a risky

Swedish mission to liberate thousands of prisoners from the Nazis. The Swedish Red Cross expedition to the German concentration camps in March–April 1945 was the largest rescue effort inside Germany during WWII. Sponsored by the Swedish government and led by Count Bernadotte of Wisborg, the mission became known for its distinctive buses. Each bus was purposely painted entirely white, except for the Red Cross emblem on the side, so that they would not be mistaken for military targets. Due to the chaotic conditions during the last weeks of the war, it is impossible to say exactly how many prisoners were liberated by the expedition, but according to conservative figures, by May 4, 1945, at least 17,000 had been transported to Sweden by the so-called White Buses. Of these, some 8,000 were Danes and Norwegians, around 6,000 were Poles, and more than 2,000 were French citizens. This is the first book to tell the full story of this remarkable and hazardous operation. It also details Bernadotte's harrowing expedition to Ravensbrück concentration camp and his extraordinary negotiations with Heinrich Himmler, the Reichsführer-SS who was in charge of the German concentration camps, and tells how, during the course of these discussions, Himmler also made an offer of German surrender—an offer that was rejected by the Allies. Includes never before published photographs

Minecraft Daniel Goldberg, Linus Larsson, 2013-11-05 Three years ago, 32-year-old Markus Notch Persson of Stockholm was an unknown and bored computer programmer. Today, he is a multi-millionaire international icon. Minecraft,

the virtual Lego game Markus crafted in his free time, has become one of the most talked about activities since Tetris. Talked about by tens of millions of people, in fact. It is the story of unlikely success, fast money, and the power of digital technology to rattle an empire. And it is about creation, exclusion, and the feeling of not fitting in. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school. About the first computer his father brought home one day. But also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary. *Minecraft: The Unlikely Tale of Markus Notch Persson and the Game that Changed Everything* is a Cinderella story for the Internet age.

A Few Stories from the Life of Anders Persson Lofgreen Anders Persson Lofgreen,

Quicksand Malin Persson Giolito, 2017-03-07 NOW A NETFLIX ORIGINAL SERIES An incisive courtroom thriller and a drama that raises questions about the nature of love, the disastrous side effects of guilt, and the function of justice. A mass shooting has taken place at a prep school in Stockholm's wealthiest suburb. Eighteen-year-old Maja Norberg is charged for her involvement in the massacre that left her boyfriend and her best friend dead. She has spent nine months in jail awaiting trial. Now the time has come for her to enter the courtroom. How did Maja—popular, privileged, and a top student—become a cold-blooded killer in the eyes of the public? What did

Maja do? Or is it what she failed to do that brought her here? Malin Persson Giolito has written a perceptive portrayal of a teenage girl and a blistering indictment of a society that is coming apart. A work of great literary sensibility, Quicksand touches on wealth, class, immigration, and the games children play among themselves when parents are no longer attuned to their struggles.

Falling Freely, As If in a Dream Leif G. W. Persson, 2015-02-18 It's August 2007, and Lars Martin Johansson, chief of the National Bureau of Criminal Investigation in Sweden has opened the files on the unsolved murder of Prime Minister Olof Palme. With his retirement quickly closing in, Johansson forms a new group comprised of a few trustworthy detectives.

Markus Notch Persson, Minecraft Mogul Matt Doeden, 2018-08 Presents a biography of Markus Persson and his journey from quiet game developer to world-famous billionaire, and discusses how he developed Minecraft and eventually sold the game for \$2.5 billion.

Everland Lars Göran Persson, 2021 Rafflande historisk äventyrsroman »En spionroman med många bottnar.« Lotta Olsson rekommenderar Everland i DN »Lars Göran Persson är ett guldkorn! En fantastisk äventyrsroman.« Frue_s »Spännande & intressant! Betyg: 4 av 5.« Lenas böcker och annat Det är krigsvåren 1944. Nazityskland är i färd med att tillverka en atombomb när deras tungvattenfabrik i Norge förstörs av de allierade. Men tyskarna har redan flyttat verksamheten. De har även gjort en sensationell upptäckt. Möjligheten att konstruera

bomben och vinna kriget verkar nu avsevärt enklare. En brittisk spion i Berlin har avslöjat hemligheten och både England och Tyskland har skickat ut agenter för att säkra den. Nioårige Tor och hans mamma Sigrid är också på väg. Till Gäddsjö i nordvästra Jämtland för att börja på ny kula. Tor och hans nyfunne vän Valdemar träffar där på en störtad och sårad engelsk officer. De, och inte minst Sigrid, tar hand om honom. Kriget kryper allt närmare, och någonstans vid den norsk-svenska gränsen drar det ihop sig till en avgörande kraftmätning, ett ögonblick då allt ställs på sin spets. LARS GÖRAN PERSSON är skådespelare och författare. Han är född i Forsbacka, bosatt och verksam i Stockholm. Everland är en rafflande historisk äventyrsroman om vänskap och kärlek, falska identiteter och ofattbara avslöjanden. »En fin berättelse & en klassisk spänningsroman.« #1bok2katter3kopparte

Minecraft Creator Markus "Notch" Persson Kari Cornell, 2018-08-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! Do you play computer games? If you do, you've probably played Minecraft. When Minecraft creator Markus Persson was young, he wasn't very interested in the games themselves. He was more interested in the programing instructions in the computer's manual. By the time Persson was eight years old, he was writing code for his own computer games. When he was eighteen, Persson landed his dream job as a video game programmer. In 2009, he designed Minecraft in a single weekend. In the game, players use blocks to build whatever they choose.

Persson wanted to let players use their imaginations, and the idea paid off. Today, Minecraft is one of the most popular computer games in the world. Although Persson doubts he will ever top this success, he continues to develop games, while fans wait for what's next.

Linda, As in the Linda Murder Leif G W

Persson, 2013-02-28 Winner of the Petrona Award for Best Scandinavian Crime Novel 2014 In the middle of an unusually hot Swedish summer, a young woman studying at the Vaxjo Police Academy is brutally murdered. Police Inspector Evert Bäckström is unwillingly drafted in from Stockholm to head up the investigation. Egotistical, vain and utterly prejudiced against everything, Bäckström is a man who has no sense of duty or responsibility, thinks everyone with the exception of himself is an imbecile and is only really capable of warm feelings towards his pet goldfish and the nearest bottle of liquor. If they are to solve the case, his long suffering team must work around him, following the scant few leads which remain after Bäckström's intransigence has let the trail go cold. Blackly comic, thrillingly compelling and utterly real, *Linda, As in the Linda Murder* is the novel which introduces the reader to the modern masterpiece that is Evert Bäckström, a man described by his creator as 'short, fat and primitive'. He is, without doubt, the real deal when it comes to modern policing.

Smallpox, Syphilis and Salvation Sheryl

Persson, 2010-04 Since ancient times the search for cures for the great scourges that have afflicted humankind has been an ongoing quest, but it is

only within the last 200 years that major breakthroughs have occurred and the development of modern medicine has accelerated. The stories behind these miraculous cures are those of intense rivalries and jealousies, bitter public humiliation, unswerving dedication, subterfuge, and great personal struggles. Often these medical advances have truly changed the world. When Edward Jenner developed the concept of vaccination, and with it the cure for smallpox, he found a way to defeat a disease that had affected half a billion people – more than all those affected by wars and other epidemics combined. And while the Black Death still lingers in pockets around the world, it no longer threatens to destroy entire civilisations as it once did. SMALLPOX, SYPHILIS AND SALVATION uncovers the compelling stories of the men and women, innovations and accidents that have led to diseases from polio to syphilis, diphtheria to diabetes, tetanus to leukaemia no longer being the death sentences they once were. It also sounds a note of warning – for some of these diseases are fighting back. It is estimated that tuberculosis now claims one life every fifteen seconds, while new 'superbugs' are resistant to penicillin and other antibiotics. Diseases may once again threaten to crush the world's population, either in the form of biological warfare or simply because they want to survive as much as we do ...

The Retreat of Reason Ingmar Persson, 2005-11-03
One of the main original aims of philosophy was to give us guidance about how to live our lives. The ancient Greeks typically assumed that a life led

in accordance with reason, a rational life, would also be the happiest or most fulfilling. Ingmar Persson's book resumes this project, which has been largely neglected in contemporary philosophy. But his conclusions are very different; by exploring the irrationality of our attitudes to time, our identity, and our responsibility, Persson shows that the aim of living rationally conflicts not only with the aim of leading the most fulfilling life, but also with the moral aim of promoting the maximization and just distribution of fulfilment for all. Persson also argues that neither the aim of living rationally nor any of the fulfilment aims can be rejected as less rational than any other. We thus face a dilemma of either having to enter a retreat of reason, insulated from everyday attitudes, or making reason retreat from its aspiration to be the sole controller of our attitudes. The Retreat of Reason explores three areas in which there is a conflict between the rational life and a life dedicated to maximization of fulfilment. Persson contends that living rationally requires us to give up, first, our temporal biases; secondly, our bias towards ourselves; and, thirdly, our responsibility to the extent that it involves the notion of desert and desert-entailing notions. But giving up these attitudes is so overwhelmingly hard that the effort to do so not only makes our own lives less fulfilling, but also obstructs our efficient pursuit of the moral aim of promoting a maximum of justly distributed fulfilment. Ingmar Persson brings back to philosophy the ambition of offering a broad vision of the human condition. The Retreat

of Reason challenges and disturbs some of our most fundamental ideas about ourselves.

Persson Introduction

In today's digital age, the availability of Persson books and manuals for download has revolutionized the way

we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Persson books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Persson books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Persson versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the

environmental impact associated with book production and transportation. Furthermore, Persson books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that

the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Persson books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform

for Persson books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include

MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Persson books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or

personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Persson books and manuals for download and embark on your journey of knowledge?

FAQs About Persson Books

1. Where can I buy Persson books?
Bookstores:
Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
Online Retailers:
Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book

- formats available?
 Hardcover: Sturdy and durable, usually more expensive.
 Paperback: Cheaper, lighter, and more portable than hardcovers.
 E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Persson book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
 Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
 Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of Persson books?
 Storage: Keep them away from direct sunlight and in a dry environment.
 Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
 Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.
 Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

- Book Catalogue are popular apps for tracking your reading progress and managing book collections.
- Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Persson audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.
 - Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Persson books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally,

like Project
Gutenberg or Open
Library.
