*The Christmas Storm* L. M. Steen, 2010-05-01 This book is only possible because of Lil's survival from her tumor. The success wrought by all three of them: Lillian, Russell, and Benjamin Pennington. If not, her story with Russell would have ended - the essence of the happiness he had found on his mountains, his gift from the Lord, turned to a greater sorrow than he had ever known. However, joy continues to lift him simply looking at her every day. Something Lil thinks she will never understand. On the other hand, a new development occurs which finally gives her some insight into his vision of her. Perhaps another gift from the Lord. However, let us start at the beginning... Or rather in the middle of their story as Russell wove it while lying beside her on the bed through the many hours of her illness. His

efforts to put not only those thoughts into a book, but also what he saw in her. A surprise so to speak. While she worked on his Christmas present, hoping that he wouldn't notice, she'd also have to figure out how to lie. She had been successful last Christmas in avoiding an out and out lie because he would have known. Instead, she had gone for diversion. Hopefully, this year she would be able to pull it off again and surprise him. In the mix again is Dr. Benjamin Allen Pennington, a personage whom Russell did not want in his house for Christmas! But, this time, the plot is afoot as they say... And so was the storm...

**La Tormenta** Vera Colon, 2018-05-13 As the unprecedented category 5 storm, Hurricane Isaac, barrels across towards the Sunshine State, storm clouds of another kind roil beneath the roof of the Tenorio home. Philandering husband, Vicente Tenorio, surprises his wife by arriving home with his mistress and their children in tow to ride out the dangerous storm. Mariangela Tenorio knew about the affair, of course, but looked the other way like a good wife. Her mother insists it's her penance for getting knocked up and married instead of finishing high school but residing under the same roof as the other woman? If puerca de Juan Bobo is still alive at the end of their 72 hours together, Mari will write the Vatican personally to demand sainthood! Alexis Tenorio knows about the affair as well. Hell, the blind, deaf and dead would know about it with all the yelling and tears in that house and the youngest daughter can't move out fast enough! But the teen is full of her own secrets with no one to confide in. Retiring freelance photographer and eldest brother, Efraim Tenorio, also has a secret or two he hasn't divulged to the family but the powder keg atmosphere of the household may finally make him crack. The entire situation is news to Dr. Sandra Tenorio, accomplished but still single NY doctor who discovers while visiting for

Abuela's 85th birthday that she's been drummed out of the family as penalty for focusing on her career and wonders what happened to the loving, close-knit family she grew up with. When Isaac finally dies down, will the devastation be worst inside the house or outside?
