The Werley Boys John Pesta,2019-06-09 The Werley Boys is short story about a small town, about revenge - and one controversial outhouse. Some people are unhappy with the Werley brothers, two old-timers who refuse to join modernity and hook up their home to the town's sewer system. But the brothers aren't so thrilled themselves. They're angry at the people they call the communists - folks on the town board who would like them to give up the backyard convenience that has served them admirably since, well, forever. One evening, under cover of darkness, two town stalwarts take action. And the Werley boys will never look at their trusty outhouse the same way again.

The Girls Abigail Pesta,2019-08-06 The inside story of how serial predator Larry Nassar got away with abusing hundreds of gymnasts for decades -- and how a team of brave women banded together to bring him down. We think of Larry Nassar as the despicable sexual predator of Olympic gymnasts-but there is an astonishing, untold story. For decades, in a small-town gym in Michigan, he honed his manipulations on generations of aspiring gymnasts. Kids from the neighborhood. Girls with hopes of a college scholarship. Athletes and parents with a dream. In *The Girls*, these brave women for the first time describe Nassar's increasingly bold predations through the years, recount their warning calls unheeded, and demonstrate their resiliency in the face of a nightmare. *The Girls* is a profound exploration of trust, ambition, betrayal, and self-discovery. Award-winning journalist Abigail Pesta unveils this deeply reported narrative at a time when the nation is wrestling with the implications of the MeToo movement. How do the women who grew up with Nassar reconcile the monster in the news with the man they once trusted? In *The Girls*, we learn that their answers to that wrenching question are as rich, insightful, and varied as the human experience itself.

King Of The Yellow Jackets John Pesta,2020-05-31 A little boy who thinks he can speak with bees. A man haunted for life by a childhood secret. A woman's obsession with her husband's obsession with pin-up models. In this anthology collecting a lifetime of short-story writing, John Pesta tells deeply human stories through characters whose experiences are equal parts haunting, funny and poignant, whether the setting is a 1950s childhood or an imagined, and slightly twisted, near future. Many of these stories originally appeared in acclaimed literary magazines including *Sou'wester*, *Prairie Schooner* and *The Bridge*. A few make their debut here in this anthology. All draw upon a life spent observing intriguing people and their enigmatic lives - fiction inspired by Pesta's Italian-Hungarian upbringing in Pennsylvania, his years spent in academia as a professor of English literature, and decades devoted to editing a historic newspaper in the heart of small-town America.

How Dare the Sun Rise Sandra Uwiringiyimana,Abigail Pesta,2017-05-16 Junior Library Guild Selection * New York Public Library's Best Books for Teens * Goodreads Choice Awards Nonfiction Finalist * Chicago Public Library's Best of the Best Books for Teens: Nonfiction * 2018 Texas Topaz Nonfiction List * YALSA's 2018 Quick Picks List * Bank Street's 2018 Best Books of the Year "This gut-wrenching, poetic memoir reminds us that no life story can be reduced to the word 'refugee.' —New York Times Book Review "A critical piece of literature, contributing to the larger refugee narrative in a way that is complex and nuanced." —School Library Journal (starred review) This profoundly moving memoir is the remarkable and inspiring true story of Sandra Uwiringiyimana, a girl from the Democratic Republic of the Congo who tells the tale of how she survived a massacre, immigrated to America, and overcame her trauma through art and activism. Sandra was just ten years old when she found herself with a gun pointed at her head. She had watched as rebels gunned down her mother and six-year-old sister in a refugee camp. Remarkably, the rebel didn't pull the trigger, and Sandra escaped. Thus began a new life for her and her surviving family members. With no home and no money, they struggled to stay alive. Eventually, through a United Nations refugee program, they moved to America, only to face yet another ethnic disconnect. Sandra may have crossed an ocean, but there was now a much wider divide she had to overcome. And it started with middle school in New York. In this memoir, Sandra tells the story of her survival, of finding her place in a new country, of her hope for the future, and how she found a way to give voice to her people.

Text, Lies and Cataloging Jana Brubaker,2018-07-10 What do James Frey's *A Million Little Pieces*, Margaret B. Jones' *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common? None of these popular books are what they appear to be. Frey's fraudulent drug addiction "memoir" was really a semi-fictional novel, Jones' chronicle of her life in a street gang was a complete fabrication, and Koolmatrie was not an Aboriginal woman removed from her family as a child, as in her seemingly autobiographical account, but rather a white taxi driver named Leon Carmen. Deceptive literary works mislead readers and present librarians with a dilemma. Whether making recommendations to patrons or creating catalog records, objectivity and accuracy are crucial—and can be difficult when a book's authorship or veracity is in doubt. This informative (and entertaining!) study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate. An extensive annotated bibliography describes books that are not what they seem.

Prey Tell Tiffany Bluhm,2021-03-16 Tiffany Bluhm wishes this wasn't her story to tell. Yet like many women today who are taking action against sexual harassment and sexual assault, it is. Bluhm explores the complex dynamics of power and abuse in systems we all find ourselves in. With honesty and strength, she tells stories of how women have overcome silence to expose the truth about their ministry and professional leaders--and the backlash they so often face. In so doing, she empowers others to speak up against abuses of power. Addressing men and women in all work settings--within the church and beyond--popular author and podcast host Tiffany Bluhm sets out to understand the cultural and spiritual narratives that silence women and to illuminate the devastating emotional, financial, and social impact of silence in the face of injustice. As readers journey with Bluhm, they will be moved to find their own way, their own voice, and their own conviction for standing with women. They'll emerge more ready than ever to advocate for justice, healing, and resurrection.

The Poet's Wisdom Timothy Kircher,2006 The book explores the philosophical thinking of Petrarch and Boccaccio in contrast to the writings of contemporary mendicants. Examining both Latin and vernacular works, it investigates how these humanists poetically express the temporal, subjective, and emotional quality of moral sensibility, in a way that shifts to the reader the weight of discerning the ethical message. The book centers its analysis on a series of paradoxes pondered by these humanists: the self that changes yet persists over time; the awareness of self-deception; the individual's validation of authority; and the ethics of pleasure. This study is valuable to those interested in Renaissance philosophy, literature, religion, and the history of ideas.

The New Slave Narrative Laura T. Murphy,2019-09-17 A century and a half after the abolition of slavery in the United States, survivors of contemporary forms of enslavement from around the world have revived a powerful tool of the abolitionist movement: first-person narratives of slavery and freedom. Just as Frederick Douglass, Harriet Jacobs, and others used autobiographical testimonies in the fight to eradicate slavery, today's new slave narrators play a crucial role in shaping an antislavery agenda. Their writings unveil the systemic underpinnings of global slavery while critiquing the precarity of their hard-fought freedom. At the same time, the demands of antislavery organizations, religious groups, and book publishers circumscribe the voices of the enslaved, coopting their narratives in support of alternative agendas. In this pathbreaking interdisciplinary study, Laura T. Murphy argues that the slave narrative has reemerged as a twenty-first-century genre that has gained new currency in the context of the memoir boom, post-9/11 anti-Islamic sentiment, and conservative family-values politics. She analyzes a diverse range of dozens of book-length accounts of modern slavery from Africa, Asia, the United States, the United Kingdom, and Europe, examining the narrative strategies that survivors of slavery employ to make their experiences legible and to promote a reinvigorated antislavery agenda. By putting these stories into conversation with one another, *The New Slave Narrative* reveals an emergent survivor-centered counterdiscourse of collaboration and systemic change that offers an urgent critique of the systems that maintain contemporary slavery, as well as of the human rights industry and the antislavery movement.
