*A Fragile Stone* Michael Card,2009-08-20 Winner of a Chicago Book Clinic Design Award *A Fragile Stone* explores the dynamic life of the apostle Peter, revisiting well-known passages and revealing unexpected insights. Author Michael Card sketches out Peter's life, showing how the impetuous fisherman of the Gospels was transformed into the pivotal leader of the early church. The ultimate reason for getting to know Peter, Card explains, is so together we might better know Jesus. For the story of Peter is the story of Jesus. Perhaps, if you and I do our best, the same will be said of us someday. Peter's life serves as a model for Christian discipleship, offering hope that we likewise can be changed as Jesus calls us to follow him.

*A Man Called Peter* Catherine Marshall,1951 Matthew 9:13 (p.294-305) ; John 12:47 (p.321-329) .

**Simon Peter** Adam Hamilton,2018-12-18 He left everything to follow his teacher and possessed a passion that would change the world. That's one way to describe Peter. Here's another: poor, uneducated, quick-tempered, and full of doubts and fears. Doesn't even sound like the same man. And that's the point of *Simon Peter*, a new book and six-week adult Bible study by Adam Hamilton. Peter was just an ordinary guy who heard and followed God's extraordinary call. Discover how you, too, have special gifts, talents, and abilities that God can use to make a difference today. In addition to the Leader Guide and DVD components for adult studies, corresponding youth and children's resources, sold separately, can be used to create a churchwide study. Chapters Include: The Call of the Fisherman Walking with Jesus in the Storm Bedrock or Stumbling Block? "I Will Not Deny You" From Cowardice to Courage The Rest of the Story

*Peter the Apostle* William Thomas Walsh,2005

*Say Something!* Peter H. Reynolds,2019-02-26 From the creator of the New York Times bestseller *The Word Collector*

If you see an injustice... say something! In this empowering new picture book, beloved author Peter H. Reynolds explores the many ways that a single voice can make a difference. Each of us, each and every day, have the chance to say something: with our actions, our words, and our voices. Perfect for kid activists everywhere, this timely story reminds readers of the undeniable importance and power of their voice. There are so many ways to tell the world who you are... what you are thinking... and what you believe. And how you'll make it better. The time is now: SAY SOMETHING!

**Peter** T. R. Robinson, 2015 It can and does happen: A chance encounter that leads to romance, love and fulfilment. Equally, such an encounter may lead to fear, sorrow and loss. Both are met in this tale that crosses national and social boundaries and within which unwarranted evil plays a far too real part. In all innocence the protagonists go about their daily lives occasionally taking in divergent activities out of curiosity or in the interest of learning more about life. Being caring and kind hearted both fail to understand why they are constantly warned about helping others. Ultimately, after numerous twists and turns, the truth behind these warnings becomes manifest with results never anticipated or expected.

**1 Peter For You** Juan Sanchez, 2016-03-15 A hope-filled expository guide to an epistle written to Christians in a society like ours. A must-read for Christians under cultural pressure. The book of 1 Peter could have been written for our times—a time of antagonism toward biblical ethics, and the marginalization of biblical Christians. Into that culture—our culture—Peter speaks of hope and offers joy as he points believers home to heaven. Juan Sanchez brings his experience of ministry in the US and Latin America, and his pastoral wisdom and insight, to this wonderful epistle—an epistle that every Christian needs to treasure today.

The First Epistle of Clemens Romanus to the Church at Corinth Pope Clement I, 1768

The Apocryphal Acts of Peter Jan N. Bremmer, 1998 This is the first modern collection of studies on the most important aspects of the Acts of Peter, the source of the famous novel *Quo Vadis?* by Henry Sienkiewicz. The collection of essays discusses many aspects of the Acts of Peter: its relationship with the Acts of John and the Acts of Paul, but also important themes such as the fascinating figure of Simon the Magician, Agrippa and his concubines. It looks at the nature of the theos aner, the role of women, the place of magic, the performance of miracles, the famous death of Peter upside-down, the *regulae fidei* and other early credal formulations. Finally it discusses the transmission and Latinity of the Acts, and the date and place of its publication.

**What Can You See, Peter?** Beatrix Potter, 2020-06-23 A lift-the-flap board book introducing early concepts, featuring Beatrix Potter's classic character, Peter Rabbit. Join Peter Rabbit as he finds his friends hiding in the garden, searches for the source of different noises at the pond, and spots his sisters in the burrow. With lift-the-flaps, beautiful modern artwork from Ellie Taylor, and simple text, this book will keep little paws entertained for hours. Based on the classic tales by Beatrix Potter, this Peter Rabbit book is the perfect way to introduce colors, numbers, and opposites to very young readers.

*The Chair of Saint Peter* William J. La Due,1999 The Chair of Saint Peter surveys the history of the papal office from the first century to the current papacy of Pope John Paul II. At the approach of the third millennium, the office of the papacy remains a vital sign of unity in the Catholic church and a link with the earliest church. But the papal office in its current form is the product of a long and conflicted history of evolution. The Chair of Saint Peter is an essential resource for future discussions about the shape of the church to come.

The Life and Witness of Peter Larry R. Helyer,2012-10-03 Who was Peter and what was his true stature in the early church? For Protestants at least, Peter seems caught between two caricatures: the rustic fisherman of Galilee and the author of two lesser New Testament letters. And in both cases he is overshadowed by Paul. In *The Life and Witness of Peter*, Larry Helyer seeks to reinstate this neglected and underestimated apostle to his rightful stature as an early Christian leader and faithful witness to Christ. Reconstructing Peter's life, theology and legacy from evidence in 1 and 2 Peter, the Gospels, Acts, Paul's letters, and texts from the early church, Helyer renders a great service for students of the New Testament. We are introduced to Peter the eyewitness who stands behind much of Mark's Gospel, Peter the preacher who lends deep credibility to the account of Acts, and Peter the letter-writer whose words glow with spiritual intelligence. Along the way we are rewarded with a careful analysis of prominent theological themes in Peter's letters. And we learn much about the traditions, legends and legacy of Peter in the post-apostolic era

*All About Peter* Beatrix Potter,2018-01-09 Say hello to Peter Rabbit with this shaped board book, perfect for little hands! Spend a day with Peter Rabbit in this shaped board book as Peter plays outside, meets up with friends, and finally gets ready for bed. Cute rhyming text and rabbit-shaped pages make this a new classic book for the smallest fans of Beatrix Potter--and a perfect introduction to the classic world of Peter Rabbit.

The First Epistle of Peter Peter H. Davids,1990-08-07 Peter David's study on I Peter is part of The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

**The Peter Principle** RAYMOND. HULL HULL (RAYMOND. PETER, DR LAURENCE J.),Laurence J. Peter,2020-10 In a hierarchy, every employee rises to the level of their own incompetence.This simple maxim, defined by this classic book over 40 years ago, has become a beacon of truth in the world of work. From the civil service to multinational companies to hospital management, it explains why things constantly go wrong: promotion up a hierarchy inevitably leads to over-promotion and incompetence. Through barbed anecdotes and wry humour the authors define the problem and show how anyone, whether at the top or bottom of the career ladder, can avoid its pitfalls. Or, indeed, avoid promotion entirely!

**1 Peter Bible Study Book** Jen Wilkin,2016 Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early

church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ. Key themes of humility, submission, and identity in Christ guide the study of 1 Peter as participants are challenged to read the book in its entirety each week. Teaching videos are key to the understanding of this study. (9 sessions) Features: Personal study segments to complete between group sessions 9-session study with 8 weeks of homework Verse-by-verse approach to complete a book study Teaching videos that build upon and tie together the personal study available for purchase or rent (30 to 35 minutes per session) Benefits Expand your understanding of 1 Peter for personal spiritual growth by reading the book in its entirety throughout each week of study Follow a verse-by-verse approach to complete a book study Discover the gospel of Christ as learners seek to conform fully to the Scriptures Dig deeper into Scripture individually and alongside other women--both those new to Bible study and those more familiar with Scriptures--with this widely-applicable study Author: Jen Wilkin is a writer, teacher, and blogger at JenWilkin.net. She is the managing editor of The Village Church blog and leads the Flower Mound Women's Bible Study, an interdenominational Bible study with about 700 members representing 68 different churches. She earned a B.A. in English and a Master of Business Administration from Texas A&M. Jen wrote Women of the Word: How to Study the Bible with Both Our Hearts and Our Minds and has a 9-week DVD Bible study on The Sermon on the Mount. Jen grew up in Texas and came to saving faith in elementary school. Her childhood was marked by time spent in seven different denominations - a range of experience that left her with the conviction that knowing the Word was the only sure means of discerning truth from error. Jen's passion is to see women become articulate and committed followers of Christ, with a clear understanding of why they believe what they believe and grounded in the Word of God. She sees women as most frequently appealed to through their emotions. Because of that, she advocates for women to have Bible literacy, love God with their minds, and have their voices and giftings fully leveraged in the church.
