Ricky Holley

Help! Somebody's Robbing My Piggy Bank! Ricky Holley,2011-10-20 We live in a high tech world. With digital televisions, computers, cell phones, IPODS, and video games out there, one can become overwhelmed. There's technology out there to do almost everything for us. When was the last time you sat down with pen and paper and did a simple math problem? You know, add, subtract, multiply, or divide. Calculators and computers can do this for us. Most of us have to do business with banks. Many of you have felt that you've been cheated or just plain taken advantage of by banks. There are high interest rates, overdraft fees, other fees and other hidden cost. You might be surprised to find out that banks will take money from your account without any accountability. You had better brush up on your math skills. I served in the United States Air Force and lived in several states and in Great Britain. Over the past 38 years, I've had bank accounts in the United States and abroad. My story is about my encounters with only four of these banks. One good and three that was not so pleasant. Money was taken from my accounts without accountability. I'll show you how I was able to keep track of their actions and finally what I did about it.

The Sacred Diary of Adrian Plass: Adrian Plass and the Church Weekend Adrian Plass,2013-04-11 Adrian has been trying to keep a low profile at church but his son Gerald is now an Anglican vicar and the two churches are getting together for a joint weekend away. Now Adrian's been volunteered to run it... From the confusion of arrival when Anne is allocated to the top bunk with a schizophrenic recovery group, and Adrian is in a low-ceilinged 'pod' at the top of the tower, to the hugs and tears of departure, this is typical Plass, humorous and heartwarming in equal measure. Adrian

has a simple conversation about birdlife that ends with him being accused of harassment, Leonard Thynn and his wife turn up just in time to leave again after falling out with the SatNav lady, and Gerald's wit just keeps getting the better of him. There are as many questions as answers, of course. Will poor Sally, the unwilling nomad of the community, ever find a proper bed to sleep in? What exactly is it about Adrian's twinkle that Minnie Stamp 'lovey-doves' so very much? And how do you cope when your daughter-in-law shares a secret you simply cannot, must not tell? Once again, Adrian Plass gets us laughing just long enough for the truth to slip in by the back door, and for all the mishaps, this new instalment of the Sacred Diary series once again shows just how good God is at caring for this mixed bag of people we call the church.
