PIMPOLOGY PIMPIN' KEN,2012-12-11 The pimp has  
reached nearly mythical status. We are fascinated  
by the question of how a guy from the ghetto with  
no startup capital and no credit -- nothing but  
the words out of his mouth -- comes not only to  
have a stable of sexy women who consider him their  
man, but to drive a Rolls, sport diamonds, and  
wear custom suits and alligator shoes from Italy.  
His secret is to follow the unwritten rules of the  
game -- a set of regulations handed down orally  
from older, wiser macks -- which give him  
superhuman powers of charm, psychological  
manipulation, and persuasion. In Pimpology,star of  
the documentaries Pimps Up, Ho's Downand American  
Pimp and Annual Players Ball Mack of the Year  
winner Ken Ivy pulls a square's coat on the  
unwritten rules that took him from the ghetto

streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just pimp your ride, you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

**Pimpin' Ain't Easy** Beretta E. Smith-Shomade, 2012-08-21 Launched in 1980, cable network Black Entertainment Television (BET) has helped make blackness visible and profitable at levels never seen prior in the TV industry. In 2000, BET was sold by founder Robert L. Johnson, a former cable lobbyist, to media giant Viacom for 2.33 billion dollars. This book explores the legacy of BET: what the network has provided to the larger US television economy, and, more specifically, to its target African-American demographic. The book examines whether the company has fulfilled its stated goals and implied obligation to African-American communities. Has it changed the way African-Americans see themselves and the way others see them? Does the financial success of the network - secured in large part via the

proliferation of images deemed offensive and problematic by many black communities - come at the expense of its African-American audience? This book fills a major gap in black television scholarship and should find a sizeable audience in both media studies and African-American studies.

"Pimp: Reflection of My Life " Noble

Dee,2013-02-01 In our society today, although used out their original contexts, the words Pimp and Pimpin have been embraced whole-heartedly by todays hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the faade and the fiction of todays controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin) was like for him in his era the 1960s to Y2K (The New Millienium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation mannerhis personal existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book *Pimp: The Story of My Life* By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin been exposed to this degree. Thus, the

primary title Pimp:Reflections of My Life.

From Pimpin to the Pulpit Reverend Jaymes Browne,2014-08-28 Have you ever lost hope in life because of your past? Has life situations taken a hold on you? Have you ever been told that you are no good, and will never be any good? Well my brothers, sisters that's a lie straight out of hell. You see I to was told the same thing. Jay Bee was the name that I used in a world that was so dark, and ugly that the only light at the end of the tunnel was death. My real name is Jaymes Browne, and yes I was a pimp, a drug user, and I have a state number. This is my story, told without bitterness, and with no pretense at moralizing the sounds, the fears, and the petty triumphs in a world where your dreams can come true then evaporate into thin air. No other book that I know of comes anywhere near this one in its description of the raw, brutal reality of living

in Satan's jungle that lurks beneath the surface of every city. I have spent over twenty-five years of my life in hell. Others like me died in prison or in insane asylums, or were shot down in the street. But God, who allowed me to escape a physical death, and a drug habit to live in the light of my Lord, Jesus Christ. Allowing me to share the goodness of his love, and how He can change lives, even yours. Rev. Jaymes Browne is a first-time author who has been taught to always seek first the kingdom of God, and raised in Atlantic City, New Jersey. He is a member of the best church on this side of glory- The New Shiloh Baptist Church, and Community Life Center in Atlantic City, New Jersey, where he sits under the tutelage of Bishop James Washington, and is the overseer of J. Browne Ministries.

*Making Easy Money Pimpin Hoes Is Serious* Niki Jilvontae, 2014-11-09 Crime, poverty, death and pain are all a reoccurring theme for many people who live in Memphis. This urban, inner city jungle is known for chewing people up and spitting them out, draining all hope for a happy life out of their minds. This harsh reality is true for most, including Moses Josiah Walker known on the streets as Big Moe. Big Moe was raised in the streets by his father Pimpin Black and his mama Trina, Pimpin Black's bottom hoe. After years of coaching to carry on his father's legacy, Big Moe steps into his rightful position as the top pimp on the streets. However, his climb to the top won't be easy with sneaky h\*\*\* and ruthless n\*\*\*\*\* plotting to take him out and take over his empire. Before long Moe finds himself trapped in a web of murder, lies, violence, and deceit..destined to die at an early age in the mean streets of Memphis, or rot behind prison walls. Come with me on this turbulent ride through the streets of Memphis and into the mind of Big Moe, Mr Break A H\*\*

**Pimpin' Preacher** Joe Haldeman, Mr Robert Yahborn Graham Jr, 2018-02-15 The Pimping Preacher, for me

started out with a Pastor, who's blackmailed into sadistic crimes, and a drug dealer without conscience. The novel is mixed with corrupt and betrayal, though totally fictional portrayals. The deception and power of success can corrupt the most pure hearts. Agent Watson plays a dirty game. The twists in this piece are unpredictable. The story lines are full of suspense, mystery, and the reality of the power of forgiveness, as a Pastor is given another opportunity to redeem himself. The murders are potentially senseless, except for the golden rule. Do unto others as you would have them to do unto you. Percilla and Nene were opportunists who got what they had coming. Michael Steel was so blinded by his power and money; until he underestimated Rolo's grind and thirst for his position. This read is intended to spark and stir up passion for Leslia and Sophia.
