"Pimp: Reflection of My Life " Noble Dee,2013-02-01 In our society today, although used out their original contexts, the words Pimp and Pimpin have been embraced whole-heartedly by todays hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the faade and the fiction of todays controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin) was like for him in his era the 1960s to Y2K (The New Millienium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation mannerhis personal existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book *Pimp: The Story of My Life* By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin been exposed to this degree. Thus, the primary title *Pimp:Reflections of My Life*. www.JumpInterstateN.biz

80's Baby Lenny Haskins, #84966-083,2022-11-03 Peppa is an up-and-coming pimp from Richmond, California, who's facing the trials and tribulations of street life on his quest to be the biggest pimp he can possibly be. But the game he's playing comes with ultimate sacrifices and rules he must stick to for him to become successful in the game. He's a con man slash pimp who will do whatever to acquire the almighty dollar. He's dealing with a wife at home who's aware of his dealings with the streets and a flock of hos in his stable who are coming in at a rapid pace, and he's pissing some people off along the way. Eyevette, Peppa's wife, is a drug dealer who's dealing in the streets of Richmond, trying to grind her way to the top rock for rock. And she has the recipe that's going to get her rich. And she's doing so while raising her children and trying to stick by her husband's side through thick and thin and be a good bottom bitch to him and his stable, but while she's getting money, others want in on her turf. Lil Pep is a product of the '80s and is soaking all his parents' actions in and is watching and preparing himself to be a major pimp like his father or a major hustla' like his mother. His innocent youth is being sucked away before his eyes as he's getting the game raw and uncut from his parents. He is growing up in the '80s crack era where anything goes, and he wants in. Will this family make it through the storm, and do they realize the influence that they're having on their children? Dope era. It's all in the game.

The Philosophical Philosopher Presents Street Life Philosophy Royalty,2018-12-11 This book is reality based. It's about growing up around fast-living people. My mother was a gangster; my godfather was born a pimp. The book is based on growth, development, childhood to adulthood, graduating to greater heights, living to learn, and learning how to live. Spirituality is very important. We have blessings to love from the dove above (the Most High), so this book is based on blessings and love from above. The book also explains how your environment will mold you into who you become, what storms you go through, and how you live your life. This book also explains how we all want to live an innocent lifestyle and how we learn from our mistakes. It also explains that as a child, you know not what you or we do is wrong. This book finally explains that a child needs to be protected from the world and be taught about the wicked and the righteous ways of the world. A child requires adult supervision at all times; a child should not raise up another child. All in all, this book has hidden messages in plain sight, which can only seen by those with their third eye open. I also start the book by speaking on topics that prepare you for all you will read in this book and will possibly deal with in life. Details in this book are serious. They include words only seen in the past historically, dictionary words, and names of high-end things you should buy. Thank you for reading to succeed. Reading is self-teaching. Take what you need out of this book and what you need to give to someone else. These include the following: Live and let live; each one, teach one, and reach one; united we stand, divided we fall; truth be told, truth be spoken. Earn blessings to love others and blessings to love to the Most High. Peace be onto the ancient ancestors, and respect to all the elders of the land of today.

First to Fall Stacy Lane,2018-11-23 Triplets.It has two meanings in the city of Tampa. The brothers, and the bar.Brooks Labelle spent his entire life with one ambition: Hockey. All things hockey, which is why he has settled in Tampa to ride out the rest of his career and co-owner of a hockey bar with his brothers. To his parents' dismay, none of them have settled down romantically. Brooks never plans to either, despite his dad attempting to set him up with another nice girl. He must be desperate if he's picking random women among the crowd at Brooks's games and trying to persuade them with a meet-and-greet.But this one turns down the offer...Jo Harper has fallen for a hockey player, and she doesn't even like hockey. A homebody to the extreme, all it took was one night out for her anti-social life to tailspin into celebrities and social media scandals. Though, scandal is a stretch when put into terms about a dead ex. She only speaks to Brooks by happenstance. Although, it's more sass than actual talking. Which he likes and demonstrates every opportunity he can. She's become the girl friend--with a space, as he likes to say--and he's more than her timid self can handle.Just friends never work when there is an attraction. It's a tried and true failure. Their relationship sparks, but like opposite charges in the clouds, they've accumulated a fierce lightning storm. Jo loves a good rainy day, but Brooks might as well be holding a steel rod. He wants more, but without her expecting too much. She's done with settling for men who won't share all of themselves with her.The last thing he expected was to be the first brother to fall.

Pimp Game 207 Blessings in the Lessons TJ Clemons, This game is full of pitfalls, problems,

and challenges that you're going to encounter on a daily basis. So, keep your eyes open because trouble is always on the horizon. Every single day above ground is a lesson and a blessing. We are here to learn more about ourselves and the people around us in our inner and outer circles. We are the masters of our own design, destinies, and desires. And it is up to us as individuals weather the storms of life and wake up daily and make the very best of all of our sunrises and sunsets. That is our intended purpose in this thing that we call life for the entirety of our earthly existence. Most people fear their own success which only ends up fueling their failures. I learned a lot from this game and once I learned to apply it to my own life everything started to make perfect sense to me. It's all about becoming the best version of yourself and taking on all challenges. That's exactly when you start moving forward in the right mindset and direction that you need to be heading towards to achieve successful outcomes.
