The Pink House at the Seashore Deborah Blumenthal,2005 A house can be more than just a shelter. Some houses are places where family traditions grow, where memories live. But what happens to the traditions and memories when the house is gone? After losing a beloved summer home to a treacherous storm, two children and their parents discover the affirming answer to this poignant question . . . together. Evocative paintings and spare text show the family combing the sand for fragments of their possessions, sharing memories, and beginning to look beyond their loss.

**After the Storm | The Pink Classics** T. S. Arthur,2017-09-26 After the Storm was written by the very popular nineteenth-century American author who articulated and disseminated the values, beliefs, and habits of middle-class life in pre-Civil War America. T.S. Arthur (June 6, 1809 – March 6, 1885) was a popular 19th-century American author. He is most famous for his temperance novel Ten Nights in a Bar-Room and What I Saw There (1854), which helped demonize alcohol in the eyes of the American public. He was also the author of dozens of stories for Godey's Lady's Book, the most popular American monthly magazine in the antebellum era, and he published and edited his own Arthur's Home Magazine, a periodical in the Godey's model, for many years. Virtually forgotten now, Arthur did much to articulate and disseminate the values, beliefs, and habits that defined respectable, decorous middle-class life in antebellum America.

**Us and Them: The Authorised Story of Hipgnosis** Mark Blake,2023-02-02 'Hugely entertaining history' - Mojo Between the late '60s and early '80s, design house Hipgnosis created some of the most iconic and ubiquitous album artwork of all time. Their original lifespan coincided with the golden age of the 12-inch LP, beginning just as the Beatles' Sgt Pepper made the record sleeve the ultimate blank canvas and ending just as new technology looked set to usurp vinyl. Having originally been approached to design an album cover for their friends Pink Floyd, students Aubrey 'Po' Powell and Storm Thorgerson would go on to define the visual identity of rock and roll for the next fifteen years, swiftly gaining international prominence for their famed The Dark Side of the Moon artwork. This paved the way for other major musicians to set foot in the surreal photo-design world of Storm and Po, resulting in seminal Hipgnosis creations for the likes of Led Zeppelin, Paul McCartney, Genesis, Black Sabbath, ELO and Yes. In this authorised account, with access to previously unpublished material and exclusive contributions from David Gilmour, Jimmy Page, Peter Gabriel, Roger Waters, Robert Plant and even Aubrey Powell himself, Mark Blake goes behind the scenes of the Hipgnosis partnership to reveal the pioneering ambition and grand vision that led to their success, as well as the clashing egos and artistic differences that undermined it. The Hipgnosis story also offers hitherto-untold insight into some of music's most legendary bands, as viewed through the prism of the people who shaped their imagery and cultural legacy. With the work of Hipgnosis continuing to be referenced, reproduced and revered worldwide, Us and Them serves as a celebration, a cautionary tale and a compelling human drama, exploring the vital intersection between art and music.

Storm Fairy Osamu Tezuka,2021 Storm fairy is a collection of three short stories by legendary manga-ka Osamu Tezuka. In Storm Fairy, an empress flees her burning castle to the nearby forest where she encounters a mischievous forest fairy who grants her wish, for a seemingly small price. It’s not until much later, after she’s given birth to her daughter Ruri, that the empress realizes the true weight of her deal with the fairy. Now the princess, with a face as ugly as sin, must live the rest of her life from behind a mask. When a malcontent discovers Princess Ruri's curse, he plots to overthrow the emperor by masquerading his own daughter as the princess, mask and all. Ruri also meets a lowly ronin and a beautiful fairy who make it their mission to return her to her rightful place on the throne. In “Kokeshi Detective Agency,” fearless little Pako goes around solving spooky mysteries while her dog Moll does his best to protect her. Oddly enough, Taro, Pako’s scaredy-cat older brother, is forced to accompany Pako on all these scary adventures. In “Pink Angel,” a sunset cloud named Pink spends an awfully lot of time on the surface helping those who are unhappy or in need. Unfortunately, the rainclouds Sir Brown and Sepia don’t take kindly to Pink’s meddling.
