Dorothy B. Hughes

**The Nesting Place** Myquillyn Smith, 2014-04-29 Create the home--and life--you've always wanted with the help of popular blogger and author of Cozy Minimalist Home Myquillyn Smith (The Nester) as she helps you free yourself to take risks and find beauty in imperfection. Myquillyn Smith is all about embracing reality--especially when it comes to decorating a home bursting with kids, pets, and all the unpredictable messes of life. In The Nesting Place, Myquillyn shares the secrets of decorating for real people--and it has nothing to do with creating a flawless look to wow your guests and everything to do with making peace with the natural imperfection and joy of daily living. Drawing on her years of experience creating beauty in her 13 different homes and countless seasons of life, Myquillyn will show you how to think differently about the true purpose of your home, and simply and creatively tailor it to reflect you and your unique style--without breaking the bank. Full of simple steps, practical advice, and beautiful, full-color photos, The Nesting Place gives you the tools you need to: Cultivate a home that works for you and your family Transform your home into a place that's inviting and warm for family and friends Discover your own personal style There is beauty in embracing the lived-in, loved-on, and just-about-used-up aspects of our homes and our daily lives--let Myquillyn show you how. Praise for The Nesting Place: This book made me look at every room in my house differently, with a new lens of creativity and beauty and possibility. It inspired me to reclaim my home as sacred space, ripe with opportunities to celebrate and create memories and moments. --Shauna Niequist, New York Times bestselling author of Present Over Perfect and I Guess I Haven't Learned That Yet This highly personal account about embracing imperfection and finding contentment in your home is like sitting down with a good friend and talking about the stuff that really matters. The Nesting Place is full of approachable ideas, encouragement, and a whole lot of heart. --Sherry Petersik, home blogger; bestselling author of Young House Love

**The Home Place** J. Drew Lanham, 2016-08-22 "A groundbreaking work about race and the American landscape, and a deep meditation on nature...wise and beautiful."--Helen Macdonald, author of H is for Hawk A Foreword Reviews Best Book of the Year and Nautilus Silver Award Winner In me, there is the red of miry clay, the brown of spring floods, the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina--a place "easy to pass by on the way somewhere else"--has been home to generations of Lanhams. In The Home Place, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be "the rare bird, the oddity." By turns angry, funny, elegiac, and heartbreaking, The Home Place is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South--and in America today. "When you're done with The Home Place, it won't be done with you. Its wonders will linger like everything luminous."--Star Tribune "A lyrical story about the power of the wild...synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience."--National Geographic

**Place** Tim Cresswell, 2014-12-03 Thoroughly revised and updated, this text introduces students of human geography and allied disciplines to the fundamental concept of place, combining discussion about everyday uses of the term with the complex theoretical debates that have grown up around it. • A thoroughly revised and updated edition of this highly successful short introduction to place • Features a new chapter on the use of place in non-geographical arenas, such as in ecological theory, art theory and practice, philosophy, and social theory • Combines discussion about everyday uses of the term 'place' with the more complex theoretical debates that have grown up around it • Uses familiar stories drawn from the news, popular culture, and everyday life as a way to explain abstract ideas and debates • Traces the development of the concept from the 1950s through its subsequent appropriation by cultural geographers, and the linking of place to politics

**Everything in Its Place** Pauline David-Sax, 2022-07-19 An inspiring and poetic story about reading, libraries, and overcoming shyness to find community. I gather the books in my arms, and give them a hug. Welcome back, I whisper. Nicky is a shy girl who feels most at home in the safe space of her school library, but the library closes for a week and Nicky is forced to face her social anxiety. When she meets a group of unique, diverse, inspiring women at her mother's diner--members of a women's motorcycle club--Nicky realizes that being different doesn't have to mean being alone, and that there's a place for everyone. Book lovers of all ages will find inspiration in this beautiful love letter to reading--and how words help us find empathy and connections with the world around us. ★ Ezra Jack Keats Award Honor A Kirkus Best Book of the Year An Atlanta Parent Best Book of the Year A RISE: A Feminist Book Project Reading List selection An Association for Library Service to Children Notable Book Maine Chickadee Award nominee, 2023-24

**Peyton Place** Grace Metalious, 2002 Switch off those TVs, kill your mobiles and settle down with the most controversial book ever written. Once denounced as 'wicked', 'sordid', 'cheap' 'moral filth', PEYTON PLACE was the top read of its time and sold millions of copies worldwide. Way before TWIN PEAKS, SURVIVOR or BIG BROTHER, the curtains were twitching in the mythical New England town of Peyton Place, and this soapy story exposed the dirty secrets of 1950s small-town America: incest, abortion, adultery, repression and lust. Take a peek ...

**The People in Pineapple Place** Anne Lindbergh, 2011 Ten-year-old August Brown adjusts to his new home in Washington, D.C., with the help of the seven children of Pineapple Place, invisible to everyone but him.

**Black in Place** Brandi Thompson Summers, 2019-09-09 While Washington, D.C., is still often referred to as Chocolate City, it has undergone significant demographic, political, and economic change in the last decade. In D.C., no place represents this shift better than the H Street corridor. In this book, Brandi Thompson Summers documents D.C.'s shift to a post-chocolate cosmopolitan metropolis by charting H Street's economic and racial developments. In doing so, she offers a theoretical framework for understanding how blackness is aestheticized and deployed to organize landscapes and raise capital. Summers focuses on the continuing significance of blackness in a place like the nation's capital, how blackness contributes to our understanding of contemporary urbanization, and how it laid an important foundation for how Black people have been thought to exist in cities. Summers also analyzes how blackness--as a representation of diversity--is marketed to sell a progressive, cool, and authentic experience of being in and moving through an urban center. Using a mix of participant observation, visual and media analysis, interviews, and archival research, Summers shows how blackness has become a prized and lucrative aesthetic that often excludes D.C.'s Black residents.

**Where Are the Women Architects?** Despina Stratigakos, 2016-04-12 A timely and important search for architecture's missing women For a century and a half, women have been proving their passion and talent for building and, in recent decades, their enrollment in architecture schools has soared. Yet the number of women working as architects remains stubbornly low, and the higher one looks in the profession, the scarcer women become. Law and medicine, two equally demanding and traditionally male professions, have been much more successful in retaining and integrating women. So why do women still struggle to keep a toehold in architecture? Where Are the Women Architects? tells the story of women's stagnating numbers in a profession that remains a male citadel, and explores how a new generation of activists is fighting back, grabbing headlines, and building coalitions that promise to bring about change. Despina Stratigakos's provocative examination of the past, current, and potential future roles of women in the profession begins with the backstory, revealing how the field has dodged the question of women's absence since the nineteenth century. It then turns to the status of women in architecture today, and the serious, entrenched hurdles they face. But the story isn't without hope, and the book documents the rise of new advocates who are challenging the profession's boys' club, from its male-dominated elite prizes to the erasure of women architects from Wikipedia. These advocates include Stratigakos herself and here she also tells the story

of her involvement in the controversial creation of Architect Barbie. Accessible, frank, and lively, *Where Are the Women Architects?* will be a revelation for readers far beyond the world of architecture.

**Government's Place in the Market** Eliot Spitzer, 2011-04-18 In his first book, the former New York governor and current CNN cohost offers a manifesto on the economy and the public interest. As New York State Attorney General from 1998 to 2006, Eliot Spitzer successfully pursued corporate crime, including stock price inflation, securities fraud, and predatory lending practices. Drawing on those experiences, in this book Spitzer considers when and how the government should intervene in the workings of the market. The 2009 American bank bailout, he argues, was the wrong way: it understandably turned government intervention into a flashpoint for public disgust because it socialized risk, privatized benefit, and left standing institutions too big to fail, incompetent regulators, and deficient corporate governance. That's unfortunate, because good regulatory policy, he claims, can make markets and firms work efficiently, equitably, and in service of fundamental public values. Spitzer lays out the right reasons for government intervention in the market: to guarantee transparency, to overcome market failures, and to guard our core values against the market's unfair biases such as racism. With specific proposals to serve those ends—from improving corporate governance to making firms responsible for their own risky behavior—he offers a much-needed blueprint for the proper role of government in the market. Finally, taking account of regulatory changes since the crash of 2008, he suggests how to rebuild public trust in government so real change is possible. Responses to Spitzer by Sarah Binder, Andrew Gelman, and John Sides, Dean Baker, and Robert Johnson, raise issues of politics, ideology, and policy.

**The Legendary Toad's Place** Brian Phelps, Randall Beach, 2021-10-08 Anyone who has lived near New Haven, Connecticut, in the past 40-plus years has surely heard of Toad's Place. With a capacity of 750, Toad's has served as the perfect spot for musicians who prefer smaller venues. U2 played one of their first US concerts there, on their Boy tour. In 1978, Bruce Springsteen was in New Haven and arrived at Toad's unannounced, and got up and played. The surprises kept coming and the club was attracting big names, as well as up-and-comers. In 1989, the Rolling Stones played a surprise show on a Saturday night, giving 700 fans the night of their dreams. Nothing could have been better—the Rolling Stones in downtown New Haven was unimaginable! That is only a taste of the stories that are uncovered in this book. Randall Beach and Toad's owner Brian Phelps recall the legendary shows and behind-the-scenes stories.

**The Winter Place** Alexander Yates, 2015-10-27 Upon their father's death, Tess and her younger brother, Axel, leave New York for their grandparents' home in Finland, where they learn that a bear they both saw is the spirit of their mother, the strange man with her is the keeper of souls, and he wants Axel, already plagued with the disease that killed their mother, to replace him.

*In a Lonely Place* Dorothy B. Hughes, 2010-05-06 Dix Steele is back in town, and 'town' is post-war LA. His best friend Brub is on the force of the LAPD, and as the two meet in country clubs and beach bars, they discuss the latest case: a strangler is preying on young women in the dark. Dix listens with interest as Brub describes their top suspect, as yet unnamed. Dix loves the dark and women in equal measure, so he knows enough to watch his step, though when he meets the luscious Laurel Gray, something begins to crack. The American Dream is showing its seamy underside.

**One Place** Paul Kwilecki, Tom Rankin, 2013-04-09 Though artistic and ambitious, Paul Kwilecki (1928-2009) chose to remain in Bainbridge, Georgia, the small Decatur County town where he was born, raised, and ran the family's hardware store. He had always been interested in photography and taught himself how to use a camera. Over four decades, he documented life in his community, making hundreds of masterful and intimate black-and-white prints. Kwilecki developed his visual ideas in series of photographs of high school proms, prison hog killings, shade-tree tobacco farming, factory work, church life, the courthouse. He also wrote eloquently about the people and places he so poignantly depicted, and in this book his unique knowledge is powerfully articulated in more than 200 photographs and selected prose. Paul Kwilecki worked alone, his correspondence with important photographers his only link to the larger art world. Despite this isolation, Kwilecki's work became widely known. Decatur County is home, he said, and I know it from my special warp, having been both nourished and wounded by it.

*The Great Good Place* Ray Oldenburg, 1999-08-18 The landmark survey that celebrates all the places where people hang out--and is helping to spawn their revival A New York Times Book Review Editor's Choice Third places, or great good places, are the many public places where people can gather, put aside the concerns of home and work (their first and second places), and hang out simply for the pleasures of good company and lively conversation. They are the heart of a community's social vitality and the grassroots of a democracy. Author Ray Oldenburg portrays, probes, and promotes these great good places--coffee houses, cafes, bookstores, hair salons, bars, bistros, and many others both past and present--and offers a vision for their revitalization. Eloquent and visionary, this is a compelling argument for these settings of informal public life as essential for the health both of our communities and ourselves. And its message is being heard: Today, entrepreneurs from Seattle to Florida are heeding the call of The Great Good Place--opening coffee houses, bookstores, community centers, bars, and other establishments and proudly acknowledging their indebtedness to this book.

**Hide in Place** Emilya Naymark, 2021-02-09 She left the NYPD in the firestorm of a high-profile case gone horribly wrong. Three years later, the ghosts of her past roar back to terrifying life. When NYPD undercover cop Laney Bird's cover is blown in a racketeering case against the Russian mob, she flees the city with her troubled son, Alfie. Now, three years later, she's found the perfect haven in Sylvan, a charming town in upstate New York. But then the unthinkable happens: her boy vanishes. Local law enforcement dismisses the thirteen-year-old as a runaway, but Laney knows better. Alfie would never abandon his special routines and the sanctuary of their home. Could he have been kidnapped--or worse? As a February snowstorm rips through the region, Laney is forced to launch her own investigation, using every trick she learned in her years undercover. As she digs deeper into the disappearance, Laney learns that Alfie and a friend had been meeting with an older man who himself vanished, but not before leaving a corpse in his garage. With dawning horror, Laney discovers that the man was a confidential informant from a high-profile case she had handled in the past. Although he had never known her real identity, he knows it now. Which means several other enemies do, too. Time is running out, and as Laney's search for her son grows more desperate, everything depends on how good a detective she really is--badge or no.

**Place** Tim Cresswell, 2013-06-05 This text introduces students of human geography to the fundamental concept of place, marrying everyday uses of the term with the complex theoretical debates that have grown up around it. A short introduction to one of the most fundamental concepts in human geography Marries everyday uses of the term place with the more complex theoretical debates that have grown up around it Makes the debates intelligible to students, using familiar stories as a way into more abstract ideas Excerpts and discusses key papers on place by Doreen Massey and David Harvey Considers empirical examples of ways in which the concept of place has been used in research Teaching and learning aids include an annotated bibliography, lists of key readings and texts, a survey of web resources, suggested pedagogical resources and possible student projects

**Goldie (The Puppy Place #1)** Ellen Miles, 2011-11-01 Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson love puppies. They want a puppy of their own more than just about anything. They know dogs are a lot of work. But their mom still doesn't think their family is ready for a puppy. Then, Goldie arrives. She is a sweet golden retriever that needs a home. Goldie is very young. She doesn't know how to be a good puppy yet. Will Charles and Lizzie be able to help her?

**The Old Place** Bobby Finger, 2023-08-29 A bighearted and moving debut about a wry retired schoolteacher whose decade-old secret threatens to come to light and send shockwaves through her small Texas town. Billington, Texas, is a place where nothing changes. Well, almost nothing. For the first time in nearly four decades, Mary Alice Roth

is not getting ready for the first day of school at Billington High. A few months into her retirement—or, district mandated exile as she calls it—Mary Alice does not know how to fill her days. The annual picnic is coming up, but that isn’t nearly enough since the menu never changes and she had the roles mentally assigned weeks ago. At least there’s Ellie, who stops by each morning for coffee and whose reemergence in Mary Alice’s life is the one thing soothing the sting of retirement. Mary Alice and Ellie were a pair since the day Ellie moved in next door. That they both were single mothers—Mary Alice widowed, Ellie divorced—with sons the same age was a pleasant coincidence, but they were forever linked when they lost the boys, one right after the other. Years later, the two are working their way back to a comfortable friendship. But when Mary Alice’s sister arrives on her doorstep with a staggering piece of news, it jeopardizes the careful shell she’s built around her life. The whole of her friendship with Ellie is put at risk, the fabric of a place as steadfast as Billington is questioned, and the unflappable, knotty fixture that is Mary Alice Roth might have to change after all.

**#Carlos's Places** Carlos Souza,2014–09 Carlos Souza, Worldwide Brand Ambassador for Valentino, is constantly traveling. From New York to São Paolo to Shanghai, he shares a colorful guide to his favorite destinations overflowing with food, fashion, art, and life. Much more than simply an address book, Curious is framed by Souza's personal experience and wanderlust, and offers an exclusive insider's look at some of the world's chicest cities, complete with recommendations for old favorites and new classics. Curious is an effervescent handbook for the seasoned globetrotter in search of a lively travel companion.

**A Place for You** Daniel Erlander,19?? In this welcome book children read, color, and learn about Jesus as he invites us all to his special meal called Holy Communion. Presented in a fun, kid-oriented comic book style.

FAQs About Place Books

**What is a Place PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Place PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Place PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Place PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Place PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
