The Alamo Playset Gary Toenges, 2018-03-27 I have revised my first publication to an 8.5 x 11 format. I have collected MARX Playsets for over thirty years. Until I retired they sat in my attic collecting dust. After I retired I dusted them off and set them up taking pictures which I then turned into books like this one. What I've learned from being a collector is this, at some point you have to do something with all this stuff. I've spent a lot of money over the years and in hindsight if a book like this one had been available I would have purchased it. It would have saved me money and work because setting these playsets were work and nothing like I remember as a kid playing with them. If you are a MARX toy enthusiast I believe you'll enjoy my books on these great toys. Thank you, Gary
