A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris,2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as “the world’s most powerful gaming console,” the PlayStation 4! In its first year alone, the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega-website IGN’s People’s Choice Award for best console (in competition with the xBox One and Wii U). Accordingly, the PlayStation 4 dominated gaming console sales throughout 2014, making it one of the best and fastest-selling gaming consoles ever designed. In addition to its beefier hardware, Sony has added a variety of new and innovative features, including the Dualshock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally, with the new system, players can connect their smart phones, tablets, PS Vita or PS TV to act as “second screen” interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface, but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps, such as Netflix and Hulu, can now be displayed directly on the main screen for faster access. Additionally, the system now can be controlled using voice commands from a microphone headset or from the built-in microphone on the PlayStation Camera. With the release of the PlayStation 4, Sony has begun to emphasize “social gaming,” which goes far beyond mere multi-player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4, this is now possible with just a couple of button presses using the new “Share” button on the Dualshock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video, the PlayStation 4’s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser, making it the most compatible browser available on any console. Whereas in the past and with other consoles, web browsing could be a bit of a headache when it comes to things like accessing YouTube videos, the PS4’s web browser is as easy and intuitive as the web browser on your computer, and it’s automatically compatible with the web’s most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend, the Sony PlayStation 4! Please note, this book is neither written or endorsed by Sony and should be considered unofficial.

A Beginners Guide to Using PlayStation TV Katie Morris,2014-11-03 So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world Dualshock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!

The Unofficial PlayStation Handbook Katie Morris,2014-11-10 If you are new to the PlayStation console or just want to learn more, this is an essential guide for you. With chapters covering PS3, PS4, and PlayStation TV this guide covers every aspect of PlayStation you can think of! This book is a bundle of three books. Each section can also be purchased individually. Please note, this book is neither written or endorsed by Sony and should be considered unofficial.

A Newbies Guide to Play Station 3 (PS3) GameCaps,2012-11-01 Games systems used to be simple--plug into TV, put in game cartirage, power on...and occasionally spend several minutes plugging dust out and putting it in at just the right angle! Today game systems are more than game systems--they are multi-media powerhouses. In the case of PS3, it is a full on computer. This guide will help you get the most out of your PS3 and everything that's built into it--from adjusting parental settings to changing the way it looks. GameCaps Walkthroughs was started as a way of bringing cheap, reliable, and informative game walkthroughs and system

profiles. Our library is growing more every month.

The Art of Uncharted 4 will be released by Dark Horse simultaneously with the new game, Uncharted 4.

The Games Machines ,

Fortnite Grant Turner, 2018-07-31 The only how-to and strategy guide you need to be the last player standing in the hottest video game on earth! Are you ready to take your game to the next level and dominate your opponents? Ready to learn how to destroy your fellow gamers and win the ultimate Battle Royale? If so, you're ready for Fortnite: The Ultimate Unauthorized Guide. Starting with simple instructions on how to download and install the game on all platforms (Nintendo, PlayStation, Xbox and PC--and now on your mobile device!), Fortnite: The Ultimate Unauthorized Guide divulges all the essential information needed to navigate through the Fortnite world like a pro. Whether playing Battle Royale or Save the Earth mode, readers will learn how and where to unearth the best items, discover essential combat strategies and weapons use, identify ideal landing zones and build the perfect fort or base. Also included are maneuvering tactics and even advice on how to manage resources and cash, buying the coolest skin and flashing the best dance moves. With secret cheats, hacks, unlockables, and much more, this is an essential guide to everything Fortnite!

Region Locked Matt Barnes, Dazz Brown, Greg S-C, 2021-07-08 Not all games are released equal. The barriers of language and culture can leave our world divided, and this includes the video games that we get the chance to play. Matt Barnes, Dazz Brown and Greg Seago-Curl of DidYouKnowGaming? created the YouTube series Region Locked to offer an insight into the weird and wonderful titles that never left their home countries, and now they bring their expertise to you, the gaming reader. Encounter masterpieces you never knew existed from your favourite series and developers, as well as some utterly bizarre creations that seem so outlandish you might wonder how on earth they were released in the first place, from the trippy, meandering dreamscapes of 1998's LSD: Dream Emulator to The Mysterious Murasame Castle, released in 1986 by Nintendo, and the intergalactic adventures of Crime Crackers (1994). The authors explore what it's like to play these games, and investigate the fascinating characters and maverick designers behind them to discover why such remarkable creations never enjoyed international exposure. For the casual gamer, keen developer, intrigued reader and hardcore fan alike, Region Locked is the key to a surreal and adventurous journey through the lost world of video games.
