*Knowing Your PSP* Paolo Jose De Luna, 2015-12-26 In today's gaming industry, we can see a lot of things shifting and changing as the years go by. There are a lot of new and great games that come out almost every single year. Game

consoles such as the PlayStation 4 and Xbox One have updates on a regular basis. This also includes the PC which exhibits its supreme power by playing games that are also found on the PS4 and the Xbox One. In this ever changing world known as the gaming industry, there is still one thing that most gamers crave for - playing those triple A game titles on the go. The handheld market is no new face in the gaming industry. For most people, they still remember when Nintendo's Game Boy first came out in 1989. In those times, gaming was still on 8bit graphics. With the ever changing developments in the gaming industry, many improvements have been made. These improvements come in the form of spectacularly realistic graphics and sound, innovative controls and online multiplayer. Almost no one has the luxury to experience these things in the handheld sector of the gaming industry. However, with Nintendo's first attempt of the handheld sector with the Game Boy and their subsequent success with it, have drawn more competitors to this field in the gaming industry. After the success of the Game Boy, Nintendo moved on to their new handheld device called the DS, which also gained some success. The DS later received an upgraded version called the Nintendo 3DS. Of course, Nintendo was on their way to dominate the handheld sector, until Sony came up with their own device to make a great debut in this sector. This device came in the form of the PlayStation Portable (PSP for short). The PSP was by far every handheld gamer's dream device. The PSP's capabilities rivaled that of the early Game Boy and the DS combined. During that time, the PSP was on a brief competition

with Nintendo's 3DS and both have proven to be tough competitors in the handheld sector. In this eBook we will teach you on how to maximize the use of your PSP to the fullest. We will also provide some other information like proper use, maintenance, and many other things. Basically, we are going to teach you on how you can use your PSP to the fullest.

Game History and the Local Melanie Swalwell, 2021-05-24 This book brings together essays on game history and historiography that reflect on the significance of locality. Game history did not unfold uniformly and the particularities of space and place matter, yet most digital game and software histories are silent with respect to geography. Topics covered include: hyper-local games; temporal anomalies in platform arrival and obsolescence; national videogame workforces; player memories of the places of gameplay; comparative reception studies of a platform; the erasure of cultural markers; the localization of games; and perspectives on the future development of 'local' game history. **A Beginners Guide to Using PlayStation TV** Katie Morris, 2014-11-03 So, you're about to welcome the newest addition to the Sony PlayStation device

family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world Dualshock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and

tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!
