**Among Us Guide** Hannah K, 2020-11-16 Among Us is one of the most trending titles as of October and is a game of simple rules. A maximum of eight players take the role of Crewmates and board a ship or space station, trying to find out who are murderous Impostors (one to three in number). Among Us is a murder mystery puzzler, where you play as a group to complete basic tasks around a spaceship. None of these tasks are particularly difficult - though card swiping can be frustrating - As the Crewmates move around the map in Among Us to complete tasks, Impostors try to sabotage and kill them off anonymously. If the latter successfully kills off all the Crewmates without being noticed, then he/she wins the game. Being an Impostor in Among Us requires a lot of deceiving skills, a know-how of the in-game mechanics, and knowledge of the map locations.. We've also got you covered if you want to know the tricks of how to play Among Us, or if you want to know the best

settings for Among Us too.
