Stories of a Polished Pistil Maquita Irvin, 2018-02-02 *Stories of a Polished Pistil: Unpaved* is the second poetry book of the series *Stories of a Polished Pistil*. It unearths the beauty and the uncomfortable truths of love and loss, celebrates uninhibited honesty, femininity, relationships and spirituality, and challenges the word perfection as it relates to the woman's mind, body and experience.

The Polished Hoe Austin Clarke, 2003-09-03 Winner of the 2002 Scotiabank Giller Prize and of the 2003 Commonwealth Writers' Prize: Best Book (Canada and the Caribbean) When an elderly Bimshire village woman calls the police to confess to a murder, the result is a shattering all-night vigil that brings together elements of the African diaspora in one epic sweep. Set on the post-colonial West Indian island of Bimshire in 1952, *The Polished Hoe* unravels over the course of 24 hours but spans the lifetime of one woman and the collective experience of a society informed by slavery. As the novel opens, Mary Mathilda is giving confession to Sargeant, a police officer she has known all her life. The man she claims to have murdered is Mr. Belfeels, the village plantation owner for whom she has worked for more than thirty years. Mary has also been Mr. Belfeels' mistress for most of that time and is the mother of his only son, Wilberforce, a successful doctor. What transpires through Mary's words and recollections is a deep meditation about the power of memory and the indomitable strength of the human spirit. Infused with Joycean overtones, this is a literary masterpiece that evokes the sensuality of the tropics and the tragic richness of Island culture.

Swimming Lessons Claire Fuller, 2017-02-07 An Oprah Editor's Pick and NPR Best Book of the Year From the author of the award-winning and word-of-mouth sensation *Our Endless Numbered Days* comes an exhilarating literary mystery that will keep readers guessing until the final page. Ingrid Coleman writes letters to her husband, Gil, about the truth of their marriage, but instead of giving them to him, she hides them in the thousands of books he has collected over the years. When Ingrid has written her final letter she disappears from a Dorset beach, leaving behind her beautiful but dilapidated house by the sea, her husband, and her two daughters, Flora and Nan. Twelve years later, Gil thinks he sees Ingrid from a bookshop window, but he's getting older and this unlikely sighting is chalked up to senility. Flora, who has never believed her mother drowned, returns home to care for her father and to try to finally discover what happened to Ingrid. But what Flora doesn't realize is that the answers to her questions are hidden in the books that surround her. Scandalous and whip-smart, *Swimming Lessons* holds the Coleman family up to the light, exposing the mysterious truths of a passionate and troubled marriage.

A Polished Soul Mike Rae Anderson, 2014-09-22 Journey into the life of a former Death Penalty offender that served 17 years on a life sentence and is now upward bound into a life of stardom and success.

Our Endless Numbered Days: A Novel Claire Fuller, 2015-03-17 Part fairy-tale, part magic, yet always savagely realistic Claire Fuller's haunting and powerful debut *Our Endless Numbered Days* will appeal to fans of Eowyn Ivey's *The Snow Child* and Christian Baker Kline's *Orphan Train*. Peggy Hillcoat is eight years old when her survivalist father, James, takes her from their home in London to a remote hut in the woods and tells her that the rest of the world has been destroyed. Deep in the wilderness, Peggy and James make a life for themselves. They repair the hut, bathe in water from the river, hunt and gather food in the summers and almost starve in the harsh winters. They mark their days only by the sun and the seasons. When Peggy finds a pair of boots in the forest and begins a search for their owner, she unwittingly begins to unravel the series of events that brought her to the woods and, in doing so, discovers the strength she needs to go back to the home and mother she thought she'd lost. After Peggy's return to civilization, her mother learns the truth of her escape, of what happened to James on the last night out in

the woods, and of the secret that Peggy has carried with her ever since.

Polished Mirror Cyrus Ali Zargar, 2017-11-02 Islamic philosophy and Sufism evolved as distinct yet interweaving strands of Islamic thought and practice. Despite differences, they have shared a concern with the perfection of the soul through the development of character. In *The Polished Mirror*, Cyrus Ali Zargar studies the ways in which, through teaching and storytelling, pre-modern Muslims lived, negotiated, and cultivated virtues. Examining the writings of philosophers, ascetics, poets, and saints, he locates virtue ethics within a dynamic moral tradition. Innovative, engaging, and approachable, this work – the first in the English language to explore Islamic ethics in the fascinating context of narrative – will be a valuable resource for both students and scholars.

Polished Meg Dowell, 2016-05-17 A NOVELLA CONCEPT STORY Summer is supposed to be the best time of year. So why is everything going so wrong? Though Sara is worried about her best friend, she still tries to convince Wes to ask Meredith out on a date. But their friendship starts falling apart when Meredith lashes out at her for no reason. Meanwhile, Reagan's boss is trying to figure out who is stealing bottles of nail polish from his store, while Granger is just trying to make it through the summer in one piece. Everything is going to be fine ... or is it? *POLISHED* is a Novella Concept Story. It's one of twelve novellas I will be writing this year to support charity organizations and those they represent. All royalties earned from online sales of this novella will be donated to NOSTIGMAS, a nonprofit organization dedicated to erasing the stigmas surrounding mental health issues. Special thanks to Hank and John Green. Without you, this idea would never have come to life.

Dirt Mary Marantz, 2020-09-15 *Dirt* is a story about the places where we start. From a single-wide trailer in the mountains of rural West Virginia to the halls of Yale Law School, Mary Marantz's story is one of remembering our roots while turning our faces to the sky. From growing up in that trailer, where it rained just as hard inside as out and the smell of mildew hung thick in the air, Mary has known what it is to feel broken and disqualified because of the muddy scars leaving smudged fingerprints across our lives. Generations of her family lived and logged in those hauntingly treacherous woods, risking life and limb just to barely scrape by. And yet that very struggle became the redemption song God used to write a life she never dreamed of. Mixed with warmth, wit, and the bittersweet, sometimes achingly heartbreaking places we go when we dig in instead of give up, *Dirt* is a story of healing. With gut-wrenching honesty and hard-won wisdom, Mary shares her story for anyone who has ever walked into the world and felt like their scars were still on display, showing that you are braver, better, and more empathetic for what you have survived. Because God does his best work in the muddy, messy, and broken--if we'll only learn to dig in.

We Are the Brennans Tracey Lange, 2021-08-03 **INSTANT NEW YORK TIMES

BESTSELLER** In the vein of Mary Beth Keane's *Ask Again, Yes* and Cynthia D'Aprix Sweeney's *The Nest*, Tracey Lange's *We Are the Brennans* explores the staying power of shame—and the redemptive power of love—in an Irish Catholic family torn apart by secrets. When twenty-nine-year-old Sunday Brennan wakes up in a Los Angeles hospital, bruised and battered after a drunk driving accident she caused, she swallows her pride and goes home to her family in New York. But it's not easy. She deserted them all—and her high school sweetheart—five years before with little explanation, and they've got questions. Sunday is determined to rebuild her life back on the east coast, even if it does mean tiptoeing around resentful brothers and an ex-fiancé. The longer she stays, however, the more she realizes they need her just as much as she needs them. When a dangerous man from her past brings her family's pub business to the brink of financial ruin, the only way to protect them is to upend all their secrets—secrets that have damaged the family for generations and will threaten everything they know about their lives. In the aftermath, the Brennan family is forced to confront painful mistakes—and ultimately find a way forward, together.

Dirty Wars and Polished Silver Lynda Schuster, 2018-09-25 From a former Wall Street Journal foreign correspondent, an exuberant memoir of life, love, and transformation on the frontlines of conflicts around the world Growing up in 1970s Detroit, Lynda Schuster felt certain life was happening elsewhere. And as soon as she graduated from high school, she set out to find it. *Dirty Wars and Polished Silver* is Schuster's story of her life abroad as a foreign correspondent in war-torn countries, and, later, as the wife of a U.S. Ambassador. It chronicles her time working on a kibbutz in Israel, reporting on uprisings in Central America and a financial crisis in Mexico, dodging rocket fire in Lebanon, and grieving the loss of her first husband, a fellow reporter, who was killed only ten months after their wedding. But even after her second marriage, to a U.S. diplomat, all the black-tie parties and personal staff and genteel "Ambassatrix School" grooming in the world could not protect her from the violence of war. Equal parts gripping and charming, *Dirty Wars and Polished Silver* is a story about one woman's quest for self-discovery—only to find herself, unexpectedly, more or less back where she started: wiser, saner, more resolved. And with all her limbs intact.

God's Polished Arrows Frank Clarke, 2024-01-18 Frank and Betty Clarke were rough wooden branches in the hand of a master craftsman who, through their lives of submission and faith, became polished arrows which in turn helped to create thousands more polished arrows as the Dani people of the West Papuan highlands were completely transformed by the Gospel of the Lord Jesus Christ. These memoirs give just a glimpse into the process of this profound transformation. They describe how God uses even what seems like difficult circumstances and family life, and even one's interests and personal quirks, to prepare people to fulfill His ultimate purposes. They emphasize once again that faith and obedience, not ability or human reasoning, is the key to pleasing God and accomplishing His will.

Artificial Intelligence and Literary Creativity Selmer Bringsjord, David Ferrucci, 1999-09-01 Is human creativity a wall that AI can never scale? Many people are happy to admit that experts in many domains can be matched by either knowledge-based or sub-symbolic systems, but even some AI researchers harbor the hope that when it comes to feats of sheer brilliance, mind over machine is an unalterable fact. In this book, the authors push AI toward a time when machines can autonomously write not just humdrum stories of the sort seen for years in AI, but first-rate fiction thought to be the province of human genius. It reports on five years of effort devoted to building a story generator--the BRUTUS.1 system. This book was written for three general reasons. The first theoretical reason for investing time, money, and talent in the quest for a truly creative machine is to work toward an answer to the question of whether we ourselves are machines. The second theoretical reason is to silence those who believe that logic is forever closed off from the emotional world of creativity. The practical rationale for this endeavor, and the third reason, is that machines able to work alongside humans in arenas calling for creativity will have incalculable worth.
