Once that nightmarish form finalized its shape, the envelope shattered, and an aberration was born. As the people prayed for a miracle, a new kind of

human had awoken. It was not long before those who wielded the arcane became worse than the gemstone beasts they slew. The age of the Sorcerers had begun. Captain Siora Fengeros is the ambitious leader of the Blue Roses, a team of imperial knights. After graduating from the academy, they make a name for themselves by protecting the new nation from monsters and magic. The Squad, however, harbours a terrible secret: The Sorcerer Ailuin Aragwyn. With Sorcery outlawed in the empire, he has become an illegal asset that Siora plans to exploit in her climb to the top of a budding Empire. But when their lives are at stake and their tentative friendship is put to the test, is there any line she won't cross? The remastered edition features a new cover done by Richard A.J. Kevis. Featuring a new bonus chapter zero, along with character profiles of the Blue Roses. Additionally, a sneak peek from book two, The Minuet of Sorcery, is also included.

But when Fortune, Ida Belle, and Gertie bag a body on their turkey hunting trip, the quiet enjoyment of fall is over. No one really knew Miles Broussard well, and as he’d recently sold the building his business was in to retire in another state, no one could explain how he’d ended up murdered and dumped in the bayou. Ally Lemarque has been waiting her entire life to open her bakery, and that day finally arrived when she purchased the building from Miles. But when she visits the site late at night and interrupts an intruder, she comes away with a crack on her head and concerns about why someone would break into an empty building. Fortune doesn’t think for a minute that Miles’s murder and the attack on Ally are unrelated. And Swamp Team 3 won’t rest until they’re sure Ally is safe.
