Whitney Strub

Porno? Chic! Brian McNair, 2013 *Porno? Chic!* examines the relationship between the proliferation of pornography and sexualised culture in the West and social and cultural trends which have advanced the rights of women and homosexuals. Brian McNair addresses this relationship with an analysis of trends in sexualised culture since 2002 linked to a transnational analysis of change in sexual politics and sex/gender relations in a range of societies, from the sexually liberalised societies of advanced capitalism to those in which women and homosexuals remain tightly controlled by authoritarian, patriarchal regimes. In this accessible, jargon-free book, Brian McNair examines why those societies in which sexualised culture is the most liberalised and pervasive are also those in which the socio-economic and political rights of women and homosexuals have advanced the most.

Pornocopia Laurence O'Toole, 1998 O'Toole argues that new technologies such as camcorders and the Internet are allowing pornography to emerge from the shadows as an acceptable form of popular entertainment. This critical analysis includes the views of women who make and use porn.

Porno-graphics & Porno-tactics Eirini Avramopoulou, Irene Peano, 2016 *Porno-Graphics and Porno-Tactics* asks whether, and how, it is possible to re-appropriate pornography and think through it critically and creatively for a project of liberation. In the different contributions which make up this deliberately heterogeneous collection of short, non-canonical essays, such quest proceeds by re-articulating the aporias of desire, intimacy, touch and seduction. It also relates them to claims of visibility, visions of emancipation and its failures, as well as to the politics of violence that we get exposed to through circulating images and affects. This is an attempt to exceed the limits set by and for ourselves in relation to how we connect to our own bodies, to the bodies of our lovers and to the bodies of the theories we live with, sleep with and dream about - in short, to all that we get attached to. The editors and contributors of this collection do not claim the euphoric potentiality of pornography as necessarily subversive and emancipatory, but open up to the possibilities of re-shaping it (in textual, contextual, intertextual, but also affective and embodied forms) through different graphic and tactical/tactile inscriptions. On the one hand, authors reflect on definitions and practices of pornography as a genre adopting specific codes and canons, whether it is concerned with sex acts and the industry of porn or with other predominant forms of representation and the structures of power underlying them. On the other hand, chapters relate to the more affective, libidinal, synaesthetic and inter/subjective dimensions of pornography, and on the capacity of different reappropriations to subvert its limits. TABLE OF CONTENTS Introduction. Challenging Pornography, Challenged by Pornography: From Monstrous Tactics to Enactments of Poiesis - Eirini Avramopoulou and Irene Peano Interview with Emilie Juvet - Eirini Avramopoulou, Irene Peano, Adele Tulli Open Letter on Empowerment and Queer Porn - Kathryn Fischer (a.k.a. Mad Kate) A Seductive Intrigue of Sexuality? - Sinan Goknur The Pornographic Everyday - Namita Aavriti Look! But Also, Touch!: Theorizing Images of Trans Eroticism Beyond a Politics of Visual Essentialism - Eliza Steinbock Pornography for Blind and Visually Impaired People: On Tactility and Monstrosity - Elia Charidi A Note on Pornography and Violence - Mantas Kvedaravicius

The Porno Girl Merin Wexler, 2003-06-11 In a collection of stories about women who wrestle with a fear of intimacy, a new mother finds herself inextricably drawn to the local adult store, a mother chooses to have a second child in order to retain her nanny, and a teenage babysitter sleeps with her employer to get closer to his wife. A first collection.

Porno Irvine Welsh, 2002 Simon Sick Boy Williamson (first met in *Trainspotting*) returns to his native Edinburgh. Having failed spectacularly as a hustler, pimp, husband, father and businessman, this time around he's a nascent film director, dreaming of directing and producing a pornographic film.

Porn Studies Linda Williams, 2004 A collection of contemporary work on pornographic film and video, edited by one of the founders of the field.

Porno Irvine Welsh, 2005

Porno! Azimah Rahayu, 2006

Porn After Porn Aa. Vv., 2014-12-19T00:00:00+01:00 After the “digital turn,” expansion of sexual representations has taken shape quantitatively (thanks to the multiplication of production and distribution channels) and qualitatively (giving rise to a plurality of new representational forms). In this context, several social groups – including women and non-normative sexual subcultures – have obtained full citizenship rights within the “pornosphere,” moving beyond their traditional marginalization or, indeed, exclusion. These “nonconventional” pornographies exist in a dialectical relationship with mainstream production in so far as they are at the same time a development and a repudiation of the latter (on an aesthetic, economic and political level). This volume investigates the emergences of alternative pornographies, highlighting their discursive heterogeneity, their cultural status and connections to identities and non-normative practices, and their role in redefining the very idea of pornography. The publication maps the main areas relating to alternative pornographies, such as alt porn, queer pornography, indie porn, post porn, feminist pornography, and amateur porn. With a foreword by Feona Attwood

Immodest Proposals Tom Slattery, 2001-01-15 Out of necessity in frankly covering a murky subject like pornography, this book may occasionally have language that could be offensive to some people. The book explores pornography in a social context that originated with the first clothing and the first language. The exploration continues with the invention of the camera, its offering of new opportunities in pornography, and various legal and social interactions growing out of these. The author explores a hypothesis that interest in pornography has its roots in a debaucher-debauchee dichotomy beginning with civilization, and this generates the spectator fascination, commercial customers, pornography creators, and porno models themselves. Touches on the history of pornography, legal issues raised by pornography, and descriptions of aspects of pornography should enlighten readers to an enormous and real cultural phenomenon lurking below the surface of our contemporary civilization and not without its effects on everyone.

Hard to Swallow Claire Hines, Darren Kerr, 2012-04-03 Even in our increasingly sexualized culture hard-core pornography and the representation of explicit sex is still hard to swallow. This lively and provocative new collection of essays by leading scholars explores screen representations of pornography and sex in a variety of cultural, historical, and critical contexts. Contributions cover a wide range of topics from sex in the multiplex to online alt-porn, from women in stag films to the excesses of extreme pornography, and a variety of contemporary case studies including porn performance, fashion in hard-core, and gay and lesbian pornography.

Porno-Graphics and Porno-Tactics: Desire, Affect, and Representation in Pornography Eirini Avramopoulou,
Porno Chic and the Sex Wars Carolyn Bronstein,Whitney Strub,2016 Placing pornography at the center of the 1970s

Everyday Pornography Karen Boyle,2010-09-13 Public and academic debate about ‘porn culture’ is proliferating. Ironically, what is often lost in these debates is a sense of what is specific about pornography. By focusing on pornography’s mainstream – contemporary commercial products for a heterosexual male audience – Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation. Everyday Pornography presents original work from scholars from a range of academic disciplines (Media Studies, Law, Sociology, Psychology, Women’s Studies, Political Science), introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches. Among the topics explored are: the porn industry’s marketing practices (spam emails, reviews) and online organisation commercial sex in Second Life the pornographic narratives of phone sex and amateur videos the content of best-selling porn videos how the male consumer is addressed by pornography, represented within the mainstream, understood by academics and contained by legislation. This collection places a particular emphasis on anti-pornography feminism, a movement which has been experiencing a revival since the mid-2000s. Drawing on the experiences of activists alongside academics, Everyday Pornography offers an opportunity to explore the intellectual and political challenges of anti-pornography feminism and consider its relevance for contemporary academic debate.

Perversion for Profit Whitney Strub,2013-09-03 Perversion for Profit traces the crucial function of pornography in constructing the New Right agenda, which has emphasized social issues over racial and economic inequality. Whitney Strub vividly recreates the debates over obscenity that consumed ACLU members in the 1950s and revisits the deployment of obscenity charges against purveyors of gay erotica during the Cold War, revealing the differing standards applied to heterosexual and homosexual pornography. He follows the rise of the influential Citizens for Decent Literature during the 1960s and the pivotal events that followed: the sexual revolution, feminist activism, the rise of the gay rights movement, the porno chic moment of the early 1970s, and resurgent Christian conservatism, which currently shapes public policy far beyond the issue of sexual decency. Strub also examines the ways in which the Left failed to mount a serious or sustained counterattack to the New Right's use of pornography as a political tool. As he demonstrates, this failure has put the Democratic Party at the mercy of Republican rhetoric for decades.

E Porno, Tem Porno ? Mariana Baltar,2016-01-28

Ultimate Porno PierNico Solinas,1981 The assistant director of the film Caligula describes its production.

E pornô, tem pornô? Mariana Baltar,2019-01-18T00:00:00+01:00 E Pornô, tem pornô? represents a panorama of the Brazilian porn industry as well as of the burgeoning field of Brazilian porn studies. The anthology covers the historical developments of Brazilian pornography, from the early pornochanchada productions – softcore films that mirrored the highly sexualized Brazilian culture of the 1960s and 1970s with comic and sometimes sarcastic overtones – to the latest strands of contemporary netporn, with a specific focus on women in explicit media. The articles included in this book also represent an overview of a specific area of research that has been growing in Brazilian academia in the last decade and of its theoretical and political implications.

Girlvert Oriana Small,2011 Literary Nonfiction. Memoir. Proclaimed girl-pervert Oriana Small, AKA Ashley Blue, a veritable artist at heart, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically. From accolades to agony, GIRLVERT illuminates the surreality of a life lived beyond all comprehension.If Hemingway had been a porn star, this is how he would have written.--The Nervous BreakdownOriana Small has pushed herself to the outermost extremes of what the body and mind are capable of--all before turning thirty years old--and now she's made it an authentic read for the rest of us to marvel at, elevating the depravity and denial inherent in the pornographic arts to a singular literary experience.--James Frey

Pornography in a Free Society Gordon Hawkins,Franklin E. Zimring,1988 Pornography in a Free Society deals with what has been called the 'civil war over smut'. It addresses an issue about which citizens of Western nations are sharply divided. Gordon Hawkins and Franklin Zimring attempt to look at the problem of pornography in a wider perspective than that of partisan political debate. To that end, they compare two American reports on pornography commissioned by Presidents Johnson and Reagan, the first published in 1970 and the latter in 1986, with the report of the British Committee on Obscenity and Film Censorship, which appeared during the years between the American reports. They discuss the radical feminist challenge to pornography and the question of pornography and children. Going on to consider likely future developments, the authors argue that the furore over pornography and the appointment of commissions are part of a 'ceremony of adjustment' to widespread availability of sexually explicit material and they predict less social concern about pornography as time passes.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Experience Loveis Journey in **Porno** .
