Peculiarities of Behavior - Wandering Mania, Dipsomania, Cleptomania, Pyromania and Allied Impulsive Acts. Wilhelm

Stekel,2021-01-08 This fascinating book contains the first of two volumes written by Wilhelm Stekel pertaining to the peculiarities of human behaviour, with this volume covering such phenomena as wandering mania, dipsomania, kleptomania, pyromania, and other allied impulsive acts. Stekel was a pioneer of the study of human instinct and emotions, which were examined here for the first time in the light of their developmental history. This fascinating and accessible book details far-reaching investigations into the depths of the human soul, perfect for the student of psychology interested in the intricacies of impulsive behaviour. Chapters contained herein include: Instinct, Affect and Impulse; The Impulse to Wander; Flight into Parapathiac delirium; Narcotomania (Drug Addiction); Stealing; and The Sexual Roots of Kleptomania. Wilhelm Stekel (1868 - 1940) was an Austrian psychologist and physician. He was an early follower of the seminal Sigmund Freud, often described as Freud's most distinguished pupil and commonly hailed as one of the founding fathers of modern psychoanalytical methodology. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.

Pyromania Thirteen O'Clock Press,2015-06-09 Dorothy Davies and the crew of imprint Thirteen O'Clock Press present 'Pyromania'. Tales of the hot and hellish pyromaniacs - from human to less than human scorch each page with malice and addicted aforethought. Will you be able to dance through the flames of this terrifying collection and remain unsinged by the time you reach the other side? We highly doubt it.

Pyromania KG Carver,2019-02-21 Crystal Raven, a girl who has had an almost perfect life, will soon discover what she was born for. As she sets out on an adventure to avenge her parents and find her brother, she fights to protect her very being. Along her journey, she will meet many handsome men, some better than others. Crystal is very powerful, and because of this, she is a threat to many. But in reality, she just wants to find her family and live in peace again. Crystal will have to fight her way through many battles to finally win the war.

The Fires René Steinke,2008-07-08 Smoke has as many different scents as skin. Part of the pleasure is not knowing what it will be -- sulfurous or closer to incense or airier and sweeter as I imagine the smell of clouds. Ella is a connoisseur of fire, a woman enthralled by it as other women are by love. She savors the seductive promise of a spark, the caress of a curling wisp of smoke, the all-consuming hunger of a spreading blaze. Ella's heart seethes with a rage that can be spoken only with tongues of flame. In her remarkable first novel, Rene Steinke has created a narrator so lyrical and lucid in her madness as to raise the book to the level of romance. Trapped in a sleepy Indiana town, torn by inner demons that drive her to pyromania and promiscuity, Ella is at once entirely original and unforgettably real. As she struggles to come to terms with her family's tormented past and her own uncertain future, she draws the mesmerized reader ever deeper into her scorched soul, revealing a sensuality that will spiral into final, fiery destruction -- unless it can be quenched by love.

Burned Callie Bardot,2019-11-09 Jackson has two passions: fighting fires and Blaire. One love is deadly and unpredictable while the other is sweet and innocent. Except that Blair has a past that is far from innocent and it is catching up to her in ways she never expected. Even worse, Jackson's heroin-addicted brother threatens to destroy their relationship more than any fire ever could. Fighting fires is something Jackson knows how to handle-he has trained for it and can face down any threat with a clear head. Opening himself up and being vulnerable in a relationship is another matter entirely and he isn't sure how to be totally honest with Blaire about his own rough childhood. When Blaire narrowly escapes a fire that Jackson discovers was started by his own brother, he must choose-turn his back on his brother or lose the only woman he has ever loved.

Touched by Fire Greg Dinallo,2014-07-01 Amid the flames, a killer is waiting . . . Appearances are deceiving when it comes to Dr. Lilah Graham, a

hardworking, uncompromising genetic researcher who is driven by uncontrollable impulses that even she can't understand. When she suddenly becomes the target of a deranged firebomber while studying the link between genetic makeup and violent behavior, her tough outer shell begins to crumble and those around her suspect that something is amiss. Dan Merrick, the lead arson investigator assigned to the case, begins to rule out suspects while also developing an interest in Graham, which eventually leads him to the discovery of a startling past she has never mentioned. When her parents' home is set on fire and her father is killed, Graham is forced to confront her repressed childhood memories of the death of her twin and her own sexual abuse. An inferno of sex and danger, action and desire, *Touched by Fire* is a taut, fast-paced thriller that races to a final, fiery climax.

Warhol Worm 160 I. D. Oro, 2023-01-01 President Pyromaniac's new executive order allows all of the books and print material to burn while being rewritten by the Department of Tomecide. When the books burn then the alternative facts will take over the country and the government will rewrite the past. The government controlled internet, the fake media, and horrible social media influencers tell citizens what to think. Online learning replaces public education as the government bans teachers unions and destroys schools. The party of President Pyromaniac called Government of the Racist (G. O. P.) Party now controls all three branches of the federal government. The Government of the Racist (G. O. P.) Party has two thirds of the state's legislatures behind them thanks to Russian President Vladimir Vladimirovich Putin. President Pyromaniac creates a new federal holiday called Vladimir Putin Decides Day that is celebrated every second Tuesday in November to thank his best friend for his help in the 2016 Presidential Election. A cast of characters must now deal with their new reality. Irmina finds the behavior of two of the members of her book club suspicious. Aurelio has a plan to defeat the boss of his hacker group and get the rest of the members to stop looking for the nuclear codes. Hadleigh meets a mysterious hitchhiker whose story does not add up as they travel across the country. Kylen runs into trouble as he goes to a dangerous neighborhood to conduct a book burning ceremony with his friends. Halle must decide whether to move in with her daughter or move out of the country to follow her dream. Jana does not want to believe that her husband is telling her the truth about her teaching job. Emmalee's life is finally starting to go her way until a friend offers her a new challenge that can upset her life. Arely is given an opportunity to help out her country by developing a fake flu vaccine in Taiwan to destroy China and allow its annexation. Novalie must deal with her odd family and their lack of support for her passion in life. (Word Count 72,271)

Warhol Worm 162 I. D. Oro, 2024-01-01 Aurelio has a plan to defeat Reagan, the boss of his hacker group, Warhol Worm. Reagan wants to use nuclear weapons to regain the rights from the United States of America Constitution of 1787 which President Pyromaniac had managed to replace. Aurelio wants to get the rest of the members to stop looking for nuclear codes. Getting the nuclear codes from President Pyromaniac was easy, but now he has to prevent anyone else from getting them. Unleashing a nuclear war to destroy the planet is not going to be good for humanity, he realizes. Aurelio manages to convince Emmalee to challenge Reagan for control of Warhol Worm. Aurelio comes up with an idea to unleash a computer virus that will affect all of the members of the Government of the Racist (G. O. P.) Party. The problem is that the computer virus detection program keeps stopping his computer viruses. Along the way, he meets a mysterious character who can help him out. Aurelio falls in love with Irmina. The problem is that she is not interested in him. Now he had to think of a way to talk to her. Irmina challenges Reagan for control of the group and Aurelio must now train her to defeat him. Will she defeat Reagan?
