Bottom of the Pot Naz Deravian, 2018-09-18 Winner of The IACP 2019 First Book Award presented by The Julia Child Foundation Like Madhur Jaffrey and Marcella Hazan before her, Naz Deravian will introduce the pleasures and secrets of her mother culture's cooking to a broad audience that has no idea what it's been missing. America will not only fall in love with Persian cooking, it'll fall in love with Naz." - Samin Nosrat, author of *Salt, Fat, Acid, Heat: The Four Elements of Good Cooking* Naz Deravian lays out the multi-hued canvas of a Persian meal, with 100+ recipes adapted to an American home kitchen and interspersed with Naz's celebrated essays exploring the idea of home. At eight years old, Naz Deravian left Iran with her family during the height of the 1979 Iranian Revolution and hostage crisis. Over the following ten years, they emigrated from Iran to Rome to Vancouver, carrying with them books of Persian poetry, tiny jars of saffron threads, and always, the knowledge that home can be found in a simple, perfect pot of rice. As they traverse the world in search of a place to land, Naz's family finds comfort and familiarity in pots of hearty aash, steaming pomegranate and walnut chicken, and of course, tahdig: the crispy, golden jewels of rice that form a crust at the bottom of the pot. The best part, saved for last. In *Bottom of the Pot*, Naz, now an award-winning writer and passionate home cook based in LA, opens up to us a world of fragrant rose petals and tart dried limes, music and poetry, and the bittersweet twin pulls of assimilation and nostalgia. In over 100 recipes, Naz introduces us to Persian food made from a global perspective, at home in an American kitchen.

Pot Stories for the Soul Paul Krassner, 2012-05-18 The pieces in *Pot Stories for the Soul* are funny, whimsical, bizarre, poignant, informational, shocking, and, yeah, soulful. They are about love, hate, escape, reality, the paranormal, Allen Ginsberg, Ken Kesey, Michelle Phillips, Hunter Thompson, Abbie Hoffman, Wavy Gravy and peanut butter. Ultimately, these stories reveal the wide, weird, and wonderful subculture of stoners, where the reefers are mad, the joints are fat, and the buzz lasts for six-and-a-half days. Mainstream America has had an uneasy relationship with marijuana. Once a legal substance, the 1930s saw a massive campaign against the Devil's Harvest that led to pot being rendered illegal. In the 1960s, marijuana became one of the defining elements of the counterculture before once again being shunted to the sidelines. Over the last decade, however, marijuana has gone mainstream and has been the topic of seminars, expos, concerts, comedy routines, movies, TV shows, and college courses across the country. Originally published by *High Times* in 1999, *Pot Stories for the Soul* won the Firecracker Alternative Book Award and also became a Quality Paperback Book Club selection. This brand-new edition includes several new essays by Paul Krassner, plus his foreword, his afterword, and the evolution of cannabis sanity in between.

Anansi fills it again and again with his favourite red-red stew, and eats so much that he feels sick. Will he learn to share this wonderful gift? This charming retelling of a West African story teaches readers about the dangers of greed, and the importance of being kind. The Empty Pot Demi, 2007-10-16 The Empty Pot is Demi's beloved picture book about an honest schoolboy. A long time ago in China there was a boy named Ping who loved flowers. Anything he planted burst into bloom. The Emperor loved flowers too. When it was time to choose an heir, he gave a flower seed to each child in the kingdom. Whoever can show me their best in a year's time, he proclaimed, shall succeed me to the throne! Ping plants his seed and tends it every day. But month after month passes, and nothing grows. When spring comes, Ping must go to the Emperor with nothing but an empty pot. Demi's exquisite art and beautifully simple text show how Ping's embarrassing failure is turned triumphant in this satisfying tale of honesty rewarded. An IRA-CBC Children's Choice. An American Bookseller Pick of the Lists.

Art & Fear David Bayles, Ted Orland, 2023-02-09 'An essential text for anyone who wants to start making art and not stop. One of those rare books - like *The Artist's Way* and *Writing Down the Bones* - to keep close by for courage and company.' - Tanya Shadrack, author of *The Cure for Sleep* and creator of *The Wild Patience Scrolls: A Mile of Writing Art & Fear* is about the way art gets made, the reasons it often doesn't get made, and the nature of the difficulties that cause so many artists to give up along the way. Drawing on the authors' own experiences as two working artists, the book delves into the internal and external challenges to making art in the real world, and shows how they can be overcome every day. First published in 1994, *Art & Fear* quickly became an underground classic, and word-of-mouth has placed it among the best-selling books on artmaking and creativity. Written by artists for artists, it offers generous and wise insight into what it feels like to sit down at your easel or keyboard, in your studio or performance space, trying to do the work you need to do. Every artist, whether a beginner or a prizewinner, a student or a teacher, faces the same fears - and this book illuminates the way through them.

It's Just a Plant Ricardo Cortés,2020-04-22 A beautifully illustrated picture book that gives parents a way to discuss marijuana with children without encouraging them to use it. It's Just a Plant follows the journey of a young girl named Jackie, who becomes curious about cannabis after she discovers her parents smoking a joint in their bedroom. Jackie's education about marijuana includes visits to several members of her community, including a farmer who cultivates the plant and a doctor who advises that cannabis should only be used by adults...Cortés' book offers an opportunity for parents to discuss many aspects of the conversation around marijuana. --High Times Part of a growing category of books that attempt to explain difficult and complex topics to children, simply. Whether you're looking at Death Is Stupid, by Anastasia Higginbotham, or A is for Activist, by Innosanto Nagara, children's fiction is much less likely to shy away from topics that were previously reserved for those considered to be 'adults,' or to cloud those topics in euphemisms. --Literary Hub, selected by Molly Odintz for LitHub Recommends As controversial as the topic may seem for a kids' book, [Cortés is]...right. It's crucial for parents to be open and educate their kids about marijuana (and any other drugs, really) in a factual, non-judgmental way--especially if parents are using themselves. After all, keeping drugs' existence a mystery is only going to spark curious kids' interests further. --SheKnows With more home schooling taking place due to COVID-19, Ricardo Cortés hopes It's Just a Plant can spark family-friendly cannabis education. --Mugglehead We've all heard the sentiment that the more we keep our kids away from something and paint it as 'dangerous' or 'bad,' the more likely they are to be interested in whatever that is. The same can be said for conversations like his--if we avoid or brush off any questions relating to marijuana for our kids, they're going to get the information from somewhere and it just feels a whole lot safer knowing they're getting the right information from you--or a book like this. --Fatherly Absolutely 'kid friendly' in tone, organization and presentation, It's Just a Plant: A Children's Story about Marijuana is especially recommended for family, preschool, elementary school, and community library...collections. --Midwest Book Review It's Just a Plant is a children's book that follows the journey of a young girl as she learns about the marijuana plant from a cast of characters including her parents, a local farmer, a doctor, and a police officer. Marijuana can be hard to talk about. Many parents have tried it, millions use it, and most feel awkward about disclosing such histories (often ducking the question), for fear that telling kids the truth might encourage them to experiment too. Meanwhile, the drug facts children learn in school can be more frightening than educational, blaming pot for everything from teenage pregnancy to terrorism. A child's first awareness of drugs should come from a better source. It's Just a Plant is a story for parents who want to discuss the complexities of pot with their kids in a thoughtful, fact-oriented manner. The book also features an afterword by Marsha Rosenbaum, PhD, founder of the Safety First Project for drug education and director emerita of the San Francisco office of the Drug Policy Alliance, the nation's leading organization working to end the war on drugs.
