Stories that Move Mountains Martin Sykes,A. Nicklas Malik,Mark D. West,2012-12-17 Learn how to use stories and visuals to make top-notch presentations It's called CAST (Content, Audience, Story, & Tell) and it's been a quiet success, until now. Developed over a twelve year period as a presentation method to help Enterprise Architects, it was adopted by Microsoft Enterprise Architecture teams and filtered from IT managers to Sales, and beyond to major organizations around the world. Now, thanks to this unique book from an expert author team that includes two Microsoft presentation experts, you can learn how to use this amazing process to create and make high-impact presentations in your own organization. The book helps you build complete visual stories, step by step, by using the CAST method to first create a Story Map and from there, a compelling presentation. It includes sample Story Maps, templates, practical success stories, and more. You'll discover how to go beyond PowerPoint slides to create presentations that influence your peers and effect change. Explains the secrets of making presentations and effecting change using CAST to create Story Maps and from there, high-impact and visual presentations that tell a story Covers how to apply a range of techniques and what the results look like, using screenshots of presentations, one page hand outs, and basic delivery with whiteboards Coauthored by Microsoft experts and a visual design guru who have years of experience training professionals in these methods Includes sample Story Maps, templates, practical success stories, and more Learn how to sell your ideas and trigger change in your company with Stories That Move Mountains: Storytelling and Visual Design for Persuasive Presentations.

Beyond Bullet Points Cliff Atkinson,2018-03-15 Beyond Bullet Points, Fourth Edition "Throw away those room-emptying, left-brain slides-and use Atkinson's book to turn your PowerPoint presentation into an epic." -Daniel H. Pink, author of Drive and A Whole New Mind Think beyond bullet points-and amplify the impact of your message! Now in its fourth edition, this popular classic illuminates an innovative, step-by-step methodology designed to unlock the amazing visual story waiting to be released from your message. Communications expert Cliff Atkinson shows how to apply classic storytelling tenets and practical, research-based guidelines as you work with Microsoft PowerPoint-for memorable, meaningful, and persuasive visual stories. Change your approach-and transform your results! Find your story thread Create an emotional connection to increase your impact. Cut through the clutter Distill your message and get right to the point. Bring your story to life Storyboard your ideas, find your natural voice, and deliver a compelling presentation!

Resonate Nancy Duarte,2013-07-02 Reveals the underlying story form of all great presentations that will not only create impact, but will move people to action Presentations are meant to inform, inspire, and persuade audiences. So why then do so many audiences leave feeling like they've wasted their time? All too often, presentations don't resonate with the audience and move them to transformative action. Just as the author's first book helped presenters become visual communicators, Resonate helps you make a strong connection with your audience and lead them to purposeful action. The author's approach is simple: building a presentation today is a bit like writing a documentary. Using this approach, you'll convey your content with passion, persuasion, and impact. Author has a proven track record, including having created the slides in Al Gore's Oscar-winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don't have to be boring ordeals. You can make them fun, exciting, and full of meaning. Leave your audiences energized and ready to take action with Resonate.

Presenting to Win Jerry Weissman,2008-11-17 Thirty million presentations will be given today. Millions will fail. Millions more will be received with yawns. A rare few will establish the most profound connection, in which presenter and audience understand each other perfectly...discover common ground... and, together, decide to act. In this fully updated edition, Jerry Weissman, the world's #1 presentation consultant, shows how to connect with even the toughest, most high-level audiences...and move them to action! He teaches presenters of all kinds how to dump those PowerPoint templates once and for all and tell compelling stories that focus on what's in it for the audience. Weissman's techniques have proven themselves with billions of dollars on the line. Thousands of his elite clients have already mastered them. Now it's your turn! • What you must do to tell your story Focus before Flow: identifying your real goals and message • The power of the WIIFY: What's In It For You Staying focused on what your audience really wants • Capture your audience in 90 seconds... and never let go! Opening Gambits and compelling linkages • Master the art of online Web conferencing Connecting with your invisible audience • From brainstorming through delivery Crafting the Power Presentation, one step at a time Named by FORTUNE Magazine as a Must-Read Jerry Weissman makes the challenge of producing and delivering effective presentations delightfully simple. Read it and benefit! Tim Koogle,Founding CEO, Yahoo! "A great read for all of us who have ever struggled with any aspect of our public speaking skills. Presenting to Win contains the same timeless techniques that helped me [18] years ago." Jeff Raikes, former President, Microsoft Business Division, Microsoft Corporation, and CEO, Bill and Melinda Gates Foundation "Jerry is The Man when it comes to making great pitches. If your pitch doesn't get a whole lot better after reading this book, something is wrong with you." Guy Kawasaki, Managing Director and Chairman, Garage Technology Ventures, and bestselling author of The Art of the Start "Presenting to Win is the shortest path to applause for any presenter. It will be your bible for the PowerPoint Age. It's loaded with easy actions and real examples that really work. I've used them. I know." Scott Cook, Founder, Intuit

Storytelling with Data Cole Nussbaumer Knafllic,2019-10-09 Influence action through data! This is not a book. It is a one-of-a-kind immersive learning experience through which you can become-or teach others to be-a powerful data storyteller. Let's practice! helps you build confidence and credibility to create graphs and visualizations that make sense and weave them into action-inspiring stories. Expanding upon best seller storytelling with data's foundational lessons, Let's practice! delivers fresh content, a plethora of new examples, and over 100 hands-on exercises. Author and data storytelling maven Cole Nussbaumer Knafllic guides you along the path to hone core skills and become a well-practiced data communicator. Each chapter includes: ● Practice with Cole: exercises based on real-world examples first posed for you to consider and solve, followed by detailed step-by-step illustration and explanation ● Practice on your own: thought-provoking questions and even more exercises to be assigned or worked through individually, without prescribed solutions ● Practice at work: practical guidance and hands-on exercises for applying storytelling with data lessons on the job, including instruction on when and how to solicit useful feedback and refine for greater impact The lessons and exercises found within this comprehensive guide will empower you to master-or develop in others-data storytelling skills and transition your work from acceptable to exceptional. By investing in these skills for ourselves and our teams, we can all tell inspiring and influential data stories!

Storytelling and Market Research C. Frederic John,2021-11-10 Showing how market researchers can get a seat at the decision-making table, this book is the essential guide to mastering storytelling techniques that can dramatically enhance the impact of research reports and presentations, commanding full audience engagement and buy-in. While demand for storytelling in marketing research reports and presentations has mushroomed in recent years, there can be confusion about what decision-makers mean by stories. Leading market research expert C. Frederic John eliminates this confusion by defining four specific types of story in the business arena, and providing a series of how-to guides for generating effective solutions when communicating learning and other information. This book is the first to emphasize the needs of the report reader or presentation audience. Drawing on examples from ancient and modern literature, drama, opera, and other arts, this book will help today's (and

tomorrow's) market research professionals to thrive in a world demanding insights, real-world recommendations, and more relevant deliverables.

Storytelling with Data Cole Nussbaumer Knafllic, 2015-10-09 Don't simply show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

Finding Your Research Voice Itai Cohen, Melanie Dreyer-Lude, 2020-03-13 Learning to tell a compelling research story can have a significant impact on your career. It can make you stand out at professional conferences, on the job market, or during an ideal networking opportunity. It is easy to tell a research story badly. It takes time and effort to learn to tell a research story well. This compact and engaging volume presents a series of techniques followed by theatre-inspired, field tested exercises that will help you improve your research presentations. Once you've learned how to create a dynamic live performance of your research story, you may find that this professional obligation is no longer something to dread, and may even become a highlight of your research experience.

Presentation Zen Garr Reynolds, 2009-04-15 FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making slide presentations in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Storytelling contigo. Planificar, crear y hacer una presentación estelar Cole Nussbaumer Knafllic, 2023-05-18 Desempeñas un papel fundamental al compartir tu información, sin importar si debes hacer una presentación en una reunión o un discurso de apertura en un estrado o solo conversas con tus colegas sobre tu último proyecto; únicamente depende de ti que las personas se involucren, entiendan y tomen partido. En Storytelling contigo, Cole Nussbaumer Knafllic, exitosa autora y conferenciante de renombre mundial, nos enseña a desarrollar historias y a contarlas con destreza; revela los secretos que hicieron que una autodenominada «introvertida» se convirtiera en una cotizada presentadora, a través de las lecciones de esta poderosa y práctica guía. El viaje comienza construyendo las bases de una comunicación efectiva: comprender el mensaje y los intereses de la audiencia. Luego hay que transformar las ideas en historias convincentes y crear un contenido que las ilustre. Una vez definido el material, se deben explorar las estrategias necesarias para perfeccionarlo y exponerlo con seguridad y de este modo realizar presentaciones estelares. Da voz a tu trabajo y amplifica su impacto comunicándolo de modo que los demás quieran escucharlo y actuar en consecuencia: Storytelling contigo te ayudará a conseguirlo.

The Power of Data Storytelling Sejal Vora, 2019-04-30 The first-of-its-kind book on data story telling set in the Indian context by an Indian author. The Power of Data Storytelling is a book that aims to solve the classic dilemma of—How do I make company data interesting and present it in the form of a great data story for today's time-crunched professionals. The book focuses on various methods of converting dry facts and figures into interesting characters, events and relaying them in the form of a story to enable company's decision-making. The book covers all data story related aspects—art of storytelling, building, writing and visualizing. The book reflects practical corporate examples from varied fields and how data storytelling enabled the decision-making process. It does not require knowledge of sophisticated tools and introduces new, simple and application-oriented methods at every stage to take data storytelling forward. The book has wide application across industries and organizations with data sets that are big and small. It has explanatory written and visual examples at every discussion which makes it less theoretical

and more practically applicable.

Surviving in the Field of International Arbitration: War Stories and Lessons Learned José María de la Jara,Carolina Arroyo,Álvaro Awad,2020-09-29 For young lawyers and students contemplating a career in international arbitration, understanding what it takes to be successful in the field can seem hidden and mysterious. Here is a book that, in a thoroughly engaging way, unlocks the black box and democratizes access to advice and information via short personal chapters by leading practitioners. Each chapter appears in both English and Spanish. Over forty of the most renowned names in arbitration worldwide offer reflections on life as an arbitration practitioner, highlighting such career opportunities and potential stumbling blocks as the following: balancing work and life; managing coexistence challenges in firms (e.g., the rat race, bullying, burnout, discrimination); preparing for a job interview; promoting disruptive innovation; arbitrating for the State; participating in deliberations; writing arbitral awards; handling dissenting opinions; and developing a personal brand The authors’ exploration of everything from academic work and practical experiences to how they have managed personal pressures will be greatly appreciated by all who seek to thrive in the arbitration market, whether in practice or academia. As an extraordinary compilation about what happens behind the scenes in the international arbitration world, this book will quickly become an essential consultation resource illuminating what it takes to succeed in the field and how best to achieve a meaningful and rewarding career. Its personal success stories reveal what practice in this area of law actually looks like and brilliantly demonstrate ways to foster career development.
