With shades of *Serial* and *Making a Murderer* this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood*! A Narrative Biography of Horacio Quiroga, the Lone Anarchist Wilson Alves-Bezerra, 2023-10-16 This book is a unique and definitive biography in English of the Uruguayan-Argentinian short story writer Horacio Quiroga (1878-1937), known as the Latin-American Poe. Written in amusing prose and with an academic background, which can be an important reference for the public in general as well as to Latin American literature researchers all over the world, it is an up-to-date, narrative biography by a Brazilian writer and researcher who has dedicated the last twenty years to Quiroga's translation and research. The research uses several unknown or lesser-known documents as well as newspapers and magazines from the beginning of the 20th century, found in libraries and archives in Argentina, Brazil, Germany, and Uruguay. The book is written against a contemporary background, and focusses on the humanization of Quiroga and the participation of, until now, marginalized women in his personal and public life, such as Alfonsina Storni and Norah Lange, allowing the construction of an image which is less monumental and more complex in its contradictions.

Identity and History in Non-Anglophone Comics Harriet E.H. Earle, Martin Lund, 2023-04-24 This book explores the historical and cultural significance of comics in languages other than English, examining the geographic and linguistic spheres which these comics inhabit and their contributions to comic studies and academia. The volume brings together texts across a wide range of genres, styles, and geographic locations, including the Netherlands, Colombia, Greece, Mexico, Poland, Finland, Portugal, Ireland, and the Czech Republic, among others. These works have remained out of reach for speakers of languages other than the original and do not receive the scholarly attention they deserve due to their lack of English translations. This book highlights the richness and diversity these works add to the corpus of comic art and comic studies that Anglophone comics scholars can access to broaden the collective perspective of the field and forge links across regions, genres, and comic traditions. Part of the Global Perspectives in Comics Studies series, this volume spans continents and languages. It will be of interest to researchers and students of comics studies, literature, cultural studies, popular culture, art and design, illustration, history, film studies, and sociology.
