**The Mystery of Leadership** Casey Bedgood,2022-07-06 Is leadership a mystery? Do leaders really understand the value, risk, and reality of the leadership brand? Or is leadership an illusion where ignorance is bliss? The purpose of this book is to unveil the mystery of leadership. Leadership is a risky proposition and not as easy as it seems. In naivety, leaders or those aspiring often are misguided by the perception of the pot of gold at the end of the leadership rainbow. With time, they quickly realize that leadership is costly, has consequences for others, and is riddled with challenges. Thus, what leaders don't know they will harm them and others eventually. In *The Mystery of Leadership (Unlocking the Code to Value, Risk, and Leadership Illusions)*, readers will learn: How to find and leverage the leadership voice. The importance of timing and the value of waiting. The cost of being a sage and choosing an authentic leadership brand. The illusion of leadership political capital. How to assemble the right leadership room, set goals, and identify effective leaders for the optimal team. The cost of being a leadership watchman. How to recover from leadership falls and weather leadership storms.

*Praising Through The Storm* Abi Solebo,2021-03-15 Not often do you have folks share their personal experiences these days. The dearth of relatable truth is partially due to the impressionable appetite that has enslaved many. Wanting to look perfect and having no problems. These factors make this book a deviant of its time. Abiodun, following through with an inspiration from God, bare her pains and scribbled her arguably, worst moment in life in the words of this book so as to help someone out there on how you can obtain strength in the face of your tumult. Jesus says my peace I leave with you Jhn 14:27, 16:33. His peace isn't the absence of troubles, it is the God given inner tranquility you have in the face of external chaos. Abiodun entered into peace at some point in her predicament. This peace has to be allowed. It is a choice and not a burden Jesus imposes on us. I have known Abiodun for over 2 decades. I was her Pastor in the early years of her Christian development. Her conversion to relationship with Christ was such a dramatic and supernatural encounter, it leaves no doubt as to her salvation. I fondly remember her for her deep hunger and love for God. She has remained a diligent student of the scriptures serving her Lord with a sacred sense of love and duty. This book will surely help and strengthen you especially if and when you face a situation that challenges the very root of your faith in Christ. Indeed there is a whisper that you can hear louder than the noise made by your troubles, there is a song you can sing louder than the tear of anguish. Be blessed as you discover.

Through the Storm John Ringo,Lydia Sherrer,2023-11-07 Augmented Reality game Transdimensional Hunter seems too real for comfort as the world of the game merges with reality. Now, teenage game prodigy Lynn Raven will have to conquer the game or be destroyed by it. REALITY BITES—AND IT HAS BIG TEETH Becoming a global celebrity overnight would make most people happy. Not Lynn Raven. As a teenage gaming prodigy, she's enjoyed years of anonymity behind the virtual mask of Larry Coughlin, war-hardened vet and virtual gaming mercenary. But now Lynn has stepped out of the shadows to compete in the cutting-edge augmented reality game TransDimensional Hunter that has taken the world by storm. And she's winning. But with success has come swarms of paparazzi drones, jealous teammates, and a backstabbing rival team that will use any trick in the book to ruin her. Then there's the game itself. At times, the "augmented" reality seems too real for Lynn's comfort, and strange accidents keep happening. Something is going on; she just has to figure out what. Lynn would much rather fight monsters than do paparazzi interviews, but somehow she'll have to master both—and pass her senior year to boot. She managed to step into the real, but will the storm of reality now defeat her for good? At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for *Into the Real*: "The disturbing realism is balanced by dangerous monsters, clever tactics, explosive action, and a compelling twist at the end . . . immersive, highly technical near-future sf; perfect for dedicated gamers or for fans of Ernest Cline's *Ready Player One*." —Library Journal "I found myself enjoying the story and Raven's relationship with the AI that's her guide in the game, and I was invested throughout. It wasn't so much a coming-of-age story as a growing into and appreciating one's own skin . . . I'm really looking forward to how things will play out from here." —The Magazine of Fantasy & Science Fiction "Ringo and Sherrer have created a modern day Ender's Game using the technology of Pokémon Go . . . The characters are vivid and interesting, and the action is strong enough to carry you along." —Upstream Reviews "The futuristic world of the gamers and the game itself will interest sf readers. . . . YA: Teens will relate to Lynn, the main character, and if they are gamers, they will enjoy her gamer and VR adventures." —Booklist Praise for John Ringo: ". . . the thinking reader's zombie novel . . . Ringo fleshes out his theme with convincing details . . . the proceedings become oddly plausible." —Publishers Weekly on *Under a Graveyard Sky* "[Ringo's work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse." —Library Journal ". . . practically impossible not to read in one sitting . . . exceedingly impressive . . . executed with skill, verve, and wit." —Booklist "Crackerjack storytelling." —Starlog
