The Color Purple Alice Walker, 2011-09-20 The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching-yet intensely uplifting-experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

Smoke on the Water Dave Thompson, 2004 It is now 35 years since Deep Purple first came together and today -- 14 musicians, 17 albums, and millions of record sales later -- the group remains a monster. Smoke on the Water is the first book in more than 20 years to tell the story of this remarkable band, from their grandiose inception in 1968 to the release of their latest album in 2003. Drawing from candid interviews with band members, associates, and fans alike, it traces the group through some of the most turbulent times that any band has survived, placing the band's own music in vivid context and illustrating just how profoundly this one group helped change the world.

In Search of The Color Purple Salamishah Tillet, 2021-01-12 Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, The Color Purple Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for The Color Purple. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. The Color Purple received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading The Color Purple at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, In Search of The Color Purple is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender

politics.

My Purple Scented Novel Ian McEwan, 2018-06-19 A jewel of a short story from the bestselling, award-winning author of *Atonement*—"My Purple Scented Novel" follows the perfect crime of literary betrayal, scrupulously wrought yet unscrupulously executed. Published to celebrate Ian McEwan's 70th birthday. "You will have heard of my friend the once celebrated novelist Jocelyn Tarbet, but I suspect his memory is beginning to fade. . . . You'd never heard of me, the once obscure novelist Parker Sparrow, until my name was publicly connected with his. To a knowing few, our names remain rigidly attached, like the two ends of a seesaw. His rise coincided with, though did not cause, my decline. . . . I don't deny there was wrongdoing. I stole a life, and I don't intend to give it back. You may treat these few pages as a confession."

The Purple Teddy Bear Janie Tesch-Cassady, 2015-10-27 With black button eyes, a little black nose, and a blue ribbon around his neck, Teddy looks a lot like the other teddy bears who are waiting in Santa's workshop for their new homes. But instead of being black, brown, or white like most bears, Teddy is the one and only purple bear.

The Purple Swamp Hen and Other Stories Penelope Lively, 2018-05-08 A glimmering collection of new short fiction from the Booker Prize winner. "Lively writes with an astringent blend of sympathy and detachment, emotional wisdom and satiric wit." —Michiko Kakutani, *The New York Times* In such acclaimed novels as *The Photograph*, *Family Album*, and *How It All Began*, Penelope Lively has captivated readers with her singular blend of wisdom, elegance, and humor. Now, in her first story collection in decades, Lively takes up themes of history, family, and relationships across varied and vividly rendered settings. In the title story, a Mediterranean purple swamp hen chronicles the secrets and scandals of Quintus Pompeius's villa, culminating with his narrow escape from the lava and ash of Vesuvius. "Abroad" captures the low point of an artist couple's tumultuous European road trip, trapped in a remote Spanish farmhouse and forced to paint a family mural and pitch in with chores to pay for repairs to their broken-down car. Other stories reveal friends and lovers in fateful moments of indiscretion,

discovery, and even retribution—as in “The Third Wife,” when a woman learns her husband is a serial con artist and turns a house-hunting trip into an elaborately staged revenge trap. Each of these delightful stories is elevated by Lively’s signature graceful prose and eye for the subtle yet powerfully evocative detail. Wry, charming, and keenly insightful, *The Purple Swamp Hen and Other Stories* is a masterful achievement from one of our most beloved writers.

The Purple Lady (A Corbilina Story) Dorothy M. Pritchett, 2012-08-28 The language children hear is too often one of hate, anger, and prejudice. Corbilina, a little fairy, teaches children a valuable lesson by introducing them to another language—one of compassion and kindness. This language is called heart language. In this story, Corbilina, who has no voice, shows a young child and her grandmother how kindness transforms sadness whenever you listen with respect. Children learn how actions, not just words, demonstrate compassion. Corbilina encourages kindness to the environment by leaving heart shapes in nature, which remind children and adults to value Planet Earth. Children will not only enjoy the story but will engage their imaginations when they answer creative questions at the end of the story. These questions open the door for conversations to build self-esteem and to encourage greater awareness and concern for the needs of others.

Cadbury’s Purple Reign John Bradley, 2011-02-23 A unique expose of the Cadbury story, providing an unprecedented insight into the makings of an iconic brand. *Cadbury’s Purple Reign* for the first time tells the in-depth story and definitive history of the Cadbury brand, and how it came to be the world’s pre-eminent chocolate brand. It presents a no holds barred account of the rollercoaster ride the organization has experienced that has, ultimately, led to its success. It is a story of endurance, where, in the UK, Cadbury is a clear market leader. This fascinating journey that has been the history of Cadbury makes it an ideal example with which to illuminate the story of consumerism. heart of the brand. Harnessing the miracles of the Industrial and Transportation Revolutions to drive explosive growth Industry consolidation via mergers and acquisitions to cement critical mass A radical approach to harnessing the potential of its workforce to create the most effectively run company in Britain The virtuous circle of economies of scale which slashed prices and brought chocolate to the masses Innovative marketing and selling approaches that put the Cadbury brand into not just the minds of consumers, but their hearts. Illustrated with fact, anecdote and beautiful images from previously archived material, this book provides the reader with an unprecedented insight into one of the world's most iconic brands. These insights will help any consumer business that aspire to build longevity for their brand with lessons on how to better endear itself to consumers, and how to turn that relationship into profitable sales. The book has the full backing from Cadbury and chairman Sir John Sunderland provides the foreword.

My Purple Yearning. Life is a Story - Story.one Susi Mora, 2023-08-22

The Purple Book, Updated Edition Rice Broocks, Steve Murrell, 2017-08-15 In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, because it was well built (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.

The Carrot Purple and Other Curious Stories of the Food We Eat Joel S. Denker, 2015-10-01 How many otherwise well-educated readers know that the familiar orange carrot was once a novelty? It is a little more than 400 years old. Domesticated in Afghanistan in 900 AD, the purple carrot, in fact, was the dominant variety until Dutch gardeners bred the young upstart in the seventeenth century. After surveying paintings from this era in the Louvre and other museums, Dutch agronomist Otto Banga discovered this stunning transformation. The story of the carrot is just one of the hidden tales this book recounts. Through portraits of a wide range of foods we eat and love, from artichokes to strawberries, The Carrot Purple traces the path of foods from obscurity to familiarity. Joel Denker explores how these edible plants were, in diverse settings, invested with new meaning. They acquired not only culinary significance but also ceremonial, medicinal, and economic importance. Foods were variously savored, revered, and reviled. This entertaining history will enhance the reader's appreciation of a wide array of foods we take for granted. From the carrot to the cabbage, from cinnamon to coffee, from the peanut to the pistachio, the plants, beans, nuts, and spices we eat have little-known stories that are unearthed and served here with relish.

The Purple Bicycle Stacey David, 2019-04-03 One of the first true freedoms you experience as a kid growing up is your first bike. It becomes your transportation to explore the world... or at least the local neighborhood! All the kids in my neighborhood had bikes, and we roamed like packs of unwashed hooligans with torn jeans and bloody knees. We stuffed playing cards in our spokes and chewed on black licorice sticks as we rode around looking for the next jumping contest to break out. It was magic! But to a kid, a bike is more than transportation, it becomes an extension of your personality. Everybody's bike was as unique as the person who rode them. Stingrays, 10 speeds, mountain bikes, BMX, cruisers... everybody had something a little different, and they all had their strengths and weaknesses. This is where the idea for the PURPLE BICYCLE came from. Just as a bike might wish it had the abilities of a different make or model, so might a person tend to overlook how truly unique God has created each one of us and long for someone else's gifts and talents, color, or ethnicity because they seem better than ours. It's a simple story, but one we all need to be reminded of from time to time.
