

Qu

Jan A. Aertsen, Andreas Speer

Made in China Anna Qu,2022-08-02 Editors' Choice, The New York Times Book Review "The immigrant child longs to be understood and unload her truths, while simultaneously being tasked with preserving her parents' humanity. . . Qu. . . honor[s] these complexities." —Chanel Miller, The New York Times Book Review A young girl forced to work in a Queens sweatshop calls child services on her mother in this powerful debut memoir about labor and self-worth that traces a Chinese immigrant's journey to an American future. As a teen, Anna Qu is sent by her mother to work in her family's garment factory in Queens. At home, she is treated as a maid and suffers punishment for doing her homework at night. Her mother wants to teach her a lesson: she is Chinese, not American, and such is their tough path in their new country. But instead of acquiescing, Qu alerts the Office of Children and Family Services, an act with consequences that impact the rest of her life. Nearly twenty years later, estranged from her mother and working at a Manhattan start-up, Qu requests her OCFS report. When it arrives, key details are wrong. Faced with this false narrative, and on the brink of losing her job as the once-shiny start-up collapses, Qu looks once more at her life's truths, from abandonment to an abusive family to seeking dignity and meaning in work. Traveling from Wenzhou to Xi'an to New York, *Made in China* is a fierce memoir unafraid to ask thorny questions about trauma and survival in immigrant families, the meaning of work, and the costs of immigration.

The Compleat Ambassador: Or Two Treaties of the Intended Marriage of Qu: Elizabeth of Gloriosus Memory; Comprised in Letters of Negatiation of Sir Francis Walsingham, Her Resident in France. Together with the Answers of the Lord Burleigh, the Earl of Leicester, Sir Tho: Smith, and Others ... Faithfully Collected by the Truly Honourable, Sir Dudly Digges ... Dudley Digges,1655

Qu Yuan and the Chuci Martin Kern,Stephen Owen,2023-10-30 In this volume, leading scholars of early Chinese literature offer new, multi-faceted research on the ancient anthology *Lyrics of Chu* (Chuci). Through meticulous textual analysis, richly annotated translations, and theoretical reflection, they challenge millennia-old assumptions about China's arch-poet Qu Yuan (ca. 300 BCE), his authorship, and the composition of the lyrics attributed to him, above all the "Li sao" (Encountering Sorrow), ancient China's grandest poem. Thoroughly original insights into the poetics and aesthetics of Chuci poetry reopen these resplendent lyrics to a fresh appraisal of their captivating qualities and their foundational significance for the Chinese literary tradition. Contributors are: Lucas Rambo Bender, Heng Du, Michael Hunter, Martin Kern, Paul W. Kroll, Stephen Owen.

Marxist Philosophy in China : From Qu Qiubai to Mao Zedong, 1923-1945 Nick Knight,2006-01-01 This book recounts the history of Marxist philosophy in China between 1923 and 1945 through the writings and activities of four philosophers: Qu Qiubai, Ai Siqi, Li Da and Mao Zedong. Two of these philosophers – Qu and Mao – were also political activists and leaders, but their contribution to this history is as important, if not more so, than the contribution of Ai and Li who were predominantly philosophers and scholars. The inclusion of Qu and Mao underlines the intimate connection between philosophy and politics in the revolutionary movement in China. It is not possible to speak credibly of Marxist philosophy in China without considering the political context within which its introduction, elaboration and dissemination proceeded. Indeed, each of the philosophers considered in this book repudiated the notion that the study of philosophy was a scholastic intellectual exercise devoid of political significance. Each of these philosophers regarded himself as a revolutionary, and considered philosophy to be useful precisely because it could facilitate a comprehension of the world and so accelerate efforts to change it. By the same token, each of these philosophers took philosophy seriously; each bent his mind to the daunting task of mastering the arcane and labyrinthian philosophical system of dialectical materialism. Philosophy might well be political, they believed, but this was no excuse for philosophical dilettantism.

Le Subjonctif Qu'est-Ce que C'est? Delphine O'Brien,2013-03-28 The Subjunctive A Step By Step Grammar Booklet where you will learn how to : Understand French verbs in a simplified way Master your grammatical and lexical knowledge Understand the grammatical points by using French

Literary Structures of Religious Meaning in the Qur'an Issa J Boullata,2013-09-05 This volume studies how the literary elements in the Qur'an function in conveying its religious message effectively. It is divided into three parts. Part one includes studies of the whole Qur'an or large segments of it belonging to one historical period of its revelation; these studies concentrate on the analysis of its language, its style, its structural composition, its aesthetic characteristics, its rhetorical devices, its imagery, and the impact of these elements and their significance. Part two includes studies on individual suras of the Qur'an, each of which focuses on the sura's literary elements and how they produce meaning; each also explores the structure of this meaning and the coherence of its effect. Part three includes studies on Muslim appreciations of the literary aspects of the Qur'an in past generations and shows how modern linguistic, semantic, semiotic, and literary scholarship can add to their contributions.

Was ist Philosophie im Mittelalter? Qu'est-ce que la philosophie au moyen âge? What is Philosophy in the Middle Ages? Jan A. Aertsen,Andreas Speer,2012-12-17 The series MISCELLANEA MEDIAEVALIA was founded by Paul Wilpert in 1962 and since then has presented research from the Thomas Institute of the University of Cologne. The cornerstone of the series is provided by the proceedings of the biennial Cologne Medieval Studies Conferences, which were established over 50 years ago by Josef Koch, the founding director of the Institute. The interdisciplinary nature of these conferences is reflected in the proceedings. The MISCELLANEA MEDIAEVALIA gather together papers from all disciplines represented in Medieval Studies - medieval history, philosophy, theology, together with art and literature, all contribute to an overall perspective of the Middle Ages.

Qu'est-il arrivé à l'Afro? Donna Kakonge,2014-02 Chris Rock avec son documentaire Good Hair sorti de nombreux sujets importants concernant la politique de cheveux des Noirs, en particulier les femmes. Cette recherche a ete effectuee en 1999, soit 10 ans avant la sortie du documentaire de Chris Rock. Avec les histoires basees a Montreal, au Canada, la recherche va profondement dans comprendre pourquoi certaines femmes noires estiment qu'il est important de garder leurs cheveux naturels pour des raisons telles que la sante, style personnel, des raisons historiques et un ensemble beaucoup plus.
