**The Quiet Storm** Stormy Wellington,2014-08-26 Born to fail! That's what many would say about the beginning of Stormy Wellington's life. Born to a mother who wanted to abort her, Stormy didn't have the best of beginnings. Raised mostly by her brothers and family friends while her mother took care of her business in the streets, it didn't seem like Stormy had any kind of path to success. And for a while, Stormy found herself caught up in the life of hustling and drug dealing, scheming and stripping. But even in the midst of that life, Stormy had a dream. Inside she knew she would rise above it all. She was determined never to be a product of that environment. The Quiet Storm is the autobiographical journey of Stormy Wellington as she overcame all the traps of her life. Not even her pregnancy at the age of fifteen stopped Stormy from shaping her future and taking control of her destiny. Stormy endured a life that was filled with pain, but instead of being a victim, she embraced her past, understanding the entire time that every situation and circumstance was a part of her process and would help her along her road to success. Today, Stormy Wellington is one of the top network marketers in the country and for the first time, this renowned motivational speaker and life coach, shares her story. The Quiet Storm is a story of hope and purpose and will leave you feeling encouraged and inspired, knowing that by embracing your past, like Stormy, you can step into the magnificence of your future!

**Quiet Storm** Donna Hill,2007-04 The remarkable life story of an award-winning musician who devotes her life to humanitarian aims after she is blinded in an accident--as told through the eyes of the three men who love her. Original.

**Quiet Storm** Bella,2020-08-31 Domestic Violence is one problem; however, it is handled and resolved in many different ways by its many different victims in a manner such that those victims may become survivors. How one victim overcomes may be totally different from how the next victim becomes a survivor. I know this to be true because of my story and my survival of Domestic Violence. This is my story, and this is how it happened for me and as I stated before, it will not be the same for everyone. Each journey is separate and has different routes and measures. I wrote this book to inform others of the cycle of Domestic Violence, and to bring about awareness to those who may be oblivious of this dark place and may have somehow unfortunately found themselves in it. It is extremely regrettable that so many individuals and families experience this tragedy and accept it as normal because they have not properly identified it as Domestic Violence. This book may also inspire others who may have a deep desire to advocate for victims who are living the nightmare of Domestic Violence. My hope is that this book will be a beacon to individuals who may be experiencing situations that are uncomfortable, dangerous, or violent to them or to their children and that they will quickly identify this problem and get assistance in getting out and getting out safely with their lives intact because sadly there are so many who don't. If you or someone you know are experiencing Domestic Violence, please get help by calling the National Domestic Violence Hotline at: (800) 779-7233 or TTY (800) 787-3224.

**Quiet Storm** Rachel Howzell Hall,2002-09-01 Smart, kind, and beautiful, Rikki Moore was always the star of her well-bred family. But the world doesn't know that storms ripple just beneath Rikki's image of perfection. Addressing a subject often avoided in many African-American families, A Quiet Storm reveals the secret anguish of a family pulled apart by mental illness and the tragedy that results from their denial.

**A Quiet Storm** Rachel Howzell Hall,2002-09-10 In this vividly written, suspense-driven novel, the secrets shared between two sisters erupt in tragedy. Rikki Moore was always the star of the family, easily outshining her younger sister, Stacy, at every turn. Smart, kind, and beautiful, it was no surprise when Rikki met and married the perfect man -- pediatrician Matt Dresden. Her students at 59th Street Elementary School adored her, the church matrons solicited her help on every committee, and everyone wanted the golden couple to put in an appearance at their parties. Stacy? She was just the overweight little sister who couldn't get her love life together. But the world didn't know about the storms that rippled just beneath the surface of Rikki's image of perfection. Ever since she was a teenager there were emotional breakdowns and obsessive behaviors -- secrets that Stacy was left to bear alone. Folks whispered, but they didn't know. When Rikki's husband, Matt, mysteriously disappears, however, the Moore family's carefully constructed image comes crashing down.
