Butterflies in the Storm Nicole Renee Wyatt, 2014-03 When battered and abused wife, Mary Franklin, changed her identity and made a daring escape from her husband, fear was her motivation - fear her husband would find her, fear her rapist would attack her again, and fear that life would never hold anything good. Then she falls for country music star, Alan Brooks. With Alan's divorce from his adulterous wife, Angela, on the horizon, he confesses his love for Mary. She is faced with the choice: should she stay within the safety of her cocoon of lies, or emerge as a butterfly in the truth? Meanwhile, Angela isn't willing to let go of Alan without a fight. She devises a foolproof plan to keep him where she believes he belongs. Will Mary and Alan's new love be strong enough to weather any storm?

A Quilted Life Catherine Meeks, 2024-02-13 Catherine Meeks shares the wisdom she has garnered

over the journey of her life, from her father's sharecropping fields to the academy and beyond. Today, Catherine Meeks is a national leader of racial healing and an esteemed retired professor of African American studies. But being a Black woman in America can be difficult. Join Meeks as she describes the adventures and adversity she encountered on her path to becoming an empowered voice for change. Growing up in Arkansas under the terror of Jim Crow, Meeks learned firsthand about injustice and the desperation it causes. But with the support of her family, she moved to LA to study at Pepperdine. When a Black teenager was killed by a campus security guard, Meeks awakened to her prophetic voice, and a local women's group gave her hope that racial reconciliation was possible. She later led a group of students to West Africa, where she met her husband. Yet her years-long battle with rheumatoid arthritis severed their relationship, leaving her a single mother. Meanwhile, she worked tirelessly at Mercer University to expand the African American studies program, all while earning her MSW and PhD. Quilting together these memories—bitter and sweet, traumatic and triumphant—Meeks shares her hard-earned wisdom: Learn how to discern the Creator's work. Listen to

the voice saying “yes” to opportunity. Become a wounded healer. Know when to practice silence and when to speak out. Readers will leave the pages of *A Quilted Life* enriched by Meeks’s unique perspective and insight.

Science Monitor You can't always change things. Sometimes you don't have no control over the way things go. Hail ruins the crops, or fire burns you out. And then you're just given so much to work with in a life and you have to do the best you can with what you've got. That's what piecing is. The materials is passed on to you or is all you can afford to buy . . . that's just what's given to you. Your fate. But the way you put them together is your business. Compelling black and white portraits of the women accompany their moving oral histories, while thirty-six color photographs showcase the quilts. HBCU Marybeth Gasman, Levon T. Esters, 2024-01-23 Showcases the role HBCUs play in empowering Black students, fostering economic development, building community, and mentoring

leaders and activists. Historically Black Colleges and Universities (HBCUs) play a pivotal role in promoting social and economic mobility for African Americans and in mentoring the next generation of Black leaders. In HBCU, Marybeth Gasman and Levon T. Esters explore the remarkable impact and contributions of these significant institutions. Through inspiring personal stories and extensive research, Gasman and Esters showcase how HBCUs have mentored generations of leaders and scholars, fostering a collaborative culture of success and empowerment. These schools shape and propel Black students into leadership and intellectual roles where they have a major impact on medicine, literature, law, higher education, art, sports, and business. HBCUs also have a profound impact on local communities and economic development that extends far beyond the classroom. This book sheds light on the unique cultures and identities nurtured within HBCUs while emphasizing the importance of philanthropic support and alumni engagement in maintaining these important institutions. Despite their positive contributions to society, HBCUs face specific challenges like securing adequate funding and support, small endowments, and accreditation. Gasman and Esters sound a compelling

call to action and outline practical steps for sustaining HBCUs' invaluable legacy.
