*Welfare Wifey*s K'wan,2010-09-28 After the deaths and arrests of his entire crew and an informant-fueled investigation into his past, the man known on the streets as Animal relocates to Texas and finds fame and stardom as the newest act signed to the notorious Big Dawg Entertainment. His girlfriend, Gucci, is thrilled when she gets the news that he's coming back to New York on a promotional tour, but when she discovers the hidden agenda behind his homecoming nothing can prepare her for the life-altering consequences that will come of it. Eastern Inferno Christine Alexander,Mason Kunze,2010-11-30 “Remarkable personal journals . . revealing the combat experience of the German-Russian War as seldom seen before . . a harrowing yet poignant story” (*Military Times*). Hans Roth was a member of the anti-tank panzerjäger battalion, 299th Infantry Division, attached to the Sixth Army, as the invasion of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the primitive vastness of the East. During the Kiev encirclement, Roth's unit was under constant attack as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally been beaten, a friend serving with the SS led him to a site—possibly Babi Yar—where he witnessed civilians being massacred. After suffering through a brutal winter against apparently endless Russian reserves, his division went on the offensive again when the Germans drove toward Stalingrad. In these journals, attacks and counterattacks are described in you-are-there detail. Roth wrote privately, as if to keep himself sane, knowing his honest accounts of the horrors in the East could never pass Wehrmacht censors. When the Soviet counteroffensive of winter 1942 begins, his unit is stationed alongside the Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth's three journals were discovered many years after his disappearance, tucked away in the home of his brother. After his brother's death, his family discovered them and sent them to Rosel, Roth's wife. In time, Rosel handed down the journals to Erika, Roth's only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia.

Damnation Marked SM Reine,2014-03-01 There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

Lance Out Loud Pat Loud,2012 Lance Loud came to represent the gay community, and in addition, embodied the creative spirit and genius of outsider status that became the 1980s and fuelled so much of what has evolved today in our culture in terms of art, music and literature. In 2003, PBS broadcast the program, Lance Loud: A Death in an American Family, which was filmed in 2001 while visiting the family again, at the invitation of Lance before his death at age 50.
