Tess of d'Urbervilles Thomas Hardy,2022-12-30 When the impoverished Durbeyfield family learn that they may be descendants of the royal d'Urberville family, they are delighted at the thought of owning a potential

fortune and ask their daughter, young Tess, to go and stake their claim. She initially refuses, but is forced to go when she accidentally kills their horse and cripples their livelihood. But her meeting with Alec d'Urberville goes horribly wrong, and she returns home in shame. Tess later falls in love with the kind Angel Clare but is forced to make a difficult decision: to tell him the truth of her past and face the consequences, or to remain silent. The book was controversial when first published and deemed "socially unacceptable" by some as Hardy's uniquely feminist portrayal of Tess challenged the sexual morals of the time.
