T2 Trainspotting Irvine Welsh,2009-05-27 Now a major film directed by Danny Boyle reuniting the cast of Trainspotting Years on from Trainspotting Sick Boy is back in Edinburgh after a long spell in London. Having failed spectacularly as a hustler, pimp, husband, father and businessman, Sick Boy taps into an opportunity which to him represents one last throw of the dice. However, to realise his ambitions within the Adult industries, Sick Boy must team up with old pal and fellow exile Mark Renton. Still scheming, still scamming, Sick Boy and Renton soon find out that they have unresolved issues to address concerning the unhinged Begbie, the troubled, drug-addled Spud, but, most of all, with each other. T2 Trainspotting was previously published as Porno.

Fundamentals of Electrical Engineering Charles A. Gross,Thaddeus A. Roppel,2012-02-15 Real-world engineering problems are rarely, if ever, neatly divided into mechanical, electrical, chemical, civil, and other categories. Engineers from all disciplines eventually encounter computer and electronic controls and instrumentation, which require at least a basic knowledge of electrical and other engineering specialties, as well as associa

Never Sleep with a Suspect on Gabriola Island George Szanto,Sandy Frances Duncan,2009 In this new detective series set on the islands off the Pacific Northwest, Noel Franklin and Kyra Rachel team up to form Islands Investigations International. Quickly they come to realize that some crimes respect no boundaries. Their first job takes Noel and Kyra to Gabriola Island and the murder of an art gallery groundkeeper. A police investigation ensues, without immediate success. Upset by a suggestive article about the murder in the local paper, the gallery owner calls on Noel, an ex-investigative reporter and asks him to find evidence that will eliminate the spreading rumors. Noel agrees and asks his long-time friend Kyra, an insurance investigator from Bellingham, Washington, to help. As Noel and Kyra work on the case they fall prey to those they need to trust, and discover that even charming island communities can keep deadly secrets. Never Sleep With a Suspect is the first mystery in the series, which alternates between Canada and the US. The next mystery, Always Kiss the Corpse, is set on Washington State's Whidbey Island.

The Sun Shines at Midnight Alan Joseph Parker,2011-11 Hitch a ride with JW Palmer on a journey of love, joy, pain and awakening, as he rides his bicycle alone across the heartland of America. Bewildered by the blur of events -- two years in Vietnam, four years in college, and six in a mind-numbing marriage -- he was suffering from PTSD. As his wheels turn, he untangles his mind and emotions one revolution at a time. Through a succession of vignettes we get to peer into his soul, as he struggles to evolve within the chrysalis of the '70s. Disillusioned after finishing college in 1974, he and his wife split up and he went looking for answers. As he fights his mind, the wind and the terrain, he meets the amazing people and animals who live in the middle of the country. People are interested in his story, and the shy poet evolves into a skilled storyteller, telling them about his trip and us about his search for the light at the end of the tunnel, as he finds out that the light he is looking for is within ...blazing away like the sun shining at midnight. About the Author: Originally from Richmond, Indiana, Alan Joseph Parker now lives in Portland, Oregon.I wrote my first poem in 1968 sitting on a rock in Vietnam watching the full harvest moon rise through scattered clouds over the mountains, and feeling at peace in the middle of the war. I have been writing ever since. I have hundreds of poems but this is my first novel. Publisher's website: <http://www.sbpra.com/AlanJosephParke>

Doing Their Bit Michael S. Shull,David E. Wilt,2014-05-23 The golden age of animation stretched from the early 1930s to the mid-1950s, with movie cartoons reaching an extraordinarily high level of artistry and technique--far higher than today's TV cartoons, for instance. Nearly 1000 cartoons were produced by the seven major animation studios in the U.S. between January 1, 1939, and September 30, 1945--the immediate pre-World War II period up to the cessation of hostilities. More than a quarter of the cartoons substantially refer to the war, and thereby are invaluable in helping to understand American attitudes and Hollywood's reflection of them. The meat of Doing Their Bit is a filmography with extremely detailed summaries of the 260 or so commercially produced, animated, war-related shorts, 1939-1945. There is also a good bit of overall commentary on these films as a group. Two chapters wrap up animated cartoons of World War I and the general political tenor of animated talkies of the 1930s. This edition also includes a new chapter on the outrageous government-sponsored Pvt Snafus.

Shipmates Chris Terrill,2012-07-31 This is the tie-in book to a two part BBC 1 documentary series to be screened at 9.00pm in October and which will end on the bicentenary of the Battle of Trafalgar on 21st October. Chris Terrill is famous for his fly on the wall documentaries which have been watched by millions and received wide critical acclaim. We have had HMS Brilliant and The Cruise (audience reached 11 million). Chris has based himself for the last few months in the very heart of the modern day naval experience. We will see: a Royal Naval Chaplain exorcising a haunted barracks in Portsmouth, a vodka-fuelled Trafalgar Day celebration in the British Embassy in the Moscow in 2004, a Polaris submarine crossing the Atlantic on an exercise in which it will 'pretend' to nuke America, the patrol of the frigate HMS Chatham in the Gulf, suddenly diverted to Sri Lanka after the Tsunami and the Fleet Review, where HMS Chatham in honour of her humanitarian role in Asia, will lead the entire assembly of a hundred warships, British and foreign, down the Solent. Chris is the only film maker to be granted exclusive, behind the scenes access by the Navy this year. During the filming Chris will capture the heart and soul of the sailors aboard, and on shore: there will be plenty of irreverence, practical jokes and laughs, and the human reality of the families left behind for months on end as warships and submarines go on extended tours of duty. This will be the fullest ever account of the Modern Navy in a year when the Trafalgar Day celebrations and the Fleet review will attract an avalanche of publicity.

Face to Face with the Taliban Peter Mallon,2022-12-23 Operating in the second most dangerous place on the planet, outside of Iraq; his orders take him to the dark, unescapable alleyways of Kabul, to negotiate with the same people, whose sole mission every other day of the week, is to kill him and his team. After arriving in Helmand, he's confronted with a powerful, sinister, deceptive and all-persuasive enemy that looks like him, dresses the same and live within the confines of the same security camp. With no one to confide in; no safe haven to run to; no one to ask for help and rapidly running out of time. He has no alternative but to set in play a plan that will require him to use every tool in his armoury if he intends to save not only his own life but the lives of those depending on him.

Social Work and the Courts Daniel Pollack,Toby G. Kleinman,2015-10-05 Social Work and the Courts is a collection of important and cutting-edge court decisions in the field of human services, now in its third edition. Pollack and Kleinman present an array of legal cases in everyday language, with clear explanation of the facts and issues, and in-depth examinations of the reasoning and implications of each decision. This new edition includes over twenty new cases, all of which happened between 2010 and 2014, making this one of the most significant and timely investigations of how social work and the law intersect. Special attention is paid to recent rulings in child welfare and social worker liability. The dissection and analysis of these influential cases makes this volume an excellent teaching tool and an essential resource for both social workers and policy makers.
