What will become of the radish? And will the animal friends ever eat?

Storm and Silence Robert Thier,2016-03-19 Freedom - that is what Lilly Linton wants most in life. Not marriage, not a brood of squalling brats, and certainly not love, thank you very much But freedom is a rare commodity in 19th-century London, where girls are expected to spend their lives sitting at home, fully occupied with looking pretty. Lilly is at her wits' end - until a chance encounter with a dark, dangerous and powerful stranger changes her life forever... Enter the world of Mr Rikkard Ambrose, where the only rule is: Knowledge is power is time is money Winner of the People's Choice Award 2015

Hearts on a String Kris Radish,2010-05-25 Bestselling author Kris Radish delves deeply into the emotions of five very different women who are thrown together by chance—only to discover that they have more in common than they ever could have imagined. Holly Blandeen has always cherished the story her grandmother told her about the thread that connects all women, tying them forever in sisterhood. It's a beautiful idea, but with all the curveballs life has thrown her way, Holly has often felt isolated, different from other women. That starts to change when she meets four strangers in an airport and they agree to share a luxury hotel suite because a powerful spring storm is barreling across the country, stranding travelers from California to Florida. What begins as a spur-of-the-moment decision becomes an unlikely, unexpected, and sometimes reluctant exercise in female bonding, as these five exceptional women—each at a crossroads—swap stories, share secrets, and seek answers to the questions they've been asking about life, love, and the path to true happiness. A storm may have grounded them for the moment, but after this wild adventure in which anything can and does happen, they'll never have to fly solo again.

Katrina Susan M. Moyer,2005 At 7 a.m. on August 29, Hurricane Katrina made landfall on the Louisiana coast between Grand Isle and the mouth of the Mississippi River as a strong Category 4 hurricane. The devastation she would bring to the Gulf Coast was widespread and unimaginable. Though warnings had been issued for days and evacuations initiated, thousands stood in the path of one of the strongest storms in the history of America. Left with no power, no drinking water, dwindling food supplies, and steadily rising waters from major levee breaches, survivors also faced life-threatening looting and widespread fires. Efforts to limit the flooding were initially unsuccessful and refugees from the hurricane fought for their very survival on the streets of New Orleans and throughout Louisiana and Mississippi. While tragedy and desperation brought out the worst in some, it also inspired courage and hope in others, giving them the will to triumph against incalculable odds.
